Businessmen Back Tax Cut

. . . TO WHIP UP INTEREST

Washington (AP)—An array of the nation's leading businessmen, industrialists and financiers launched a drive Thursday to whip up general interest in substantial tax cuts this year.

They got a salute from **President Kennedy who said they were demonstrating "a high sense of statesmanship."**

The group issued a statement of principles, which previously had been reported when word of the committee's creation first came out, and then met with President Kennedy at the White House.

No Endorsement

It endorsed neither the administration's tax program nor any particular method of going about reduction.

Instead, the group which dubbed itself the Business Committee For Tax Reduction in 1963, proposed that Congress enact at the current session net cuts of about $10 billion in corporate and individual taxes.

The committee suggested that "a substantial part" of the reduction be made effective as early as possible in 1963.

Well Aware

Kennedy issued a statement saying he was well aware that the business group is not in accord with all his proposals for revising the tax structure. But he said "their action indicates a substantial area of commonly held views which is far more significant than the area of difference."

"Their statement reflects underlying beliefs—which I fully share—that the present federal tax structure inhibits incentives, discourages economic growth and is partly responsible for the present high level of unemployment, and that careful expenditure control must accompany tax reductions," Kennedy said.

In one point of difference with the administration, the committee advocated that White House-Treasury proposals to revise the tax structure with such devices as a 5% floor on itemized deductions be set aside.

Spokesmen did not quarrel *with the advisability of* changes in the tax laws but insisted that consideration of revisions should be removed from the path of tax reduction lest cuts in rates this year be caught in a snarl of debate.

The group of 36 executives who convened over lunch elected 5 of their members as the nucleus of an executive committee. They are Mark W. Cresap Jr., president of Westinghouse Electric Corp.; Sam Fleming, president of the Third National Bank of Nashville and former president of the American Bankers Association; Henry Ford II, chairman of Ford Motor Co.; Stuart T. Sanders, president of Norfolk & Western Railway, and Frazar B. Wilde, chairman of Connecticut General Life Insurance Co.

That unit was authorized to select 5 additional committee members and name officers.

—IN HOUSE—

Grains Bill Is Passed

Washington (AP)— The House passed Thursday a bill to extend with some modification the present feed grains program, giving the Kennedy administration a new demonstration of strength.

The vote was 208 to 196.

Democrats first beat back 209 to 196 a Republican attempt to delay action on the bill by sending it back to committee. The Republicans contended passage of the measure would influence wheat farmers to vote for an administration wheat plan in a May 21 referendum.

House Democratic leader Carl Albert of Oklahoma replied that unless the legislation was passed now the wheat farmers would be "voting in the dark," not knowing how the feed grain program would fit into theirs.

Republican opponents said from the outset they were not against such feed grain legislation, although they argued that the bill would give far too much power to Secretary of Agriculture Orville L. Freeman.

But they said there was no pressing urgency for a bill now that affects the 1964 crop, and that it should be delayed until after the wheat referendum.

Nebraska's 3 Republican congressmen — Ralph Beermann, Glenn Cunningham and Dave Martin—voted against the program.

The key vote on the wheat bill was on the GOP recommittal move, which failed by not a very large margin — 28 Democrats sided with 168 Republicans in an effort to stop the bill, while all 205 on the other side were Democrats.

Explosion Traps 21

Clarksville, W. Va. (UPI)—Twenty-one men were reported missing early Friday following an explosion and possible rockfall at the Clinchfield Coal Co.'s Compass No. 2 mine at Dola, W.Va., 12 miles northwest of here.

Twenty-one are trapped," Steve Canonico, Clinchfield vice-president said. He added that 30 others escaped.

Rescue teams entered the mine and 3 other rescue teams were en route from Fairmont, W. Va., 20 miles from the scene.

The shaft where the blast occurred was 330 feet deep and the miners were reported working some 5,000 feet away.

Robt. Kennedy, Wallace Discuss Race Problem

Montgomery, Ala. (AP)—Atty. Gen. Robert Kennedy discussed Alabama's racial problems with Gov. George Wallace Thursday in a tense atmosphere which brought the arrest of 18 white demonstrators.

But although both the governor and the President's brother said they had a "pleasant, courteous" visit, neither was willing to give ground in their opposite views on segregation and states rights.

The segregationist demonstrators were taken to jail on charges of parading without a permit shortly before the attorney general reached the historic capitol where a century ago Jefferson Davis became president of the Confederacy.

Protested

In the crowd was retired Adm. John Crommelin, an active member of the National States Rights Party. He was not arrested because he was not marching with the others, but he protested the arrests, and read the First Amendment to the U.S. Constitution to one of the arresting officers.

Riot-trained state highway patrolmen, supported by armed capitol guards, ringed the building to prevent trouble. City police patrolled the streets adjoining the statehouse.

But except for the arrests, there were no incidents. Scores of state employes and others, crowded onto the grounds and into the halls, greeted Kennedy cordially. Many shook his hand.

Defiant

Kennedy and Wallace, talking separately with newsmen after their meeting, made it clear that the attorney general still feels the federal courts must be obeyed, and the governor remains defiant.

Again and again, Wallace emphasized that "my position is the same as it was during the (gubernatorial) campaign" last year when he vowed to disobey any federal court school integration order.

The fiery former state court judge told voters throughout the state that he would "stand in the schoolhouse door" and invite arrest if necessary to block integration.

Peacefully

Kennedy, chatting with reporters in the governor's outer office heavily guarded by state and federal officers, said he expressed to Wallace a hope that integration problems can be settled peacefully.

He said he would like to see local political, business and school leaders assume the responsibility for complying with court decisions without mob violence.

And, he added, "I am hopeful that no outside forces of any kind, the federal government or any other, will interfere."

But the attorney general added firmly that "we will do whatever is necessary to enforce the orders of the courts."

Kennedy said the governor **"made it quite clear that he is against violence." Wallace, asked later what he told the head of the Justice Department on that matter, replied, "my position is the same as it was."**

The attorney general told newsmen he and Wallace discussed specifically an impending integration showdown at the University of Alabama, where Negroes have applied for admittance.

University authorities already are under federal court order to admit qualified Negroes, dating back to the Autherine Lucy incident of 7 years ago. Wallace as governor is ex-officio president of the board of trustees.

RACING BILL IS ADVANCED

. . . Only Churches Opposed

By DON WALTON
Star Staff Writer

Twenty-two million dollars in outside capital is available to finance construction of the proposed centennial stadium between Omaha and Lincoln if the state approves dog racing for profit, Sen. F. O. Gottschalk of Columbus announced Thursday.

The lawmaker revealed his information at a meeting of the Legislature's Revenue Committee.

Following a public hearing, the committee advanced to the floor on a 5-1 vote a bill proposing a vote of the people on a constitutional amendment authorizing wagering on dog races.

It also approved an amendment to the bill, LB780, providing that wagering be taxed at a minimum rate of 6% in addition to 50% of the track breakage.

Carpenter Proposal

The tax provision was proposed by Sen. Terry Carpenter of Scottsbluff. He estimated that revenue from dog racing in Nebraska would amount to $5 million annually.

Gottschalk told the committee that he has been "informed that if we get dog racing, certain people can raise $22 million in private money to build the stadium between Omaha and Lincoln."

Questioned by The Star, Gottschalk noted that the stadium would then be used for private operation of dog racing in addition to conventions and other functions.

The proposal, he said, hinges on approval of dog racing operations by profit-making enterprises.

Gambling in Nebraska on horse racing and bingo may be conducted only by non-profit corporations.

Source Not Named

Gottschalk declined to reveal source of the private funds.

Some 57 organizations in the nation now cannot find a building large enough to hold their conventions, the senator said, and the proposed stadium could fill their needs.

The covered stadium is a proposal of former Gov. Val Peterson of Hastings, who envisioned it as a possible monument to Nebraska's centennial in 1967.

Peterson had earlier proposed its use for horse racing.

Peterson told The Star Thursday night that he would have to be "absolutely assured" that any outside capital for construction of the stadium is "100% clean" before he could endorse its use. (See story on Page 16.)

The hound racing bill attracted supporting testimony from Sens. Carpenter, Gottschalk, Jules Burbach of Crofton and Marvin E. Stromer of Lincoln, former Sen. George F. Fulton of Beatrice and his son, a Texas greyhound breeder.

Churches Opposed

Only opposition was voiced by the Rev. Carroll Lemon of Lincoln, executive secretary of the Nebraska Council of Churches.

Lemon expressed general disapproval of gambling and pointed out possible problems of control and regulation.

Lemon said the Legislature ought to give "serious and sober consideration" to broadening the tax base rather than "chipping away at our tax problem . . . with new and increased taxes on 'sin.' "

He also opposed "any departure from the present concept of non-profit operation" of gambling enterprises.

George J. Fulton of Corpus Christi, Tex., said hound racing is "the most honest form of leglaized gambling in the nation." He noted that humans do not participate in the race itself, as they do in horse racing.

Revenue from dog racing ranges up to $13 million a year in Florida, Fulton said. Colorado raises $2 million annually with a 5% tax.

Other witnesses suggested that the new sport would aid tourist attraction efforts.

Solons Want Court View On New Reapportionment Setup

State senators Thursday expressed the *hope* that the U.S. District Court will render a decision on the Legislature's reapportionment plan while the Unicameral is still in session.

There has been no indication as to whether a ruling will be forthcoming that soon.

The Legislature approved the historic redistricting plan, and Gov. Frank Morrison announced late Thursday that he will sign the bill into law.

The proposal, LB629, cleared the Unicameral on a 34-7 vote, with the entire Douglas County delegation banding together to express opposition to the formula used in the plan.

49 Members

Under terms of the measure, the 1965 Legislature will be composed of 49 members. Three additional lawmakers will hail from Douglas County, two from Lancaster County and one from northeast Nebraska.

According to a new bill introduced minutes after the reapportionment measure was approved, senators representing odd-numbered districts would be elected to 4-year *terms* in 1964, while those in even-numbered districts would receive two-year terms.

The new bill, LB785, would implement a voter-enacted constitutional amendment providing 4-year, staggered terms for members of the Legislature.

Reapportionment, first since the Unicameral became operative in 1937, was undertaken within the framework of a constitutional amendment providing a measure of weight to area in determining new districts.

20% For Area

LB629 employs 80% weight for population, and 20% for area factors.

The area concept resulted in the pending District Court suit. The 3-member tribunal refused to interfere with the reapportionment issue prior to voter expression on the area amendment and legislative implementation of the formula.

"I certainly hope the court will act while we are in session," Sen. Arnold Ruhnke of Plymouth declared. He is chief sponsor of the reapportionment plan.

Ruhnke said he "feel(s) certain that we have adopted a reasonable plan which the court will approve," but he pointed out, "if it must be changed, we could do it while we are in session."

Otherwise, Ruhnke noted, a special session would probably be necessary later this year.

Morrison: 'Good Bill'

Morrison said LB629 is "a good bill."

With a Unicameral, the governor said, "Nebraska must use the area concept in determining its representation." Historically, American government is based on a compromise between population and area representation, he declared.

Morrison also announced his support for a bill killed in the Government and Military Affairs Committee which would require reapportionment to the Legislature every 10 years. The measure, LB578, was axed on a 4-1 count.

Without periodic redistricting, he said, "there would be a lot of court action to force it."

Harriman Hopes He'll Find Russian Leader Agreeable

Mowcow (AP) — W. Averell Harriman, bidding on President Kennedy's behalf for Soviet support of efforts to restore peace in Laos, expressed hope Thursday night he will find Premier Khrushchev agreeable.

"I am always hopeful that, with good will, we will reach agreement," the slim and dapper U.S. undersecretary of state told newsmen on his arrival aboard a Soviet airliner from London.

"The United States wishes to support the stability of the neutral government. The United States is careful to adhere to the (1962 Geneva) agreement, both in letter and in spirit," he said.

Now 71, the World War II ambassador to Moscow and long-time diplomatic troubleshooter looked suave and confident.

Harriman was fresh from emergency talks with authorities of France and Britain about the campaign of pro-Communist Pathet Lao guerrillas to expand their holdings in Laos, whose neutrality and freedom were guaranteed by the 14-nation Geneva Laotian conference last year.

The Soviet Union and Britain were co-chairman of that conference. France and the United States were influential participants in the decisions that gave the Southeast Asian Kingdom a government dividing authority among 3 factions — conservative, neutral and leftist — under a neutralist premier, Prince Souvanna Phouma.

Responded

Harriamn responded briefly to a flood of questions from a score of foreign and Soviet newsmen at the airport. He said he hoped a way could be found to end the fighting.

"I have no reason to believe that Mr. Khrushchev does not intend to carry out the agreement reached on the neutrality of Laos," he said.

In a comment that appeared somewhat at odds with Kennedy's opinion, Harriman said he did not feel the Laotian settlement was "a test of the intentions of the Soviet Union."

Letter

He said he expects to meet Khrushchev to present a personal letter he carries from the President, and to have a talk with Soviet Foreign Minister Andrei A. Gromyko.

The length of his stay in Moscow, he said will depend on how his talks with Soviet officials work out.

–BLOUGH'S SILENCE 'DISHONEST'–

Hodges Critically Examines Ethics In World Of Business

Washington (AP) — Secretary of Commerce Luther H Hodges, critically examining ethics in the business world, accuses U S Steel's Roger M Blough of dishonest silence in the period leading up to the steel price crisis of 1962

Hodges scrutinizes the behavior of Big Steel in one chapter of his new book, "The Business Conscience," to be published Friday (Prentice-Hall)

From his official position, Hodges was intimately associated with the chain of events last April when President Kennedy's violent reproach and government maneuvers forced steel companies to cancel price increases 3 day after announcing them

Recalling the incident, Hodges says top officials of U S Steel were "completely wrong" in failing to suggest during negotiations with the United Steelworkers that they might hike prices

"To put it bluntly," he writes, **"they misled the President and the public by withholding information or leaving the impression they were going along with the anti-inflation program outlined by the President"**

Hodges chides Blough, board chairman of U S Steel, for remaining silent through "repeated opportunities" to tell Kennedy or anyone else that a price increase would follow even a modest settlement with the union

"In my judgment this silence was not honest" Hodges says He contends Blough must have known the government took an interest in the negotiations because it wanted to hold the price line He adds

"By keeping silent, Mr. Blough misled the government so that, in effect, the steel industry could reap the benefits of official efforts to moderate the union's contract demands"

A spokesman for Blough said the US Steel board chairman will not comment on Hodges' charges until after he reads the book

Framing his allegations in a question, Hodges refers to steel industry leaders and asks 'Did they fail to take into consideration the national interest as opposed to their narrow, selfish interest?"

In lucid style, Hodges examines "The Business Conscience" as he has found it over his years in business and government He was governor of North Carolina before coming to Washington as Kennedy's first cabinet appointee

The business community as a whole is honest and forthright, Hodges says, and ought to fight the distorted impression created by occasional infractions

He assesses industry and public reactions to the 1961 price rigging scandal in the electrical equipment industry and admits dismay at the cold reactions of some business leaders to his formation of an Ethics Advisory Council

Hodges reports two cases of indiscretion, or worse, encountered in his own Department of Commerce One career employe, he says, was fired for disclosing a basic policy decision affecting the maritime industry to representatives of the industry two hours after it was reached Another official, he goes on, received the intimation of a bribe offer from an oil company representative

Hodges traces unethical conduct to such origins as 'professionalism" in intercollege athletics Subsidizing athletes and placing their accomplishments above quality education, he writes establish ' shabby ethical standards" for contributing alumni as well as students

"If it becomes apparent that you buy a winning combination of football or basketball players you may think you can buy anyone that every man has his price" Hodges comments

Nation's Living Costs Edge To Highest Point

Washington (AP) — A slight rise in March pushed the nation's living costs up to their highest point in history

The Labor Department reported Thursday its consumers price index rose by one-tenth of 1% to 106 2% of the 1957 59 average, or 1 1% higher than a year earlier

Higher March costs for clothing, mainly women's and girl's for used cars and for such household charges as water rates and real estate taxes contributed to the rise Food prices averaged three tenths of 1% lower than in February

No Change

Arnold E Chase Labor Department price study director, forecast no change in April living costs He also said he expects the recent selective steel price increases will have only a minor effect on consumer prices—that is unless other industries also raise their charges

The new living cost high came after the government index hit its prior record last September at 106 1% of the 1957 59 average The index then dipped a bit but climbed back to the September mark in February

The effect of the March increase probably has been hardly noticed by the average consumer Generally, to buy the same goods and services that cost $10 61 in February cost him $10 62 in March

One Cent Rise

The rise means a one cent hourly pay increase, however, for some 40 000 workers, including 30 000 employed by aerospace producers, based on a quarterly adjustment of living cost allowances Another 25,000 workers get one or two cent hourly pay raises based on local living cost computations

The Labor Department also announced that average after tax earnings of factory employes rose by about 50 cents a week in March, after a two month decline, to $06 11 for the worker heading a family of 4 This compares with the record $87 05 last December

ANPA Keeps Maier On Job

New York (UPI) — The American Newspaper Publishers Association (ANPA) Thursday re elected to a one-year term its president, Irwin Maier of the Milwaukee Journal and Sentinel

Also renamed to one-year terms were vice president, Gene Robb of the Albany (N Y) Times-Union and Knickerbocker News, and secretary, St Clair Balfour of southern newspapers, Toronto, Ont

Frank A Daniels, Raleigh (N C) News & Observer and Times, was elected treasurer His term as a director expired this year He succeeds Robert M White II of the Mexico (Mo) Ledger

The ANPA elected two new directors and re elected 5 other directors

The new directors are Richard H Blacklidge, Kokomo (Ind) Tribune and Crosby N Boyd of the Washington (D C) Star

Re-elected to two year terms were M J Frey, Portland (Ore) Oregonian and Oregon Journal, David Lindsay Jr, Sarasota (Fla) Herald-Tribune and Journal, Robert L Taylor of the Philadelphia Bulletin, and J Howard Wood of the Chicago Tribune

G Gordon Strong of the Brush-Moore Newspapers Canton, Ohio, was re elected for a one-year term

Cocteau Out Of Danger

Paris (UPI) — Doctors said that poet playwright Jean Cocteau, 73 who suffered a heart attack this week is out of danger as far as his heart is concerned He still is being treated for lung congestion

AP

HORSE TAKES A DIVE

This time it was a horse dive instead of a swan dive Great Glory was trapped two hours atop a train trestle in Johnson City Tenn Finally freed, he suddenly leaped 25 feet into a ditch below but was virtually unhurt

Pakistan Determined Confab Must Finish By End Of May

Karachi Pakistan (AP) — Pakistan is determined that its negotiations with India on Kashmir must be wound up by the end of May an authoritative Pakistani source said Thursday Sessions conducted intermittently since last December have proved fruitless

Delegates of the two nations closed their fifth round of talks about the future of the border state, under dispute for 16 years, and agreed to meet again in New Delhi May 15

Pakistani Foreign Minister Zulfikar Ali Bhutto and Indian Railways Minister Swaran Singh are the chief negotiators

It was indicated Pakistan agreed to continue only to allow time for the United States and Britain to work behind the scenes for a solution The efforts to end the feud were promoted by the Western powers which are funneling millions of dollars worth of arms to India for defense against Red China

Bhutto said recently there should not be any more negotiations unless substantial progress was made in the session that began here Monday Sources in both delegations agreed there had been no progress

Pakistan is now willing to go on until the end of May, according to the authoritative Pakistani source, to allow U S Secretary of State Dean Rusk and British Commonwealth Relations Secretary Duncan Sandys to try to end the deadlock They are scheduled to come here next week for a meeting of the Central Treaty Organization (CENTO) and later go to New Delhi

The Pakistani idea is that the two sides must work out a solution and Prime Minister Nehru must meet with President Mohammed Ayub Khan to ratify it within the next 36 days

There was no sign of optimism on either side that this could be done

SUIT FILED

Topeka Kan (UPI)—City Clerk Harold H Miller filed a $10,000 suit against the city and charged a city police dog killed his toy cocker

Miller's suit said the police dog was allowed to run off a leash March 29 and attacked and killed his pet It said Miller's 5 year old son was playing with the pet in the backyard when the police animal attacked

Farmers Ask For 'Good Day's Rain' As Threat Of New Dust Bowl Grows

Kansas City, Mo (UPI)—A drought threatens the Great Plains and farmers fear a new dust bowl is forming

Dust blows in Kansas, Oklahoma, Colorado, New Mexico and Texas Much wheat has perished and farmers ask for "one good day's rain" to make other crops possible.

Driest was a 30,000-square-mile area encompassing the Oklahoma and Texas panhandles, southwest Kansas, northeast New Mexico and southeast Colorado

Parched

The topsoil is cracked and parched Dry, warm winds sapped moisture from soil that has had little or no rain this year Some oldtimers were predicting 6 years of drought

In the 1930's, a dust bowl choked this same area Indoor light bulbs burned during daytime to fight the darkness of the dust storms.

Today's dryness may have great bearing on the national wheat referendum May 21, concerning the government's wheat price support program, regarded as a major test of the Kennedy administration's farm policy

"When times and crops are good," one expert said, "farmers don't think they need the government's help When things get rough, they reconsider"

A survey of farm leaders indicated the situation was depressing

Kansas crop experts estimated half of a two-million acre wheat crop in southwestern Kansas was lost to winter kill, cut worms and dryness

"Almost a total loss" in the Oklahoma Panhandle was reported by Jack Cornelius, president of the state board of agriculture He said it amounted to $18 million to farmers

Payoff

"These are the payoff months for wheat," Charles Fischer of the Texas experimental station near Lubbock said, "where rainfall either makes or breaks a wheat crop" He reported many were plowing under wheat planted last fall

In eastern Colorado, State Agriculture Commissioner Paul Swisher said, "if we don't get some rain out here pretty quick, we'll be in a real mess"

The head of the agronomy department at Kansas State University, Dr Raymond Olsen, said much wheat could be saved "if we get rain within the next few days"

In many areas the farmers "chiseled" the land, turning up damp clods to deflect wind from the parched top soil. That stops dust for a while, then only rain can settle it

The dryness extends eastward into Missouri, Arkansas and even the lush cornbelt. But the wheat crop is immediately threatened

Robert McCauley of the Federal Crop Reporting Service in Austin, Tex, said a failure would not hurt the national grain supply "because we have 1½ years of grain in storage It is the individual farmers who will get hurt"

Nikita Admits He Can't Be Big Boss For Ever

Moscow (AP)—Premier Khrushchev referred to his advancing age and eventual retirement in a speech reported by Tass Thursday

"I am already 69 and I have a right to say so," is the way he put it "For everyone understands that I cannot hold for all time the position I now have in the party and the state"

Khrushchev has two official jobs He is chairman of the council of ministers (premier) and first secretary of the Soviet Communist Party

Speculation

There has been speculation in the West that the Russian leader might give up either the party secretaryship or the premiership if not both

His remarks were delivered at a Kremlin meeting of industrial and construction workers Wednesday The Soviet news agency disclosed the details of the speech

In an apparent reply to critics of his undisputed political control of the Soviet Union, Khrushchev repeated his insistence that the "tried and tested leader of the Soviet people is our Communist Party I believe that no one will suspect that in stating this I have in mind any special standing of my own in the party"

Similar

Khrushchev has made similar remarks in the past in an attempt to illustrate the differences between his leadership and that of Stalin's

The premier then mentioned his age

"Therefore, speaking of this, I do not think of myself, but of our Leninist Party, the Soviet people and the great cause of Communism," he said

His statement appeared certain to add fuel to speculation touched off earlier by reports of dissension over Khrushchev's policies among members of the Communist Party Presidium

-BLOUGH'S SILENCE 'DISHONEST'-

Hodges Critically Examines Ethics In World Of Business

Washington (AP) — Secretary of Commerce Luther H. Hodges, critically examining ethics in the business world, accuses U.S. Steel's Roger M. Blough of dishonest silence in the period leading up to the steel price crisis of 1962.

Hodges scrutinizes the behavior of Big Steel in one chapter of his new book, "The Business Conscience," to be published Friday (Prentice-Hall).

From his official position, Hodges was intimately associated with the chain of events last April when President Kennedy's violent reproach and government maneuvers forced steel companies to cancel price increases 3 day after announcing them.

Recalling the incident, Hodges says top officials of U.S. Steel were "completely wrong" in failing to suggest during negotiations with the United Steelworkers that they might hike prices.

"To put it bluntly," he writes, "they misled the President and the public by withholding information or leaving the impression they were going along with the anti-inflation program outlined by the President."

Hodges chides Blough, board chairman of U.S. Steel, for remaining silent through "repeated opportunities" to tell Kennedy or anyone else that a price increase would follow even a modest settlement with the union.

"In my judgment, this silence was not honest," Hodges says. He contends Blough must have known the government took an interest in the negotiations because it wanted to hold the price line. He adds:

"By keeping silent, Mr. Blough misled the government so that, in effect, the steel industry could reap the benefits of official efforts to moderate the union's contract demands."

A spokesman for Blough said the U.S. Steel board chairman will not comment on Hodges' charges until after he reads the book.

Framing his allegations in a question, Hodges refers to steel industry leaders and asks: "Did they fail to take into consideration the national interest as opposed to their narrow, selfish interest?"

In lucid style, Hodges examines "The Business Conscience" as he has found it over his years in business and government. He was governor of North Carolina before coming to Washington as Kennedy's first cabinet appointee.

The business community as a whole is honest and forthright, Hodges says, and ought to fight the distorted impression created by occasional infractions.

He assesses industry and public reactions to the 1961 price-rigging scandal in the electrical equipment industry and admits dismay at the cold reactions of some business leaders to his formation of an Ethics Advisory Council.

Hodges reports two cases of indiscretion, or worse, encountered in his own Department of Commerce. One career employe, he says, was fired for disclosing a basic policy decision affecting the maritime industry to representatives of the industry two hours after it was reached. Another official, he goes on, received the intimation of a bribe offer from an oil company representative.

Hodges traces unethical conduct to such origins as "professionalism" in intercollege athletics. Subsidizing athletes and placing their accomplishments above quality education, he writes, establish "shabby ethical standards" for contributing alumni as well as students.

"If it becomes apparent that you buy a winning combination of football or basketball players, you may think you can buy anyone; that every man has his price," Hodges comments.

Nation's Living Costs Edge To Highest Point

Washington (AP) — A slight rise in March pushed the nation's living costs up to their highest point in history.

The Labor Department reported Thursday its consumers price index rose by one-tenth of 1% to 106.2% of the 1957-59 average, or 1.1% higher than a year earlier.

Higher March costs for clothing, mainly women's and girl's; for used cars, and for such household charges as water rates and real estate taxes, contributed to the rise. Food prices averaged three-tenths of 1% lower than in February.

No Change

Arnold E. Chase, Labor Department price study director, forecast no change in April living costs. He also said he expects the recent selective steel price increases will have only a minor effect on consumer prices—that is, unless other industries also raise their charges.

The new living cost high came after the government index hit its prior record last September at 106.1% of the 1957-59 average. The index then dipped a bit but climbed back to the September mark in February.

The effect of the March increase probably has been hardly noticed by the average consumer. Generally, to buy the same goods and services that cost $10.61 in February cost him $10.62 in March.

One-Cent Rise

The rise means a one-cent hourly pay increase, however, for some 40,000 workers, including 30,000 employed by aerospace producers, based on a quarterly adjustment of living cost allowances. Another 25,000 workers get one or two-cent hourly pay raises based on local living cost computations.

The Labor Department also announced that average after-tax earnings of factory employes rose by about 50 cents a week in March, after a two-month decline, to $86.11 for the worker heading a family of 4. This compares with the record $87.05 last December.

ANPA Keeps Maier On Job

New York (UPI) — The American Newspaper Publishers Association (ANPA) Thursday re-elected to a one-year term its president, Irwin Maier of the Milwaukee Journal and Sentinel.

Also renamed to one-year terms were vice president, Gene Robb of the Albany (N.Y.) Times-Union and Knickerbocker News, and secretary, St. Clair Balfour of southern newspapers, Toronto, Ont.

Frank A. Daniels, Raleigh (N.C.) News & Observer and Times, was elected treasurer. His term as a director expired this year. He succeeds Robert M. White II of the Mexico (Mo.) Ledger.

The ANPA elected two new directors and re-elected 5 other directors.

The new directors are Richard H. Blacklidge, Kokomo (Ind.) Tribune and Crosby N. Boyd of the Washington (D.C.) Star.

Re-elected to two year terms were M. J. Frey, Portland (Ore.) Oregonian and Oregon Journal; David Lindsay Jr., Sarasota (Fla.) Herald-Tribune and Journal; Robert L. Taylor of the Philadelphia Bulletin, and J. Howard Wood of the Chicago Tribune.

G. Gordon Strong of the Brush-Moore Newspapers, Canton, Ohio, was re-elected for a one-year term.

Pakistan Determined Confab Must Finish By End Of May

Karachi, Pakistan (AP) — Pakistan is determined that its negotiations with India on Kashmir must be wound up by the end of May, an authoritative Pakistani source said Thursday. Sessions conducted intermittently since last December have proved fruitless.

Delegates of the two nations closed their fifth round of talks about the future of the border state, under dispute for 16 years, and agreed to meet again in New Delhi May 15.

Pakistani Foreign Minister Zulifikar Ali Bhutto and Indian Railways Minister Swaran Singh are the chief negotiators.

It was indicated Pakistan agreed to continue only to allow time for the United States and Britain to work behind the scenes for a solution. The efforts to end the feud were promoted by the Western powers, which are funneling millions of dollars worth of arms to India for defense against Red China.

Bhutto said recently there should not be any more negotiations unless substantial progress was made in the session that began here Monday. Sources in both delegations agreed there had been no progress.

Pakistan is now willing to go on until the end of May, according to the authoritative Pakistani source, to allow U.S. Secretary of State Dean Rusk and British Commonwealth Relations Secretary Duncan Sandys to try to end the deadlock. They are scheduled to come here next week for a meeting of the Central Treaty Organization (CENTO) and later go to New Delhi.

The Pakistani idea is that the two sides must work out a solution and Prime Minister Nehru must meet with President Mohammed Ayub Khan to ratify if within the next 36 days.

There was no sign of optimism on either side that this could be done.

SUIT FILED

Topeka, Kan .(UPI)—City Clerk Harold H. Miller filed a $10,000 suit against the city and charged a city police dog killed his toy cocker.

Miller's suit said the police dog was allowed to run off a leash March 29 and attacked and killed his pet. It said Miller's 5-year-old son was playing with the pet in the backyard when the police animal attacked.

Farmers Ask For 'Good Day's Rain' As Threat Of New Dust Bowl Grows

Kansas City, Mo. (UPI)—A drought threatens the Great Plains and farmers fear a new dust bowl is forming.

Dust blows in Kansas, Oklahoma, Colorado, New Mexico and Texas. Much wheat has perished and farmers ask for "one good day's rain" to make other crops possible.

Driest was a 30,000-square-mile area encompassing the Oklahoma and Texas panhandles, southwest Kansas, northeast New Mexico and southeast Colorado.

Parched

The topsoil is cracked and parched. Dry, warm winds sapped moisture from soil that has had little or no rain this year. Some oldtimers were predicting 6 years of drought.

In the 1930's, a dust bowl choked this same area. Indoor light bulbs burned during daytime to fight the darkness of the dust storms.

Today's dryness may have great bearing on the national wheat referendum May 21, concerning the government's wheat price support program, regarded as a major test of the Kennedy administration's farm policy.

"When times and crops are good," one expert said, "farmers don't think they need the government's help. When things get rough, they reconsider."

A survey of farm leaders indicated the situation was depressing.

Kansas crop experts estimated half of a two-million acre wheat crop in southwestern Kansas was lost to winter kill, cut worms and dryness.

"Almost a total loss" in the Oklahoma Panhandle was reported by Jack Cornelius, president of the state board of agriculture. He said it amounted to $18 million to farmers.

Payoff

"These are the payoff months for wheat," Charles Fischer of the Texas experimental station near Lubbock said, "where rainfall either makes or breaks a wheat crop." He reported many were plowing under wheat planted last fall.

In eastern Colorado, State Agriculture Commissioner Paul Swisher said, "if we don't get some rain out here pretty quick, we'll be in a real mess."

The head of the agronomy department at Kansas State University, Dr. Raymond Olsen, said much wheat could be saved "if we get rain within the next few days."

In many areas the farmers "chiseled" the land, turning up damp clods to deflect wind from the parched top soil. That stops dust for a while, then only rain can settle it.

The dryness extends eastward into Missouri, Arkansas and even the lush cornbelt. But the wheat crop is immediately threatened.

Robert McCauley of the Federal Crop Reporting Service in Austin, Tex., said a failure would not hurt the national grain supply "because we have 1½ years of grain in storage. It is the individual farmers who will get hurt."

Nikita Admits He Can't Be Big Boss For Ever

Moscow (AP)—Premier Khruschev referred to his advancing age and eventual retirement in a speech reported by Tass Thursday.

"I am already 69 and I have a right to say so," is the way he put it. "For everyone understands that I cannot hold for all time the position I now have in the party and the state."

Khrushchev has two official jobs. He is chairman of the council of ministers (premier) and first secretary of the Soviet Communist Party.

Speculation

There has been speculation in the West that the Russian leader might give up either the party secretaryship or the premiership if not both.

His remarks were delivered at a Kremlin meeting of industrial and construction workers Wednesday. The Soviet news agency disclosed the details of the speech:

In an apparent reply to critics of his undisputed political control of the Soviet Union, Khrushchev repeated his insistence that the "tried and tested leader of the Soviet people is our Communist Party . . . I believe that no one will suspect that, in stating this, I have in mind any special standing of my own in the party."

Similar

Khrushchev has made similar remarks in the past in an attempt to illustrate the differences between his leadership and that of Stalin's.

The premier then mentioned his age.

"Therefore, speaking of this, I do not think of myself, but of our Leninist Party, the Soviet people and the great cause of Communism," he said.

His statement appeared certain to add fuel to speculation touched off earlier by reports of dissension over Khrushchev's policies among members of the Communist Party Presidium.

ICC To 'Study' Boxcar Request

Washington (AP)—Representatives of midwest grain companies were told Thursday the Interstate Commerce Commission will study their request for immediate relief from a railroad boxcar shortage.

But ICC Chairman Laurence K. Walrath, in a 90-minute meeting with the group, said congressional action is needed to provide a long-range solution to the nationwide problem. He said the ICC has been urging such action to build up the boxcar fleet since about 1957.

"We will have to analyze the situation before we decide on 'your request,'" Walrath said. "We will take a careful look at it."

The delegation urged the ICC to issue an order, containing penalties for noncompliance, which would bring about the return of boxcars owned by midwestern and western lines that now are being used on a per diem rental basis by other railroads. The rental is $2.88 a day.

A bill, supported by the ICC, is pending before Congress which would allow the ICC to set boxcar rental rates at a figure designed to encourage railroads to build their own cars.

The midwestern delegation contended there is no incentive now for western lines to build or buy new equipment when they lose it to other carriers and cannot recover it. And there is no incentive for eastern roads to do so when they can rent a car for $2.88 a day, the group said.

Robert F. Miller of the Nebraska - Kansas-Colorado Grain Co. of Salina, Kan., speaking for the group, told Walrath and Commissioner Kenneth H. Tuggle:

Point of Emergency

"The supply of boxcars has dwindled to a point of emergency. This is particularly true on the Burlington Railroad in the state of Nebraska."

Others in the group included Garrett B. Dudden of Dudden Elevators Inc., Venango, Neb.; S. Dean Evans Sr. of Evans Grain Co., Salina; Sam A. Darraugh, Lincoln (Neb.) Grain, Inc., and Milton R. Klint, Morrison-Quirk Grain Corp. of Hastings, Neb.

They contended that a recent order by the Association of American Railroads calling for the return of the boxcars "has not proven to be effective to any appreciable degree." The delegation said they felt this was true because the AAR cannot assess penalties to railroads which do not comply.

However, Charles W. Taylor, ICC director of safety and compliance, said he feels this order eventually will result in an improvement He said ICC field agents are policing the order in an effort to bring about compliance.

Help Now

"Why wouldn't it be fair to give temporary relief with an ICC order that has teeth in it?" Miller said. "We need help now."

The delegation's request was backed up by George W. Long, an Agriculture Department official from Kansas City, Mo., who said the boxcar shortage "has reached an emergency status and is seriously impending necessary movements of CCC (Commodity Credit Corp.) grain now ordered and to be ordered for shipment within the immediate future."

Rep. Robert Dole, R-Kan., supported the position taken by the group

In a letter to Walrath, Dole said that in light of recent experience it appears obvious nothing short of an ICC order will return needed boxcars to the affected western railroads.

"Unless several million bushels of wheat can be moved to export positions promptly, U.S. wheat exports will suffer," Dole said.

Horse Barn Comes Into Its Own

The University of Nebraska's Horse Barn has come into its own. Used for the past few years as a classroom, laboratory for genetics studies involving rats, and a livestock judging pavilion, the venerable structure on the ag campus this week is stabling what it was originally built to accommodate—horses.

While the draft horse has nearly gone the route of the Dodo bird, some 140 horsemen and horsewomen from Nebraska and surrounding states were on hand in Lincoln Thursday to prove that the light horse (riding type) is not only here to stay, but is growing in numbers.

The occasion was the university's biennial horsemen's clinic, to be followed by the Block and Bridle Club's 8th annual Quarterhorse Show beginning here Friday.

Paul Temple of Oshkosh, secretary of the Nebraska Quarter Horse Association, a co-sponsor of the clinic, said numbers of quarterhorses owned by Nebraska breeders and registered with the American Quarter Horse Association have shown a steady growth over the past few years. He said that official registration of 8,089 in 1961 climbed to 9,162 in 1962. This increase is "typical" of the year-to-year growth in quarterhorse ranks in the state during the past decade, he stated.

Enrollment Skyhigh

Dave Williams, extension livestock specialist at the university, said enrollment in the 4-H light horse project in Nebraska "skyrocketed" during the past few years, compared to a steady, healthy growth in the number of boys and girls enrolled in other livestock projects.

Cigaret Thrown From Car Said Cause Of Blaze

A cigaret thrown out of a car window apparently was the cause of a fire that did considerable damage Thursday afternoon to a vacant basement house on Judson between 4th and 5th, fire officials said

Firemen said the concrete and frame dwelling, owned by Otto Johnson of Nevis, Minn., had been condemned.

Mrs. Raymond Furrow of 406 Judson told firemen she saw a car drive by. She noted that the driver threw a cigaret out.

It apparently was what started a blaze in the grass on the southeast corner of the vacant house's lot. Flames spread to the house.

Jailee Hospitalized With Abdomen Pains

City Jail prisoner John M. Patterson, 22, of 2927 No. 49th, was listed in good condition Thursday at St. Elizabeth Hospital.

He was taken there suffering from pains on the right side of his abdomen, police said. A carpenter, Patterson is serving 6 months for driving on a suspended license.

Total April precipitation to date .44 in
Total 1963 precipitation to date 3.90 in

Summary Of Conditions

A trough of low pressure should move to a line from northeastern Kansas to southwestern Wisconsin by Friday night and should continue to fill in western Nebraska prior to that time Pressure Friday should be high from Manitoba down through the lake states and into the eastern lakes region.

Gulf air has worked into southeastern Kansas to the north of a nearly stationary front extending from near Dallas to the Mississippi coast

This may work up to near the southeast corner of Nebraska by Friday evening, but this moister air is very shallow and is not likely to be a rain-producer until we get a deeper stratum of moisture brought northward from the Gulf

A Pacific cold front should move from the West Coast to extend from about the western border of Colorado to southwestern Arizona by Friday night.

E-Week Exhibit Picks Out Cheaters

By TOM KEITH
Star Staff Writer

"You cheated" flashed a sign above the electric tic-tac-toe game if you tried to put one over on the unbeatable opponent

That was one of the many and varied displays found at the University of Nebraska's Engineering Week.

Displays in the fields of architecture, electrical engineering, mechanical engineering, civil engineering, chemical engineering, agricultural engineering and engineering mechanics were submitted for public exhibition for the 68th annual E-Week.

The displays, found in 8 different locations on the campus, were made and designed by students, who also operated and explained them.

While the displays were highly technical, many allowed participation by the curious onlookers. You could try to shoot an "enemy missile" out of the sky with an anti-missile missile and follow its course across a small radar screen

Chemicals Mixed

Demonstrations of chemical phenomena were exhibited in one building, including chemicals mixed together, forming a nylon fibre that emerged from the jar.

A record was played with the sound transformed into color on 3 glass bowls; a special type of gas was piped into a large, bubbling tube and the water inside changed to 4 shades of red.

Principals of the electrocardiograph machine were demonstrated to show how electricity has been adapted as an important part in the science of medicine.

Forms Displayed

Towering and low-to-the-ground architectural structures and forms were displayed and gave onlookers a look at the designs of tomorrow.

A banquet and a dance are scheduled for Friday as a part of the festivities, and Miss E-Week of 1963, Donna McFarlin, of Springfield, Mo., will reign over both.

Also slated on the activities roster for the engineering students is a field day for those who wish to prove their athletic prowess.

Rubber Firms Sign Contracts

Cincinnati (AP) — The Goodyear Tire & Rubber Co. and the B. F. Goodrich Co. joined Firestone Thursday in signing new two-year contracts with the United Rubber Workers Union.

The agreements still are **subject to approval of the union's international board and a majority of the union's various local members. Some supplemental local contracts also will have to be signed.**

This was the wage increase pattern for Goodyear:

A wage hike of 9 cents an hour, effective June 10, in its tire plants in Akron, Ohio; Gadsden, Ala.; Los Angeles; Jackson, Mich., and Topeka, Kan., with another pay boost of 7 cents an hour, effective June 8, 1964 in those same plants. Pay increases of 6½ cents an hour in each of the next two years in non-tire plants in St. Marys, Ohio; Muncie, Ind., Lincoln, Neb.; New Bedford, Mass., Windsor, Vt., and North Chicago, Ill

Increased Benefits

Unemployment benefits will be increased from 65% of the net pay to 62% of the gross pay. Spokesmen for the Goodyear negotiators said that amounts to about 75% of the net pay under the old plan.

The amount of time for which a laid-off employe may receive supplemental unemployment benefits will be increased from 26 to 39 weeks. It could go as high as 52 weeks if state unemployment benefits are extended that long.

The contracts also call for supplemental workmen's compensation benefits for an employe who is absent from work due to job-induced temporary total disability. The benefit would approximately 80% of an employe's normal weekly earnings, minus the weekly benefit under the applicable workmen's compensation law. Benefits would be paid for not to exceed 26 weeks.

State Has Less Water Available

Than Year Ago At This Time

The spring survey of soil moisture supplies in Nebraska's wheat growing areas indicated 11% less water for plant growth than a year earlier, state-federal statisticians said Thursday.

Storage was 12% below average, the State-Federal Division of Agricultural Statistics said.

The 3.33 inches of available water stored in the upper 4 feet of soil was down from the 3.73 inches in the spring of 1962 and the 10-year average of 3.79 inches.

However, both the Panhandle with 3.07 inches and the southwest district with 3.52 inches had more than a year ago by .33 and .10 inch respectively.

South-Central Off

The 3.71 inches in the central district was .17 less than last year and the 3.22 in the south-central area was off .61 inch.

All districts were below average, ranging from a decrease of .68 inch in the Panhandle and an .18 inch decline in the southwest.

Mice Athletic

London (UPI) — Agriculture Ministry scientists have discovered that mice can climb 10 foot walls and jump up to 27 inches to get into supposedly mouse-proof food stores. They recommend coating the walls with a glossy paint.

Thedford Boy, 15, Dies In Hospital

Denver (AP)— Michael Werner, 15, of Thedford, Neb., who was brought here for a kidney transplanting operation, died of a heart ailment Wednesday in Colorado General Hospital.

The boy had been a patient at the hospital for a month. Doctors had planned to transplant a kidney from his mother, Mrs. Anotinette Werner, to the boy last week, but decided he was too weak to undergo the complicated surgery.

More than half a dozen persons have undergone the kidney transplanting operation here successfully in recent months.

Satellite May Go Up

Munich, Germany (UPI) — West Germany may launch its first earth satellite within 3 years, the Boelkow Rocket Development Co. said. Plans call for 5 satellites to be launched by American Atlas Agena-B rockets from 1966 to 1968.

Ray Osborn Is Reappointed To Liquor Control

Ray Osborn, Lincoln trucking executive, has been reappointed to a 6-year term on the Nebraska Liquor Control Commission, Gov. Frank Morrison confirmed Thursday.

Osborn's name will be submitted to the Legislature for confirmation of the appointment.

A former Lincoln city councilman (1956-57) and director of public safety (1950-54), Osborn was first appointed to the commission in 1957 by the late Gov. Victor Anderson.

He has served as executive director of Ford Van Lines, Inc., since January, 1954.

His present term as a liquor commissioner expires next month.

ICC To 'Study' Boxcar Request

Washington (AP)—Representatives of midwest grain companies were told Thursday the Interstate Commerce Commission will study their request for immediate relief from a railroad boxcar shortage.

But ICC Chairman Laurence K. Walrath, in a 90-minute meeting with the group, said congressional action is needed to provide a long-range solution to the nationwide problem. He said the ICC has been urging such action to build up the boxcar fleet since about 1957.

"We will have to analyze the situation before we decide on your request," Walrath said. "We will take a careful look at it."

The delegation urged the ICC to issue an order, containing penalties for noncompliance, which would bring about the return of boxcars owned by midwestern and western lines that now are being used on a per diem rental basis by other railroads. The rental is $2.88 a day.

A bill, supported by the ICC, is pending before Congress which would allow the ICC to set boxcar rental rates at a figure designed to encourage railroads to build their own cars.

The midwestern delegation contended there is no incentive now for western lines to build or buy new equipment when they lose it to other carriers and cannot recover it. And there is no incentive for eastern roads to do so when they can rent a car for $2.88 a day, the group said.

Robert F. Miller of the Nebraska - Kansas-Colorado Grain Co. of Salina, Kan., speaking for the group, told Walrath and Commissioner Kenneth H. Tuggle:

Point of Emergency

"The supply of boxcars has dwindled to a point of emergency. This is particularly true on the Burlington Railroad in the state of Nebraska."

Others in the group included Garrett B. Dudden of Dudden Elevators Inc., Venango, Neb.; S. Dean Evans Sr. of Evans Grain Co., Salina; Sam A. Darraugh, Lincoln (Neb.) Grain, Inc., and Milton R. Klint, Morrison-Quirk Grain Corp. of Hastings, Neb.

They contended that a recent order by the Association of American Railroads calling for the return of the boxcars "has not proven to be effective to any appreciable degree." The delegation said they felt this was true because the AAR cannot assess penalties to railroads which do not comply.

However, Charles W. Taylor, ICC director of safety and compliance, said he feels this order eventually will result in an improvement. He said ICC field agents are policing the order in an effort to bring about compliance.

Help Now

"Why wouldn't it be fair to give temporary relief with an ICC order that has teeth in it?" Miller said. "We need help now."

The delegation's request was backed up by George W. Long, an Agriculture Department official from Kansas City, Mo., who said the boxcar shortage "has reached an emergency status and is seriously impending necessary movements of CCC (Commodity Credit Corp.) grain now ordered and to be ordered for shipment within the immediate future."

Rep. Robert Dole, R-Kan., supported the position taken by the group.

In a letter to Walrath, Dole said that in light of recent experience it appears obvious nothing short of an ICC order will return needed boxcars to the affected western railroads.

"Unless several million bushels of wheat can be moved to export positions promptly, U.S. wheat exports will suffer," Dole said.

Horse Barn Comes Into Its Own

The University of Nebraska's Horse Barn has come into its own. Used for the past few years as a classroom, laboratory for genetics studies involving rats, and a livestock judging pavilion, the venerable structure on the ag campus this week is stabling what it was originally built to accommodate—horses.

While the draft horse has nearly gone the route of the Dodo bird, some 140 horsemen and horsewomen from Nebraska and surrounding states were on hand in Lincoln Thursday to prove that the light horse (riding type) is not only here to stay, but is growing in numbers.

The occasion was the university's biennial horsemen's clinic, to be followed by the Block and Bridle Club's 8th annual Quarterhorse Show beginning here Friday.

E-Week Exhibit Picks Out Cheaters

By TOM KEITH
Star Staff Writer

"You cheated" flashed a sign above the electric tic-tac-toe game if you tried to put one over on the unbeatable opponent.

That was one of the many and varied displays found at the University of Nebraska's Engineering Week.

Displays in the fields of architecture, electrical engineering, mechanical engineering, civil engineering, chemical engineering, agricultural engineering and engineering mechanics were submitted for public exhibition for the 68th annual E-Week.

The displays, found in 8 differnt locations on the campus, were made and designed by students, who also operated and explained them.

While the displays were highly technical, many allowed participation by the curious onlookers. You could try to shoot an "enemy missile" out of the sky with an anti-missile missile and follow its course across a small radar screen.

Chemicals Mixed

Demonstrations of chemical phenomena were exhibited in one building, including chemicals mixed together, forming a nylon fibre that emerged from the jar.

A record was played with the sound transformed into color on 3 glass bowls; a special type of gas was piped into a large, bubbling tube and the water inside changed to 4 shades of red.

Principals of the electrocardiograph machine were demonstrated to show how electricity has been adapted as an important part in the science of medicine.

Forms Displayed

Towering and low-to-the-ground architectural structures and forms were displayed and gave onlookers a look at the designs of tomorrow.

A banquet and a dance are scheduled for Friday as a part of the festivities, and Miss E-Week of 1963, Donna McFarlin, of Springfield, Mo., will reign over both.

Also slated on the activities roster for the engineering students is a field day for those who wish to prove their athletic prowess.

Rubber Firms Sign Contracts

Cincinnati (AP) — The Goodyear Tire & Rubber Co. and the B. F. Goodrich Co. joined Firestone Thursday in signing new two-year contracts with the United Rubber Workers Union.

The agreements still are subject to approval of the union's international board and a majority of the union's various local members. Some supplemental local contracts also will have to be signed.

This was the wage increase pattern for Goodyear:

A wage hike of 9 cents an hour, effective June 10, in its tire plants in Akron, Ohio; Gadsden, Ala.; Los Angeles; Jackson, Mich., and Topeka, Kan., with another pay boost of 7 cents an hour, effective June 8, 1964 in those same plants. Pay increases of 6½ cents an hour in each of the next two years in non-tire plants in St. Marys, Ohio; Muncie, Ind.; Lincoln, Neb.; New Bedford, Mass.; Windsor, Vt., and North Chicago, Ill.

Increased Benefits

Unemployment benefits will be increased from 65% of the net pay to 62% of the gross pay. Spokesmen for the Goodyear negotiators said that amounts to about 75% of the net pay under the old plan.

The amount of time for which a laid-off employe may receive supplemental unemployment benefits will be increased from 26 to 39 weeks. It could go as high as 52 weeks if state unemployment benefits are extended that long.

The contracts also call for supplemental workmen's compensation benefits for an employe who is absent from work due to job-induced temporary total disability. The benefit would approximately 80% of an employe's normal weekly earnings, minus the weekly benefit under the applicable workmen's compensation law. Benefits would be paid for not to exceed 26 weeks.

State Has Less Water Available

Than Year Ago At This Time

The spring survey of soil moisture supplies in Nebraska's wheat-growing areas indicated 11% less water for plant growth than a year earlier, state-federal statisticians said Thursday.

Storage was 12% below average, the State-Federal Division of Agricultural Statistics said.

The 3.33 inches of available water stored in the upper 4 feet of soil was down from the 3.73 inches in the spring of 1962 and the 10-year average of 3.79 inches.

However, both the Panhandle with 3.07 inches and the southwest district with 3.52 inches had more than a year ago by .33 and .10 inch respectively.

South-Central Off

The 3.71 inches in the central district was .17 less than last year and the 3.22 in the south-central area was off .61 inch.

All districts were below average, ranging from a decrease of .68 inch in the Panhandle and an .18 inch decline in the southwest.

Mice Athletic

London (UPI) — Agriculture Ministry scientists have discovered that mice can climb 10 fooot walls and jump up to 27 inches to get into supposedly mouse-proof food stores. They recommend coating the walls with a glossy paint.

Thedford Boy, 15, Dies In Hospital

Denver (AP)— Michael Werner, 15, of Thedford, Neb., who was brought here for a kidney transplanting operation, died of a heart ailment Wednesday in Colorado General Hospital.

The boy had been a patient at the hospital for a month. Doctors had planned to transplant a kidney from his mother, Mrs. Anotinette Werner, to the boy last week, but decided he was too weak to undergo the complicated surgery.

More than half a dozen persons have undergone the kidney transplanting operation here successfully in recent months.

Satellite May Go Up

Munich, Germany (UPI) — West Germany may launch its first earth satellite within 3 years, the Boelkow Rocket Development Co. said. Plans call for 5 satellites to be launched by American Atlas Agena-B rockets from 1966 to 1968.

Ray Osborn Is Reappointed To Liquor Control

Ray Osborn, Lincoln trucking executive, has been reappointed to a 6-year term on the Nebraska Liquor Control Commission, Gov. Frank Morrison confirmed Thursday.

Osborn's name will be submitted to the Legislature for confirmation of the appointment.

A former Lincoln city councilman (1956-57) and director of public safety (1950-54), Osborn was first appointed to the commission in 1957 by the late Gov. Victor Anderson.

He has served as executive director of Ford Van Lines, Inc. since January, 1954.

Toynbee's Choices

By WILLIAM O. DOBLER

As great men have a habit and capacity for doing, Dr. Arnold Toynbee had reduced to a simple choice the great issues that face mankind today. "We may be on the verge of destroying all life on this planet and making the planet permanently uninhabitable," said the famous British historian, "or we may be on the verge of lasting peace and social justice." The choice was presented to a packed public convocation at Nebraska Wesleyan University.

On Achieving Peace

There is no question in taking one or the other choice and pursuing it that a great many complications arise but issues can be seen much more clearly if all people keep their initial choice firmly in mind. The choice that Americans would make is without question and most nations of the world, even a large part of the communist empire, would make the same choice. That choice would be the latter one, "lasting peace and social justice." What lasting peace and social justice are and how they may be achieved presents the arena in which controversy comes into prominence.

And one does not enter this arena without running headlong into another part of the proposition advanced at Wesleyan by Dr. Toynbee. This is the proposition of the futility of war. It should be noted that the emphasis is upon futility—not the likelihood or even the practical advisability of war. It is conceivable that this nation would find no alternative but to wage war—nuclear war—but even under such circumstances, it would still be a futile effort.

The futility stems from the fact that the unlocking of the secret of the atom has so transfigured the nature of war as to make it unrecognizable from anything that it has been in the history of civilization. It has always been a test of strength with human life as the deciding factor. Men have gone forth in great numbers to surrender their lives for the protection and preservation of those things they had come to hold dear.

★

There is no longer any premium on life. This is because the nuclear bomb has reduced millions of people to a mere handful in terms of survival in a time of war. "In an atomic war," said Dr. Toynbee, "all that a soldier was trying to defend might be annihilated in the same flash as the soldier himself, and there would be no distinction between a winning and a losing side . . . " He went on to note the possibility that "bees, ants and termites are awaiting the moment when the human race—their masters—will destroy themselves. What they forget is that we will destroy them also, so these social insects have a special interest in coexistence between the United States and Russia."

We wonder what it was that Dr. Toynbee was talking about when he spoke of bees, ants and termites. Could it be that he sees a lot of human ants, bees and termites in this world of ours, a lot of people who are capitalizing for one reason or another upon the precarious nature of the times? Are the "social insects" those people who attempt to make political or economic gain out of an ideological threat to Western civilization and do others recognize or realize the treachery of this cunning? There are those who insist that we should take Cuba by force, we should settle the Berlin question with military might and we should set the course of Asia with the rattling of armaments. But these people are deluding the public in a number of ways.

★

First of all, they talk in terms of war as we have known it in the past. They talk in terms of regiments or batallions or platoons or fleets. They talk as though we could enter Cuba, take our losses with our victory and be none the worse for wear except for the relative handful of lives that would be lost.

They, of course, are not among that handful nor are most of us. Such actions as this are always in the realm of possibility and are actually in practice today in such areas as Laos but it should not be forgotten that they carry with them a calculated and deadly risk. One step too far and the show is over, not for a regiment or a fleet, but for all mankind.

Only As Last Resort

Every time this nation commits itself to the use of force and every time it is done by Russia, the threat of nuclear war is poised above the head of the entire world. This does not mean that such a commitment must never be made only when all other alternatives have been exhausted. One of the major dangers in the world today is the presence and influence of people who seek to make the tools of war a primary rather than a final part of East-West relationships.

We have lost nothing in any failure to enter into military battles so long as we are confident of our ability to do so when and if the need ever arises. The simplest thing and easiest thing the world could do is blow itself to bits but where is victory then? The real challenge is to know and foster the ideals of freedom and steer them safely into the hands of a future generation, not to render our planet uninhabitable.

Remarkable, In A Sense

Capital City improvements of $4.5 million the coming year and a total anticipated outlay of $24 million over the next six years—that is the picture presented in the preliminary capital expenditure programs submitted by city agencies. And the startling thing about it is that it all would make relatively little difference in the local tax picture.

This is not to say that the people of Lincoln are not going to have to pay the bill; they certainly are. But the program shows that the city has done a great deal of favorable planning and will be accomplishing a great deal in the years ahead with relative ease, from the taxpayers' point of view.

This is because the programs are mostly composed of annual planning for which financing has already been established and because the lion's share of expenditures will come from proprietary rather than tax-supported functions. Thus, it will be the Water Department, Light Department, sanitary sewers and Lincoln General Hospital where you will find the big expenditures and this will not affect the tax bill.

Of course, they will affect the costs of utility and medical service to you but if these services are now operated with the proper rate schedule, as is believed to be the case, you are already paying on a scale that will call for no increase. Street improvements would be financed with wheel tax and other income as the public is currently providing it.

The total new tax bite would be perhaps 2 mills a year, $2 per $1,000 of assessed valuation, and that possibly could be achieved within the limits of the existing city levy for capital expenditures. Nothing is free but to handle an immediate $4 2 million outlay and a $24 million long-range one with no change in existing demands from the public purse is an administrative achievement of which the city can be proud.

Ruhnke's Suggestions

Sen. Arnold Ruhnke's suggestions for a continuing study of the state's public power problem will have a mixed reception throughout the state.

As the Legislature wrestled with the variety of suggested statutory remedies, thus for inconclusively, Sen. Ruhnke, himself a sponsor of a remedy, suggests that it may be prudent to continue the life of the Legislature's Nebraska Public Power Committee, to extend its study and perhaps even ask the several power agencies to put up the money for a comprehensive study of the whole matter by an outside expert.

To many, these invitations to postpone decision bespeak an unwillingness to face hard decisions, and constitute a tactic of getting rid of a hot potato. They will assert that most of the state's problems such as taxes, education and economic progress have been intensified by past unwillingness to bring them to decision.

But Sen Ruhnke has something on his side The complexity of the power problem and the varied suggestions could mean that it has not been fully digested, and is not ready for a decision. The Legislature is by character a deliberative body. Somewhere between evasion and more clarification can be found the prudent position

Battle Of Lake Erie

In this nuclear age there is no use speculating on war because it designates all sides as losers and offers no latent rewards for anyone. Back in 1813 it was different

That was 150 years ago when the United States was trying Great Britain for the second time, very ill-advisedly. Our principal contribution to the science of war in that joining of arms was confined to the chapter on how to break the sound barrier retreating. The exception was the naval battle of Lake Erie which we won and in which the British retreated If historians indicate that Great Britain became a great empire by the process of losing wars, it can be said that the United States cleared the way to its present estimable position by losing the war of 1812, but winning the Battle of Lake Erie.

Erie County, Pennsylvania, is sensitive to this fact and is preparing a sesquicentennial program this year to make the point clear to modern America.

What happened 150 years ago was a plan by the British to cut the U.S off at the pockets by sending an armed force into the Ohio country in command of General Henry Proctor. The line of supply was maintained by a British squadron under Captain Robert Barclay.

At the same time our Commodore Oliver Hazard Perry began felling and shaping up trees along the shore of the lake and in due time had a do-it-yourself navy. Once he got it afloat, he interposed it in Put-in Bay in the Bass islands and began hi-jacking the British army's wheaties. That brought the British squadron into action with the result it got sunk. That freed Commodore Perry for the task of ferrying Gen. William Henry Harrison's Americans across the lake where they promptly did in the retreating army of Gen. Proctor.

That action forever quieted the title in our favor to Ohio, Michigan, Indiana and other great areas farther west, without which we could never have preserved the union later, nor become big and great, nor made Detroit the automobile capital of the world.

The Only Thing We've Changed Is The Driver

DREW PEARSON

Anti-Spy Action Costs Marine Hero

WASHINGTON — One of the most explosive incidents of the long Cuban crisis—the shooting of a Cuban spy during a scuffle with his marine escort officer—has been hushed up by the Defense Department's news managers.

For their part in the incident, four officers were railroaded out of the Marine Corps without a formal hearing and were warned to keep their mouths zippered.

First to get the boot was Capt. Arthur J. Jackson, husky hero of World War II, who shot the Cuban in self defense.

Back in 1944, Jackson won the Congressional Medal of Honor, the nation's highest award, for defying deadly enemy fire and storming Japanese pillboxes on Peleliu island as an army of one.

Yet eighteen years later, Gen. David Shoup, the Marine Corps commandant, was so upset over possible repercussion from the Cuban shooting that he ordered Jackson and his family thrown off the Guantanamo naval base.

From careful interviews with those involved, this column has pieced together the suppressed story of how Ruben Lopez, a Castro agent, died near the gates of Guantanamo and how Captain Jackson was stripped of his commission for defending himself and disposing of the body.

☆ ☆ ☆

Although Lopez had been marked by naval intelligence as a spy for Castro, he had been allowed to keep his job as a bus driver on the Guantanamo base.

Watched closely, he was caught by Jackson in a restricted area and was unable to give an adequate explanation for being there.

Jackson decided to kick the Cuban off the base and routed another Marine officer, Lt. William A. Szili, out of bed to assist in the ceremony.

They decided to evict Lopez through a back gate but noticed the lock on the gate was broken. So Szili drove off in a jeep for tools to repair it, leaving Jackson alone with the spy.

Suddenly, Lopez whirled and lunged at Jackson, grabbing for his gun. The hero of Peleliu fired, and Lopez fell dead at his feet

When Szili returned, the pair realized that Dictator Castro could make an international incident of the shooting with consequences that might echo around the world. Foolishly they decided to dispose of the body themselves by heaving it over a cliff

Next morning, they returned to cover the body so a Cuban patrol wouldn't discover it But they brooded about it later, still fearing discovery.

Finally, they enlisted the help of three other officers and six enlisted men to haul the body back up the cliff and bury it on the base. But inevitably word leaked to their superiors, and they were called on the carpet.

Result: Four of the officers were drummed out of the Corps, the fifth was allowed to finish his two-year hitch. The enlisted men were merely disciplined.

Fuller Briefing Is Newsmen's Need

WASHINGTON—Each passing day emphasizes that President Kennedy must make his June travels in Europe a hard-working, as well as a ceremonial visit. The President expects to leave about mid-June and remain for eight to 10 days.

The purely logistic and communications problems are great, but time and application can solve them. What is a source of debate within the administration is to what extent the journey can and should be made an occasion for more than crowd descriptions and stilted communiques

In the jet age the presidential travels are a hard job for even the most conscientious reporters. Except for a few pool reporters, the majority of them rarely gets closer to the President himself than the crowds. The pool is able to get eye-witness accounts of his public encounters, but these necessarily tend toward the superficial

The other reporters travel ahead of the presidential party and, between their own transportation and deadline problems, they get little opportunity to talk with native experts or such sources as they may have developed in past journeys to the same spots. Also, the President is going at a fast clip and nobody wants to miss something significant that may occur at any moment.

☆ ☆ ☆

The result is that the President is frequently dissatisfied with how administration policy is presented or the communiques interpreted. Reporters chafe because they do not get more information in depth.

Yet there seems to be a disinclination in some administration quarters to attempt a briefing system that will enable more information in depth to reach reporters. The lack of it would be an exasperation to reporters, but for the administration, it would a valuable opportunity lost.

In all the countries the President visits in June, there are important cracks in the grand alliance. In West Germany the situation is particularly challenging.

☆ ☆ ☆

Chancellor Konrad Adenauer insists upon being at the President's side in West Berlin and Bonn, yet his own party has cut the ground from beneath him by forcing him to accept Ludwig Erhard as his heir-apparent. It has set October as the date for Adenauer's long-awaited retirement, though Erhard supporters will press for an earlier date.

Everyone, the President included, will need more and good information about such changing times. Fuller explanations after the event do not serve the purpose. A case in point is the agreement reached at Nassau with the British about the use of Polaris submarines. Nobody really likes it or seems to be sure exactly what it is and what problems made it necessary.

Ever since World War II pressures lightened, a tendency has existed to regard the travels of President and vice-president as a sort of reward system for hard-working aides or campaigners. On purely ceremonial trips, this would not matter.

A trip of the President today cannot be purely ceremonial, if it ever could. This is particularly true of this President, who finds in foreign policy the greatest outlet for his creative energies and runs it himself as much as possible.

THE NEIGHBORS SAY

Last Of Tickle Tail Bridge

By MONA B. PARKER

The Curtis Enterprise has its own little system for telling when spring and the coming of summer are near at hand. It's apparent when the circulation department begins receiving requests that the home-town paper be sent to the home address of those "lucky enough to spend the winter months in warmer climes."

☆ ☆ ☆

Fishing is not frantic yet, out Trenton way, but it is picking up, according to the Register. The wall-eyes are biting out at the lake . . .

"Best reports that we have are that they can be caught, but don't expect them to jump out of the water. You have to fish for them."

☆ ☆ ☆

The Shelton Clipper heard a story about a local angler, one Sid Harris, who caught a bass 12 inches long and nearly five pounds in weight. When asked where, all Mr. Harris would say was that it was "in a sandpit somewhere near Shelton."

Commented the Clipper: "Apparently Sid's saving that hole for himself."

☆ ☆ ☆

Sterling may be losing a bottleneck when the old bridge on East Broadway is torn down and a new structure installed, along with widening of the street. But a picturesque name will be lost to the community, except on the history books.

The old bridge was called "Tickle Tail Bridge."

☆ ☆ ☆

We've heard of Salisbury steak and Manhattan steak, and many another fancy connotation that all fry down to plain old hamburger in disguise. There's a Kearney housewife who has seen fit to regally gloss over another American favorite, found mostly on the picnic table, in the ball park and around outdoor barbecues but rarely served along with the linen tablecloth and fine china. She has given new social status, says the Hub, along with economy to the "tube steaks" she frequently sets before her husband. Others call them wieners.

Harold Hartley of the Grand Island Independent took editorial note, along with most other newsmen across the country, of the fact that Sir Winston Churchill is now an honored and honorary American citizen. He recalls also an incident that happened 32 years ago. The Britisher, in this country on a lecture tour, was struck down by a New York City taxicab.

Editor Hartley muses over the possible consequences. Had the accident been fatal, obviously we would not be conferring citizenship on Mr. Churchill today. One may wonder what course World War II might have taken. And "it is even possible," Mr. Hartley accurately states, "that there might not have been a United States that could confer citizenship today."

☆ ☆ ☆

There were several other "visitor" tales with a twist to them . . .

Dr. and Mrs. F. J. Osentowski of Ord entertained some visitors recently, who unexpectedly found themselves "spotted in" for a longer visit than had been expected either by hosts or guests. One of the small nephews in the visiting clan burst forth with measles . . .

A Kearney County son-in-law went to quite a bit of effort, it seems to us, to see that his mother-in-law got on her way after an Easter visit. The doors of her car had been locked using the inside latches and could not be unlocked with the key. Her son-in-law managed to get the trunk open, from whence he disassembled the rear seat, crawled into the car through the trunk and opened the car doors.

Popcorn growers throughout Valley County are looking around for alternate crops this season. Normal acreage there is 4,500 acres, but the market appears to be jammed this year and the 1963 crop could go a-begging. One reason for the surplus is that eastern states such as Kentucky and Indiana are raising more of the crop closer to the big markets. Prospects for a local processing plant are not too bright, considering the competition.

Last year's crop in that vicinity was sizeable, with yields averaging about 3,000 pounds per acre and up to 4,000 pounds on irrigated fields.

One grower there has cut from 3,000 acres in 1962 to 900 this year. Another has cut back to zero. Some growers are going to alfalfa, some to field corn, but maximums aren't very large because their feed grain base acres are minimal.

Your Five Cents Worth

However, letters will be printed under a pen name or initials at the editor's discretion

The Sources

Lincoln, Neb.

My thanks for publishing my letter opposing city-county plans for consolidation, even though The Star disagrees with my position. The fairness and good sportsmanship in giving the other side a chance to be heard is much appreciated by Star readers

My information, briefly stated in my letter is based on —

(a) A folder entitled "Metro" published by The Independent American, a conservative newspaper published in New Orleans

(b) The articles of Jo Hindman published in the American Mercury and in various well known magazines.

(c) I have a friend who lives in Miami and teaches in the public schools of that city. She bears out the report of the extreme discontent of the citizens with the Metro Plan and its operation.

Granted that nothing of the kind is contemplated for Lincoln, it seems prudent and right that facts should be published and that the people should be urged to inform themselves and vote wisely.

WINNIFRED LEWIS
Executive Secretary Citizens' Movement for Human Rights

Ammonia Fumes

Crete, Neb.

Several years ago I saw a motion picture filmed in Lima, Peru, South America. Men wearing gas masks were loading up a white substance to be used for fertilizer. There wasn't a living plant as far as one could see

I have read that a liquid fertilizer plant is being built at Fremont and that ammonia will be used. I've used liquid fertilizer, too. I put manure in a pail and pour water on it and in a few days I use it on flowers. That kind of liquid fertilizer is something unbelievable. I've had flowers three times the usual size. Or I've used alfalfa ground that gophers dug to the surface. It makes such big strong plants. I would think the alfalfa ground could be put in some sort of machine and spread on fields. But ammonia? I hate to think of that being sprayed in the air for us to breathe. I have noticed sometimes that cattle's eyes water and the poor things would have to be out in the open and catch it all, with no protection.

I wish the government would step in and prevent the destroying of fresh air. I wouldn't like the thought of having to use a gas mask.

Lincoln Driving

Lincoln, Neb.

We are confused California drivers. We arrived in our home town for our first visit in 12 years. Never in all of our driving career have we ever had the experience of driving on such poorly marked streets. No white lines dividing the lanes, small signs marking the one-way streets and the middle lane, if you can find one, being able to turn right or left in front of a driver. We almost ran over a policeman on a white motor scooter who made a quick right turn in front of us. He gave no hand signal or signal light warning. He stopped us and told us that those in our lane should turn left. We were going west on 10th and L. If we had turned left as he told us, we would have been going the wrong way on a one-way street. Confusing?

The streets in the middle of Los Angeles at the busiest hour are safer than the streets in Lincoln. We invite everyone to come to California to see how clearly streets can be marked, but be sure to signal turns distinctly or consider it a one-way trip.

ANN BAKER

A Copy-Cat

Lincoln, Neb.

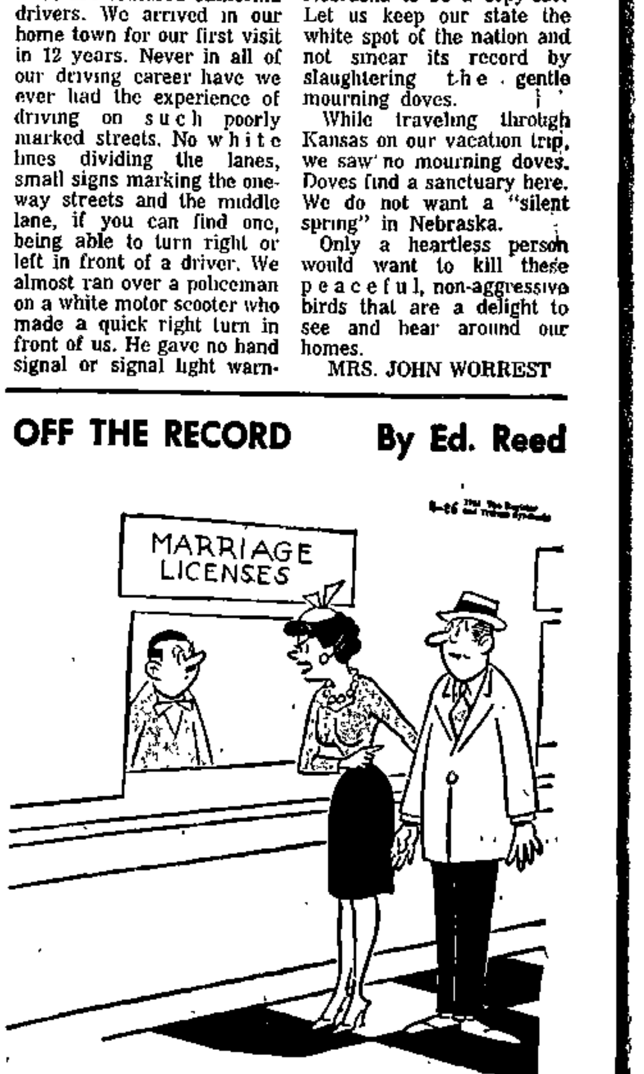
The main reason that sportsmen in Nebraska want to hunt the mourning doves seems to be because Kansas or some other state does! Is Nebraska to be a copy-cat? Let us keep our state the white spot of the nation and not smear its record by slaughtering the gentle mourning doves.

While traveling through Kansas on our vacation trip, we saw no mourning doves. Doves find a sanctuary here. We do not want a "silent spring" in Nebraska.

Only a heartless person would want to kill these peaceful, non-aggressive birds that are a delight to see and hear around our homes.

MRS. JOHN WORREST

OFF THE RECORD By Ed. Reed



"I'll wait the three days if the law says so, but if he gets away I'm suing the state."

Toynbee's Choices

By WILLIAM O. DOBLER

As great men have a habit and capacity for doing, Dr. Arnold Toynbee had reduced to a simple choice the great issues that face mankind today. "We may be on the verge of destroying all life on this planet and making the planet permanently uninhabitable," said the famous British historian, "or we may be on the verge of lasting peace and social justice." The choice was presented to a packed public convocation at Nebraska Wesleyan University.

On Achieving Peace

There is no question in taking one or the other choice and pursuing it that a great many complications arise but issues can be seen much more clearly if all people keep their initial choice firmly in mind. The choice that Americans would make is without question and most nations of the world, even a large part of the communist empire, would make the same choice. That choice would be the latter one, "lasting peace and social justice." What lasting peace and social justice are and how they may be achieved presents the arena in which controversy comes into prominence.

And one does not enter this arena without running headlong into another part of the proposition advanced at Wesleyan by Dr. Toynbee. This is the proposition of the futility of war. It should be noted that the emphasis is upon futility—not the likelihood or even the practical advisability of war. Ruhnke's Suggestions

Sen. Arnold Ruhnke's suggestions for a continuing study of the state's public power problem will have a mixed reception throughout the state.

As the Legislature wrestled with the variety of suggested statutory remedies, thus for inconclusively, Sen. Ruhnke, himself a sponsor of a remedy, suggests that it may be prudent to continue the life of the Legislature's Nebraska Public Power Committee, to extend its study and perhaps even ask the several power agencies to put up the money for a comprehensive study of the whole matter by an outside expert.

To many, these invitations to postpone decision bespeak an unwillingness to face hard decisions, and constitute a tactic of getting rid of a hot potato. They will assert that most of the state's problems such as taxes, education and economc progress have been intensified by past unwillingness to bring them to decision.

But Sen. Ruhnke has something on his side. The complexity of the power problem and the varied suggestions could mean that it has not been fully digested, and is not ready for a decision. The Legislature is by character a deliberative body. Somewhere between evasion and more clarification can be found the prudent position.

Battle Of Lake Erie

In this nuclear age there is no use speculating on war because it designates all sides as losers and offers no latent rewards for anyone. Back in 1813 it was different.

That was 150 years ago when the United States was trying Great Britain for the second time, very ill-advisedly. Our principal contribution to the science of war in that joining of arms was confined to the chapter on how to break the sound barrier retreating. The exception was the naval battle of Lake Erie which we won and in which the British retreated. If historians indicate that Great Britain became a great empire by the process of losing wars, it can be said that the United States cleared the way to its present estimable position by losing the war of 1812, but winning the Battle of Lake Erie.

Erie County, Pennsylvania, is sensitive to this fact and is preparing a sesquicentennial program this year to make the point clear to modern America.

What happened 150 years ago was a plan by the British to cut the U.S. off at the pockets by sending an armed force into the Ohio country in command of General Henry Proctor. The line of supply was maintained by a British squadron under Captain Robert Barclay.

At the same time our Commodore Oliver Hazard Perry began felling and shaping up trees along the shore of the lake and in due time had a do-it-yourself navy. Once he got it afloat, he interposed it in Put-in Bay in the Bass islands and began hi-jacking the British army's wheaties. That brought the British squadron into action with the result it got sunk. That freed Commodore Perry for the task of ferrying Gen. William Henry Harrison's Americans across the lake where they promptly did in the retreating army of Gen. Proctor.

That action forever quieted the title in our favor to Ohio, Michigan, Indiana and other great areas farther west, without which we could never have preserved the union later, nor become big and great, nor made Detroit the automobile capital of the world.

The Only Thing We've Changed Is The Driver

DREW PEARSON

Anti-Spy Action Costs Marine Hero

WASHINGTON — One of the most explosive incidents of the long Cuban crisis—the shooting of a Cuban spy during a scuffle with his marine escort officer—has been hushed up by the Defense Department's news managers.

For their part in the incident, four officers were railroaded out of the Marine Corps without a formal hearing and were warned to keep their mouths zippered.

First to get the boot was Capt. Arthur J. Jackson, husky hero of World War II, who shot the Cuban in self defense.

Back in 1944, Jackson won the Congressional Medal of Honor, the nation's highest award, for defying deadly enemy fire and storming Japanese pillboxes on Peleliu island as an army of one.

Yet eighteen years later, Gen. David Shoup, the Marine Corps commandant, was so upset over possible repercussion from the Cuban shooting that he ordered Jackson and his family thrown off the Guantanamo naval base.

From careful interviews with those involved, this column has pieced together the suppressed story of how Ruben Lopez, a Castro agent, died near the gates of Guantanamo and how Captain Jackson was stripped of his commission for defending himself and disposing of the body.

☆ ☆ ☆

Although Lopez had been marked by naval intelligence as a spy for Castro, he had been allowed to keep his job as a bus driver on the Guantanamo base.

Watched closely, he was caught by Jackson in a restricted area and was unable to give an adequate explanation for being there.

Jackson decided to kick the Cuban off the base and routed another Marine officer, Lt. William A. Szili, out of bed to assist in the ceremony.

They decided to evict Lopez through a back gate but noticed the lock on the gate was broken. So Szili drove off in a jeep for tools to repair it, leaving Jackson alone with the spy.

Suddenly, Lopez whirled and lunged at Jackson, grabbing for his gun. The hero of Peleliu fired, and Lopez fell dead at his feet.

When Szili returned, the pair realized that Dictator Castro could make an international incident of the shooting with consequences that might echo around the world. Foolishly they decided to dispose of the body themselves by heaving it over a cliff.

Next morning, they returned to cover the body so a Cuban patrol wouldn't discover it. But they brooded about it later, still fearing discovery.

Finally, they enlisted the help of three other officers and six enlisted men to haul the body back up the cliff and bury it on the base. But inevitably word leaked to their superiors, and they were called on the carpet.

Result: Four of the officers were drummed out of the Corps, the fifth was allowed to finish his two-year hitch. The enlisted men were merely disciplined.

DORIS FLEESON

Fuller Briefing Is Newsmen's Need

WASHINGTON—Each passing day emphasizes that President Kennedy must make his June travels in Europe a hard-working as well as a ceremonial visit. The President expects to leave about mid-June and remain for eight to 10 days.

The purely logistic and communications problems are great, but time and application can solve them. What is a source of debate within the administration is to what extent the journey can and should be made an occasion for more than crowd descriptions and stilted communiques.

In the jet age the presidential travels are a hard job for even the most conscientious reporters. Except for a few pool reporters, the majority of them rarely gets closer to the President himself than the crowds. The pool is able to get eye-witness accounts of his public encounters, but these necessarily tend toward the superficial.

The other reporters travel ahead of the presidential party and, between their own transportation and deadline problems, they get little opportunity to talk with native experts or such sources as they may have developed in past journeys to the same spots. Also, the President is going at a fast clip and nobody wants to miss something significant that may occur at any moment.

☆ ☆ ☆

The result is that the President is frequently dissatisified with how administration policy is presented or the communiques interpreted. Reporters chafe because they do not get more information in depth.

Yet there seems to be a disinclination in some administration quarters to attempt a briefing system that will enable more information in depth to reach reporters. The lack of it would be an exasperation to reporters, but for the administration, it would a valuable opportunity lost.

In all the countries the President visits in June, there are important cracks in the grand alliance. In West Germany the situation is particularly challenging.

☆ ☆ ☆

Chancellor Konrad Adenauer insists upon being at the President's side in West Berlin and Bonn, yet his own party has cut the ground from beneath him by forcing him to accept Ludwig Erhard as his heir-apparent. It has set October as the date for Adenauer's long-awaited retirement, though Erhard supporters will press for an earlier date.

Everyone, the President included, will need more and good information about such changing times. Fuller explanations after the event do not serve the purpose. A case in point is the agreement reached at Nassau with the British about the use of Polaris submarines. Nobody really likes it or seems to be sure exactly what it is and what problems made it necessary.

Ever since World War II pressures lightened, a tendency has existed to regard the travels of President and vice-president as a sort of reward system for hard-working aides or campaigners. On purely ceremonial trips, this would not matter.

A trip of the President today cannot be purely ceremonial, if it ever could. This is particularly true of this President, who finds in foreign policy the greatest outlet for his creative energies and runs it himself as much as possible.

THE NEIGHBORS SAY

Last Of Tickle Tail Bridge

By MONA B. PARKER

The Curtis Enterprise has its own little system for telling when spring and the coming of summer are near at hand. It's apparent when the circulation department begins receiving requests that the home-town paper be sent to the home address of those "lucky enough to spend the winter months in warmer climes."

☆ ☆ ☆

Fishing is not frantic yet, out Trenton way, but it is picking up, according to the Register. The wall-eyes are biting out at the lake . . .

"Best reports that we have are that they can be caught, but don't expect them to jump out of the water. You have to fish for them."

☆ ☆ ☆

The Shelton Clipper heard a story about a local angler, one Sid Harris, who caught a bass 12 inches long and nearly five pounds in weight. When asked where, all Mr. Harris would say was that it was "in a sandpit somewhere near Shelton."

Commented the Clipper: "Apparently Sid's saving that hole for himself."

☆ ☆ ☆

Sterling may be losing a bottleneck when the old bridge on East Broadway is torn down and a new structure installed, along with widening of the street. But a picturesque name will be lost to the community, except on the history books.

The old bridge was called "Tickle Tail Bridge."

☆ ☆ ☆

Harold Hartley of the Grand Island Independent took editorial note, along with most other newsmen across the country, of the fact that Sir Winston Churchill is now an honored and honorary American citizen. He recalls also an incident that happened 32 years ago. The Britisher, in this country on a lecture tour, was struck down by a New York City taxicab.

Editor Hartley muses over the possible consequences. Had the accident been fatal, obviously we would not be conferring citizenship on Mr. Churchill today. One may wonder what course World War II might have taken. And "it is even possible," Mr. Hartley accurately states, "that there might not have been a United States that could confer citizenship today."

☆ ☆ ☆

There were several other "visitor" tales with a twist to them . . .

Dr. and Mrs. F. J. Osentowski of Ord entertained some visitors recently, who unexpectedly found themselves "spotted in" for a longer visit than had been expected either by hosts or guests. One of the small nephews in the visiting clan burst forth with measles . . .

A Kearney County son-in-law went to quite a bit of effort, it seems to us, to see that his mother-in-law got on her way after an Easter visit. The doors of her car had been locked using the inside latches and could not be unlocked with the key. Her son-in-law managed to get the trunk open, from whence he disassembled the rear seat, crawled into the car through the trunk and opened the car doors.

Popcorn growers throughout Valley County are looking around for alternate crops this season. Normal acreage there is 4,500 acres, but the market appears to be jammed this year and the 1963 crop could go a-begging. One reason for the surplus is that eastern states such as Kentucky and Indiana are raising more of the crop closer to the big markets. Prospects for a local processing plant are not too bright, considering the competition.

Last year's crop in that vicinity was sizeable, with yields averaging about 3,000 pounds per acre and up to 4,000 pounds on irrigated fields.

One grower there has cut from 3,000 acres in 1962 to 900 this year. Another has cut back to zero. Some growers are going to alfalfa, some to field corn, but maximums aren't very large because their feed grain base acres are minimal.

We've heard of Salisbury steak and Manhattan steak, and many another fancy connotation that all fry down to plain old hamburger in disguise. There's a Kearney housewife who has seen fit to regally gloss over another American favorite, found mostly on the picnic table, in the ball park and around outdoor barbecues but rarely served along with the linen tablecloth and fine china. She has given new social status, says the Hub, along with economy to the "tube steaks" she frequently sets before her husband. Others call them wieners.

Your Five Cents Worth

Brevity in letters is requested, but length in itself will have no bearing on publication. Writers are advised that needless details and repetitious matter will be edited out of letters. Too frequent contributions from one person on the same subject may be rejected. All letters must be accompanied by writer's true name but may be submitted for publication under a pen name or initials. However, letters will be printed under a pen name or initials at the editor's discretion.

The Sources

Lincoln, Neb.

My thanks for publishing my letter opposing city-county plans for consolidation, even though The Star disagrees with my position. The fairness and good sportsmanship in giving the other side a chance to be heard is much appreciated by Star readers.

My information, briefly stated in my letter is based on —

(a) A folder entitled "Metro" published by The Independent American, a conservative newspaper published in New Orleans.

(b) The articles of Jo Hindman published in the American Mercury and in various well known magazines.

(c) I have a friend who lives in Miami and teaches in the public schools of that city. She bears out the report of the extreme discontent of the citizens with the Metro Plan and its operation.

Granted that nothing of the kind is contemplated for Lincoln, it seems prudent and right that facts should be published and that the people should be urged to inform themselves and vote wisely.

WINNIFRED LEWIS
Executive Secretary Citizens' Movement for Human Rights

Ammonia Fumes

Crete, Neb.

Several years ago I saw a motion picture filmed in Lima, Peru, South America. Men wearing gas masks were loading up a white substance to be used for fertilizer. There wasn't a living plant as far as one could see.

I have read that a liquid fertilizer plant is being built at Fremont and that ammonia will be used. I've used liquid fertilizer, too. I put manure in a pail and pour water on it and in a few days I use it on flowers. That kind of liquid fertilizer is something unbelievable. I've had flowers three times the usual size. Or I've used alfalfa ground that gophers dug to the surface. It makes such big strong plants. I would think the alfalfa ground could be put in some sort of machine and spread on fields. But ammonia? I hate to think of that being sprayed in the air for us to breathe. I have noticed sometimes that cattle's eyes water and the poor things would have to be out in the open and catch it all, with no protection.

I wish the government would step in and prevent the destroying of fresh air. I wouldn't like the thought of having to use a gas mask.

Lincoln Driving

Lincoln, Neb.

We are confused California drivers. We arrived in our home town for our first visit in 12 years. Never in all of our driving career have we ever had the experience of driving on such poorly marked streets. No white lines dividing the lanes, small signs marking the one-way streets and the middle lane, if you can find one, being able to turn right or left in front of a driver. We almost ran over a policeman on a white motor scooter who made a quick right turn in front of us. He gave no hand signal or signal light warning. He stopped us and told us that those in our lane should turn left. We were going west on 10th and L. If we had turned left as he told us, we would have been going the wrong way on a one-way street. Confusing?

The streets in the middle of Los Angeles at the busiest hour are safer than the streets in Lincoln. We invite everyone to come to California to see how clearly streets can be marked, but be sure to signal turns distinctly or consider it a one-way trip.

A Copy-Cat

Lincoln, Neb.

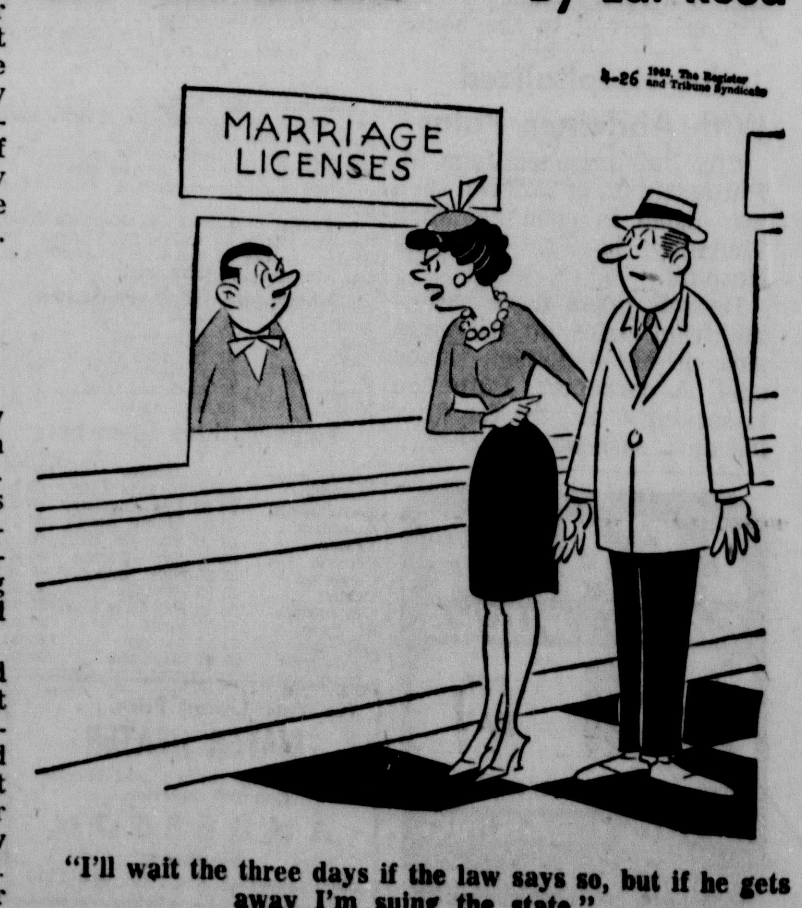
The main reason that sportsmen in Nebraska want to hunt the mourning doves seems to be because Kansas or some other state does! Is Nebraska to be a copy-cat? Let us keep our state the white spot of the nation and not smear its record by slaughtering the gentle mourning doves.

While traveling through Kansas on our vacation trip, we saw no mourning doves. Doves find a sanctuary here. We do not want a "silent spring" in Nebraska.

Only a heartless person would want to kill these peaceful, non-aggressive birds that are a delight to see and hear around our homes.

MRS. JOHN WORREST

OFF THE RECORD By Ed. Reed



"I'll wait the three days if the law says so, but if he gets away I'm suing the state."

Corporate Tax Change Held

Sen. Torry Carpenter of Scottsbluff Thursday urged the Revenue Committee to advance to the floor a bill which would "allow the Legislature to review its policy" on taxation of stock in domestic and foreign domesticated corporations.

The bill, LB15, was held for later action.

It would remove certain deductions allowed in the taxation of such intangible property. In effect, the stock now is exempt from taxation, Carpenter said.

Intent of the law is to tax the stock at 4 mills as is the case on stock in foreign corporations, he said.

Deductions which tend to exempt domestic and domesticated stock were written into law in 1957, Carpenter pointed out.

'Providing Subsidy

As a result, he declared, the Legislature is providing a subsidy to domestic and foreign domesticated corporations amounting to "not less than $30 million a year."

Carpenter said a policy which "allows these corporations to avoid payment of their just taxes . . . is legally acceptable, but morally unacceptable."

The Legislature, he insisted, either must raise additional revenue or "curtail spending beyond that which now exists."

Opposed By Chamber

LB15 was opposed by spokesmen for the Associated State Chamber of Commerce and representatives of several corporations.

L. E. Ray, speaking for the Grand Island Industrial Foundation and the Grand Island Chamber, said the bill would result in "double or triple taxation" and harm efforts to attract industry.

The measure would be "contrary to public policy of 50 years," Omaha attorney W. C. Fraser argued.

In other action, the committee advanced on a 6-0 vote LB778, changing bond conditions on public grain warehouses to comply with federal provisions.

Truman Suffers 'Stomach Upset'

Kansas City (AP) — Former President Harry S. Truman suffered what his physician diagnosed as a stomach upset Thursday.

Truman, 78, complained that he did not feel well after sitting down at luncheon in a downtown hotel. He walked out of the dining room unassisted without eating and went home. "Nothing serious," his office said.

The former president will be 79 May 8. He had a hernia operation in January.

Legislative Calendar

By The Associated Press
April 25, 1963
[illegible] Legislative Day

Convened at 9 a.m.

Received notice governor has signed LBS 365, 422, 749, 679, 487, 330, 319, 80, 395 and 474.

Passed LBS 620, 473 and 396 on final reading.

Returned LB[illegible] and LB[illegible] to select file for amendment.

Received and laid over request to withdraw LB29.

Received new bill, LB791.

Advanced LBS 371, 685, 460, 636, 450, 611 and 582 from select file.

Advanced LBS 643, 327, 504, 390, 673, 671 and 611 from general file.

Adjourned at 12:09 p.m. to 9 a.m. Friday.

Committee actions:

Banking, Commerce and Insurance—Heard and held LB564; heard and advanced LB772.

Education—Amended and advanced LB390; killed LB624.

Solons Kill Sale Of School Land Bill

A bill requiring the sale of school lands when present leases expire was killed on a 5-2 vote by the Legislature's Education Committee Thursday. The bill is LB624.

The committee in executive session also amended and advanced by the same 5-2 vote another measure, LB206, providing a payment for parents who transport their children to class in a school district which has no bus service.

In the case of elementary school youngsters, there would be a payment of 10 cents for each ½ mile in excess of three miles between the student's home and the school house. The distance for high school students before reimbursement on the same basis would be more than five miles. Only one payment would be made to a family, irrespective of the number of children they had attending school in the district.

The measure, sponsored by Sen. Elvin Adamson of Nenzel, is expected to encourage school districts to provide bus transportation.

LB624 was sponsored by Sens. Frank Nelson of O'Neill, Don McGinley of Ogallala and Dale Erlewine of Grant.

Proponents at a previously-held hearing contended more money could be derived for education by selling the state school lands and investing the money.

Opponents countered with the argument that real estate is the best investment.

TWO LOAN MEASURES ADVANCED BY COMMITTEE

The Legislature's Banking Committee unanimously advanced a committee bill, LB-772, extending the loan period for industrial loan companies.

The measure, given public hearing Thursday, increases the loan period from 3 to 5 years. It was supported by Lincoln attorney Max Towle, representing the 9 industrial banks of Nebraska.

Heard and held by the committee for further study was LB754, another committee bill.

Ralph Misko, director of banking, testified that the bill eliminated much obsolete material in the 20-year-old statutes relating to personal loans by banks and trust companies.

Principally, Misko said, the bill will provide in the statutes a legal basis for credit life insurance, "a tool borrowers want and which is already commonly used."

Neither bill received opposition.

Qualified Farm Help In Demand, State Says

The Nebraska Employment Division said today there are many job openings but few qualified farm workers seeking employment.

"This sums up the Ag employment pattern for the state as a whole," the division said.

Solons Kill Sale Of School Land Bill

A bill requiring the sale of school lands when present leases expire was killed on a 5-2 vote by the Legislature's Education Committee Thursday. The bill is LB624.

The committee in executive session also amended and advanced by the same 5-2 vote another measure, LB2[illegible], providing a payment for parents who transport their children to class in a school district which has no bus service.

In the case of elementary school youngsters, there would be a payment of 10 cents for each ½ mile in excess of three miles between the student's home and the school house. The distance for high school students before reimbursement on the same basis would be more than five miles. Only one payment would be made to a family, irrespective of the number of children they had attending school in the district.

The measure, sponsored by Sen. Elvin Adamson of Nenzel, is expected to encourage school districts to provide bus transportation.

LB624 was sponsored by Sens. Frank Nelson of O'Neill, Don McGinley of Ogallala and Dale Erlewine of Grant.

Proponents at a previously-held hearing contended more money could be derived for education by selling the state school lands and investing the money.

Opponents countered with the argument that real estate is the best investment.

TWO LOAN MEASURES ADVANCED BY COMMITTEE

The Legislature's Banking Committee unanimously advanced a committee bill, LB-772, extending the loan period for industrial loan companies.

The measure, given public hearing Thursday, increases the loan period from 3 to 5 years. It was supported by Lincoln attorney Max Towle, representing the 9 industrial banks of Nebraska.

Heard and held by the committee for further study was LB754, another committee bill.

Ralph Misko, director of banking, testified that the bill eliminated much obsolete material in the 20-year-old statutes relating to personal loans by banks and trust companies.

Principally, Misko said, the bill will provide in the statutes a legal basis for credit life insurance, "a tool borrowers want and which is already commonly used."

Neither bill received opposition.

Qualified Farm Help In Demand, State Says

The Nebraska Employment Division said today there are many job openings but few qualified farm workers seeking employment

"This sums up the Ag employment pattern for the state as a whole," the division said.

Changes In Top Staff Of Mason City Globe-Gazette Are Announced

Lincoln Star Special

Mason City, Ia.—Three major changes at the top executive level on the Mason City Globe-Gazette staff will become effective next Wednesday, according to an announcement by Lee P. Loomis, chairman of the board of Lee Enterprises, Inc.

After 43 years of continuous service, W. Earl Hall will retire from duties as editor and publisher in conformity with Lee Newspapers retirement policy.

Raymond N. Rorick, now general manager and a Globe-Gazette business department employe since 1931, will become publisher.

Robert H. Spiegel, 41, a member of the Des Moines evening Tribune editorial staff since 1946, will become editor.

Thor J. Jensen, city editor for the last 10 years and a member of the staff since 1937, will become managing editor.

Stays As Consultant

Hall will remain on a consultative basis for a year before his retirement is complete.

Spiegel, who attended grade school in Mason City, is a graduate of Waterloo West and of Drake University where he won his BA degree with highest honors and was elected to Phi Beta Kappa. He is a member of Sigma Delta Chi.

A basketball letterman at Drake, Spiegel is this year general chairman of the Drake Relays.

Award Winner

His first connection with the Register-Tribune was as a sports writer while attending Drake. He then spent two years on the Tribune city desk before becoming a general assignment writer with special emphasis on education, labor-management and business.

Spiegel won the National Headliner Award in 1951 and in 1956 the Sidney Hillman Award for a depth report on the segregated housing problem, and in 1956 and 1959 won sweepstakes awards in the Iowa Associated Press writing contests. He was the first recipient of the Des Moines Education Assn. Award for "distinguished service to education."

Rorick attended Simpson College and then was employed by National Biscuit Co. and by a Davenport, Ia., furniture firm. After an extended period as chief of accounting for the Globe-Gazette and then as assistant business manager he was named business manager in 1956. He has been active in a number of Mason City and Iowa civic, church and professional groups.

Jensen attended Omaha elementary schools, East Des Moines High School and is a graduate of Drake University. He was employed in the Iowa Bureau of the Associated Press for two years and worked as an examiner for the Iowa auditor of state before joining the Globe-Gazette staff in 1937. He served as farm reporter before becoming city editor. He also has been active in civic, professional and social welfare groups.

LUCITE
LUCITE
DU PONT
WALL PAI
DUCO
Satin Sheen ENAMEL

No messy stirring or thinning. New LUCITE Wall Paint comes all ready to use, right out of the can. Goes on easily over wallboard, wallpaper, plaster, paint. Your brush or roller holds more. You dip it less often.

Doesn't drip or splatter like ordinary paint. See how LUCITE clings to roller without dripping or running down the handle. Even doing the ceiling, you stay neat, clean. And LUCITE spreads smoothly, easily.

Quick, easy cleanup. Brushes, rollers and roller pan rinse clean in plain soap and water. Wipe up any spills with a damp sponge. LUCITE dries in 30 minutes. Its lovely flat finish is truly washable.

Modern matching colors. For woodwork, kitchen and bathroom walls, use DUCO® Satin-Sheen Enamel in matching LUCITE colors. Get both at your nearby paint dealer's; in 22 smart new colors and white.

A SENSATIONAL AND EXCITING

NEW FUN GAME!

No Purchase Necessary!

free at Hinky Dinky

NO PURCHASE NECESSARY!

HUNDREDS OF WINNERS IN EVERY STORE!

YOU CAN WIN MORE THAN ONCE!

Now Hinky Dinky shopping is more fun than ever — more rewarding too! You'll receive free E-Z Money each time you visit Hinky Dinky. Take it home, follow the instructions below and it may be worth $$$$!! 50 Cash Prizes, ranging from $1,000 to $10 in Grand Prize Drawing Sat., June 22! Sounds like fun doesn't it! Get your free E-Z Money at Hinky Dinky and start to play . . . TODAY!

Fill In Your Name and Address and Deposit Your Extra E-Z Money at Hinky Dinky

FOR GRAND PRIZE DRAWING

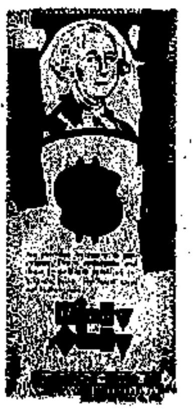
$1,000 CASH!

$500 Second Prize, 3-15 Prize $100, 16-28 Prize $50 29th thru 50th Prize $10

HERE'S HOW TO PLAY E-Z MONEY

1

This is a sample of "E-Z MONEY." You'll receive one every time you visit. Hinky Dinky

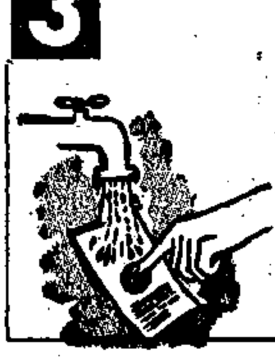


2

SIMPLE TO PLAY

Just wash off the black dollar sign on the front of each and save your "E-Z MONEY" until you have collected the words RED-WHITE-BLUE and original U. S. FLAG and you have won $100. Persons with cards that have Hinky Dinky under the black dollar sign will receive $1.

3



To find the word underneath the black dollar sign on your card, just run your E-Z MONEY under the faucet. The dollar sign will wash away and the word underneath will appear.

4

Rub your cards gently ...Disfigured cards are void!

To have an opportunity to win the $1,000 GRAND PRIZE or one of the 49 other CASH PRIZES be sure to fill in your name and address and deposit your extra E-Z MONEY at Hinky Dinky! Watch our ads for listing of weekly winners names!

Truce Team On Plaine

Vientiane, Laos (AP)—A truce team of the International Control Commission established observation of the Plaine des Jarres on a catch as catch can basis Thursday.

Barred from territory of the pro-Communist Pathet Lao, Canadian, Polish and Indian representatives of the 3-nation commission flew by two helicopters to defense lines of Gen. Kong Le's outnumbered neutral troops to launch the field survey.

Informed sources said the foreign experts will be shuttled to and from Vientiane daily to oversee a local cease-fire agreement that has kept the strategic northern plateau relatively quiet since Sunday.

Neutralist Premier Prince Souvanna Phouma promoted the assignment of the truce team, saying it could at least determine who was doing the shooting. The neutralists troops, heavily battered in the fighting that broke out March 31, were his followers in the Laotian civil war of 1960-62.

It was disclosed that Kong Le, a U.S.-trained paratrooper, has re-established a command post on the plaine. He had moved his headquarters last week to Muong Phan, 8 miles to the west.

How long the ICC observation will continue is a question.

A Peking broadcast reported Deputy Premier Prince Souphanouvong, Souvanna's pro-Communist half-brother, indicated in an interview Wednesday he opposed even occasional truce team flights to the region.

NEA President Cites Challenge Of The 60s

The challenge of the 60s is to prepare the kindergartners of today for jobs not yet in existence, Lincoln teachers were told Thursday.

Mrs. Hazel Blanchard, president of the National Education Association and main speaker at the annual Lincoln Education Association dinner here, explained:

"Nearly 50% of today's 5-year-olds will have jobs which are unknown today and another large percentage will be prepared for jobs which no longer exist."

"Times have changed, but the freshness of youth has not."

The NEA, the state associations and the local associations must make an effort to persuade teachers to work with all children in all areas . . . to take jobs in the depressed areas of major cities, she said, referring to the loss of some 6,000 contracted teachers in the low socio-economic schools of New York City.

Need Realized

Earlier Thursday, Mrs. Blanchard said she thinks the public realizes the need for education.

"The American mind is more concerned than ever before about the school system."

"I have sensed no general public resentment against the increasing cost of education," she said in noting the nation is spending $19.5 billion now, but is estimated to be spending $33 billion by 1970.

Mrs. Blanchard, on leave of absence as a Fresno, Calif., elementary school principal, is the elected representative of 800,000 teachers and was making an official visit to Lincoln association.

At a press conference Thursday morning, she further noted:

—educational television is becoming a national teaching too, but is not an "answer-all." Education rests finally with the skill of the teacher.

—this nation's basic philosophy is public education of all and this is extending to include higher education.

—growth of junior college is easing somewhat the pressure on universities, which are being forced to set academic standards to limit student enrollment.

Mrs. Blanchard will speak at the University of Nebraska at 9:30 a.m. Friday to address more than 200 elementary school principals from Nebraska at their annual meeting at the Nebraska Center.

Create Pope's Statue

Vatican City (AP)—Cardinals created by the late Pope Pius XII have commissioned a statue of him which will be placed in the St. Sebastian Chapel of St. Peter's Basilica.

Former Omahan Being Hunted After Slaying

Oklahoma City, Okla. (UPI) A former Omahan with a lengthy arrest record was the target of a search in this area Thursday following the murder of a 17-year-old housewife.

Sought was Charles L. Hiskey, 24, of Tucumcari, N.M. He formerly lived in Omaha and Vail, Iowa.

Hiskey is charged with murdering Mrs. Vickie Jean Hill, 17, housewife and resident of Midwest City, an Oklahoma City suburb. Her husband found her strangled, beaten and bound in their apartment home Monday night.

Hiskey also faces a federal charge of unlawful flight to avoid prosecution.

The search for Hiskey has been centered chiefly in this area, where he was last seen, and in the Dallas, Tex., area, where some acquaintances believe he may be headed.

Hiskey, whose Omaha police record includes arrests for car theft and bad checks, bought a gun in Tucumcari April 19 and is believed to still have the weapon in his possession, police said.

The murder victim's husband, Richard Hill, 18, told police he and his wife had befriended a stranger named Charles and helped him to get his stalled car started, then fed him a meal. The man returned unexpectedly and had breakfast with the couple Monday morning and a neighbor said she saw him at the apartment house again Monday afternoon.

The Omaha police records show Hiskey was sentenced to prison from Omaha in December 1959 for car theft. He served a 30-day term in February 1962 for vagrancy and carrying a concealed weapon, and was given a 90-day term in May 1962 for an insufficient-fund check.

Two Men Added To Doane Faculty

Crete — Two new faculty members have been hired at Doane College, Dean Daryl Williams announced.

John F. Kuecker has been hired as an addition to the chemistry staff and Dr. John H. Doherty has been added to the English department to replace two people who formerly taught part-time.

"Only two resignations were received this year," Dean Williams said. "This is the smallest faculty turnover Doane College has experienced in 22 years."

Truce Team On Plaine

Vientiane, Laos (AP)—A truce team of the International Control Commission established observation of the Plaine des Jarres on a catch as catch can basis Thursday.

Barred from territory of the pro-Communist Pathet Lao, Canadian, Polish and Indian representatives of the 3-nation commission flew by two helicopters to defense lines of Gen. Kong Le's outnumbered neutral troops to launch the field survey.

Informed sources said the foreign experts will be shuttled to, and from Vientiane daily to oversee a local cease-fire agreement that has kept the strategic northern plateau relatively quiet since Sunday.

Neutralist Premier Prince Souvanna Phouma promoted the assignment of the truce team, saying it could at least determine who was doing the shooting. The neutralists troops, heavily battered in the fighting that broke out March 31, were his followers in the Laotian civil war of 1960-62.

It was disclosed that Kong Le, a U.S.-trained paratrooper, has re-established a command post on the plaine. He had moved his headquarters last week to Muong Phan, 8 miles to the west.

How long the ICC observation will continue is a question.

A Peking broadcast reported Deputy Premier Prince Souphanouvong, Souvanna's pro-Communist half-brother, indicated in an interview Wednesday he opposed even occasional truce team flights to the region

NEA President Cites Challenge Of The 60s

The challenge of the 60s is to prepare the kindergartners of today for jobs not yet in existence, Lincoln teachers were told Thursday.

Mrs. Hazel Blanchard, president of the National Education Association and main speaker at the annual Lincoln Education Association dinner here, explained:

"Nearly 50% of today's 5-year-olds will have jobs which are unknown today and another large percentage will be prepared for jobs which no longer exist."

"Times have changed, but the freshness of youth has not."

The NEA, the state associations and the local associations must make an effort to persuade teachers to work with all children in all areas . . . to take jobs in the depressed areas of major cities, she said, referring to the loss of some 6,000 contracted teachers in the low socio-economic schools of New York City.

Need Realized

Earlier Thursday, Mrs. Blanchard said she thinks the public realizes the need for education.

"The American mind is more concerned than ever before about the school system."

"I have sensed no general public resentment against the increasing cost of education," she said in noting the nation is spending $19.5 billion now, but is estimated to be spending $33 billion by 1970.

Mrs. Blanchard, on leave of absence as a Fresno, Calif., elementary school principal, is the elected representative of 800,000 teachers and was making an official visit to Lincoln association.

At a press conference Thursday morning, she further noted.

—educational television is becoming a national teaching too, but is not an "answer-all." Education rests finally with the skill of the teacher.

—this nation's basic philosophy is public education of all and this is extending to include higher education.

—growth of junior college is easing somewhat the pressure on universities, which are being forced to set academic standards to limit student enrollment.

Mrs Blanchard will speak at the University of Nebraska at 9:30 a m Friday to address more than 200 elementary school principals from Nebraska at their annual meeting at the Nebraska Center

Former Omahan Being Hunted After Slaying

Oklahoma City, Okla. (UPI) A former Omahan with a lengthy arrest record was the target of a search in this area Thursday following the murder of a 17-year-old housewife

Sought was Charles L. Hiskey, 24, of Tucumcari, N.M. He formerly lived in Omaha and Vail, Iowa.

Hiskey is charged with murdering Mrs Vickie Jean Hill, 17, housewife and resident of Midwest City, an Oklahoma City suburb. Her husband found her strangled, beaten and bound in their apartment home Monday night

Hiskey also faces a federal charge of unlawful flight to avoid prosecution

The search for Hiskey has been centered chiefly in this area, where he was last seen, and in the Dallas, Tex., area, where some acquaintances believe he may be headed.

Hiskey, whose Omaha police record includes arrests for car theft and bad checks, bought a gun in Tucumcari April 19 and is believed to still have the weapon in his possession, police said.

The murder victim's husband, Richard Hill, 18, told police he and his wife had befriended a stranger named Charles and helped him to get his stalled car started, then fed him a meal. The man returned unexpectedly and had breakfast with the couple Monday morning and a neighbor said she saw him at the apartment house again Monday afternoon

The Omaha police records show Hiskey was sentenced to prison from Omaha in December 1959 for car theft. He served a 30-day term in February 1962 for vagrancy and carrying a concealed weapon, and was given a 90-day term in May 1962 for an insufficient-fund check.

Two Men Added To Doane Faculty

Crete — Two new faculty members have been hired at Doane College, Dean Daryl Williams announced

John F. Kuecker has been hired as an addition to the chemistry staff and Dr John H Doherty has been added to the English department to replace two people who formerly taught part-time.

"Only two resignations were received this year," Dean Williams said. "This is the smallest faculty turnover Doane College has experienced in 22 years"

Create Pope's Statue

Crowd Witnesses Bedouins Beat Student Demonstrator

Amman, Jordan (UPI) — Silent crowds Thursday watched khaki-robed army Bedouins stone and beat-up a student demonstrator and knock him head-over-heels down a steep, 40-foot hillside.

The youth was covered with blood from multiple injuries by the time the Bedouins handed him over to police.

The incident followed yet another students' demonstration in favor of United Arab Republic (UAR) President Gamal Abdel Nasser in the heart of the Jordanian capital Thursday morning.

Tension High

The demonstrations kept tension at fever pitch following the introduction of new heavy troop reinforcements. An open lot near the city's newest hotel was being used by the troops as a stand-by area.

There were at least 7 armored cars and several troop-filled trucks.

I watched the student demonstrators scramble up hillsides to flee from the army Bedouins, who were wielding heavy staves.

One of the Bedouins was felled by a stone hurled by a student. Another Bedouin raised his rifle, a student fell to the ground, but it was not clear whether he had been shot.

Stone Student

One of the Bedouins closed on the floored and cowering student — aged about 16 — and stoned him from close range while other Bedouins covered him with rifles.

The student struggled to his feet but was hit on the head by a Bedouin stave and tumbled down the hillside. At the bottom of the slope, other Bedouins beat up the student before handing him over to police.

The whole scene was watched in silence by civilians crowding on balconies of buildings.

In downtown Amman, armored cars with Bren machine guns and recoilless rifles at the ready patrolled the streets.

Meanwhile, at King Hussein's "Palace of Happiness" outside the city, the king's British-born wife, Princess Mouna, celebrated her 22nd birthday with a private family party.

There were no public celebrations marking the birthday.

Elsewhere in Jordan, and notably in the towns west of the River Jordan where pro-Nasser demonstrations went on at the weekend, the situation was calm.

St. Mary's Cathedral Has New Asst. Pastor

Father John M. Herbert has been appointed assistant pastor at St. Mary's Cathedral, the Catholic Chancery announced Thursday.

Father Herbert has served as an assistant pastor at Blessed Sacrament and St. Teresa's Churches, Lincoln, and at St. Cecilia and St. Michael Churches, Hastings. He was a member of the Diocesan Mission Band, the Boys Town staff, and a chaplain in the military service.

Old Painting Found

Rome (AP)—A 16th Century painting of the Virgin Mary and the infant Jesus by Francesco Botticini that was stolen from the San Lorenzo Church at Fiesole in 1920 was found by Italian police. The masterpiece turned up in a Rome antique shop, whose owner said he bought it several years ago for 10 million lire ($16,000).

Admiralty Absolved In Spy Case

London (UPI) — A 3-man tribunal which investigated British naval security as a result of a Soveit spy case Thursday criticized the Admiralty's system of screening key personnel but absolved it of responsibility for the espionage episode.

The tribunal was appointed by Prime Minister Harold Macmillan last fall after the disclosure that Admiralty clerk William J. C. Vassall, a 38-year old homosexual, had been blackmailed into spying by the Russians. He had been selling navy secrets for more than 7 years. The Vassall case came within 18 months of two other navy espionage cases. He now is serving an 18-year prison sentence.

After questioning 151 witnesses the tribunal in effect absolved almost everyone of blame except a retired naval intelligence officer who died last September.

It said the choice of Vassall for a sensitive job was a "decisive mistake." He was described as a "weak, vain individual and a practicing homosexual" easily subject to Soviet "capture."

The report criticized the Admiralty's security clearance procedure as "inadequate to the needs of the situation."

The tribunal exonerated Lord Carrington, first lord of the Admiralty, and Thomas Galbraith, former civil lord of the Admiralty and Vassall's immediate superior. Galbraith resigned from the government after the publication of letters he wrote Vassall.

The only person singled out for detailed criticism was H. V. Pennells, civil assistant to the director of naval intelligence, who resigned in 1958 and died last year. The report said he was "remiss and lacking in judgment in not giving proper attention to Foreign Office warnings about the need for careful selection "and in failing to have the Admiralty's security system reviewed.

Pennells' daughter, Mrs. Brenda Boyce, charged he had been made a "scapegoat . . . it seems to be that they have picked on someone to blame who is now dead and cannot defend his name."

Lumber consumption in the United States in 1962 was 37.4 billion board feet, slightly more than the year before.

Over Half Of Near-Crashes Involve Aircraft Of Military

Washington (UPI) — More than half the near-collisions reported on the nation's airways during the past 6 months have involved military planes, the Federal Aviation Agency (FAA) disclosed Thursday.

The Air Force is taking steps to cut incidents to a minimum.

FAA administrator Najeeb E. Halaby, in a news conference discussion of the problem, said near-misses involving military aircraft and airliners are inevitable, however, because of vital military training missions.

Threat Bars

"If there were no wars or threats of war anywhere in the world we could have a common system of controlling all air traffic," Halaby said. "The military is just as concerned in safety as we are and is doing everything possible to cooperate with us to avoid potential hazards."

Halaby said it was impossible to keep military aircraft out of civil airways. He said to cut down the chances for collision, the military has been:

—Carrying out aerial refueling operations away from airways used frequently by civil planes.

—Conducting practice missions away from civil airways, and during off-hours when little civilian traffic is flying.

10% Near-Crashes

David Thomas, head of FAA's Air Traffic Control, told newsmen that only about 10% of the near-misses reported by pilots turn out to be actual near-collisions. As the FAA expands its program to put all airspace above 24,000 but under positive control from the ground, he added,, it expects near-miss reports to diminish significantly. This program will near completion by the end of this year.

Thomas said in one area now under positive control, legitimate near-miss reports were reduced in a year from 40 to 5 — with controller error responsible for two of the 5.

Caning By Instalment

Dar-es-Salaam, Tanganyika (UPI) — The government will introduce drastic penalties for theft and corruption, including caning by instalments, Home Minister Job Lusinde told parliament. Cattle rustlers will be sentenced to 3 years in prison with 24 cane strokes at the rate of 6 every three months.

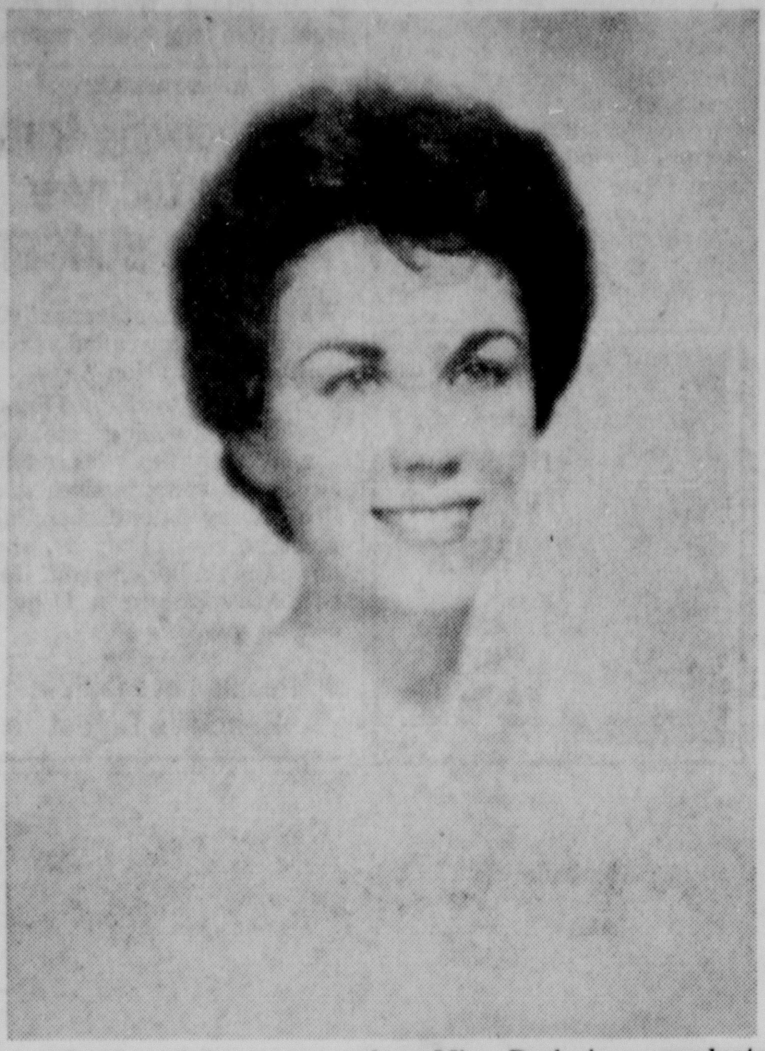
Betrothal Revealed



Of interest to town and campus circles is the announcement made this morning by Mr. and Mrs. Verne E. Bush, who reveal the betrothal of their daughter, Beverly Irene, to Craig Olin Knotwell, son of Mr. and Mrs. Claude O. Knotwell of Enders.

The wedding will take place in June.

Miss Bush is a graduate of the University of Nebraska, where she is a member of Alpha Omicron Pi sorority, and now is a member of the Denver public faculty.

Mr. Knotwell will be graduated in June from Nebraska Wesleyan University, and is a member of Phi Kappa Tau fraternity.

Dear Abby

Can't Please Everyone

Abigail Van Buren

DEAR ABBY: You were wrong when you said "the customer is always right" in regard to the airconditioning in a restaurant. It is far easier to get customers than it is to get a good waitress. If the waitress wants it cooler, we make it cooler. And we serve hot coffee for the customers who need it.

IN BUSINESS 30 YEARS

☆ ☆ ☆

DEAR ABBY: Just read the complaint from CHILLED. I have been an air-conditioning engineer for years so can speak with some authority on the subject. In eating places where the hostess stands still, she is cold. The waitress who rushes around is hot. The customers are both cold and hot. The younger ones who get up and dance are hot. On ships, the woman with the baby says you are giving her baby neumonia. The man in the next stateroom says it is so stifling he is getting seasick.

Nuts to everybody!

WALT, THE SOURPUSS ENGINEER

☆ ☆ ☆

DEAR ABBY: One of my sons has been taking money from my purse since childhood. He is now 18 and is about to graduate from high school. We are still unable to leave money around without having it "disappear." He seldom admits to taking it, but there is no question about his guilt. We've tried reasoning with him, punishing him and even increasing his allowance. Nothing works. Can you suggest any other methods to break him of this habit?

ANXIOUS MOTHER

DEAR MOTHER: Psychiatrists tell us that many cause they feel cheated of love or affection. The money fills the real or imagined void. Your son appears to need professional help.

FUN NEWS IN SUBURBIA

PARK VALLEY HEIGHTS

America may be the land of milk and honey, but Suburbia seems to be more of a land of cream and coffee, bridge and pinochle, trips and visitors, fun and easy living.

And Park Valley Heights is evidently no exception to the pleasant "rule of the fun" of suburban living, for the neighborhood's social calendar seems to have been just "chock full" of fun things to do this week.

A coffee hostess this morning is Mrs. Robert Gould, who is entertaining several neighbors at her home while honoring another neighbor, Mrs. Robert White, on her birthday.

Those extending best wishes to Mrs. White are Mrs. Jack Herbert, Mrs. Jack Speck, Mrs. John Laux, Mrs. Cliff Morgan, Mrs. Roger Johnson, Mrs. Pearl White, Mrs. Jack Legler, Mrs. Arthur Herbert, Mrs. Kenneth Alles, Mrs. Glen Herbert, and Mrs. Curtiss Crear.

And Park Valley Heights residents who have been in the process of moving during this past week are Mr. and Mrs. Alvie Robinson who by now, we hope, are settled in their new home in Boulder, Colo.

Mr. and Mrs. Robinson, who have two sons, Douglas and David, and a daughter, Denise, formerly lived at 830 No. 58th St.

Before their departure, Mr. and Mrs. Robinson were honor guests last Friday evening when neighbors, Mr. and Mrs. Carroll Burns and Mr. and Mrs. Walter Davis, hosted them at dinner.

Neighborhood travelers leaving on Thursday this week were Mr. and Mrs. Dean G. Smith and their sons, Bret, Kurt, and Nile, who are now visiting relatives in Winthrop and Lamont, Iowa.

In Winthrop, the Smith family will be houseguests at the home of Mrs. Smith's parents, Mr. and Mrs. Earl Groesch, and in Lamont, the guests of Mr. Smith's parents, Mr. and Mrs. Elmer Smith.

A Park Valley Heights resident returning to Lincoln this week, after a short visit in Grand Island, was Mrs. Sherald S. Speck. Mrs. Speck had spent a few days in Grand Island with her parents, Mr. and Mrs. Jacob Kehm.

Another Lincoln resident, Mrs. Charles Northup, made the trip with Mrs. Speck, and during the stay in Grand Island she visited relatives there also.

A hostess for an evening of pinochle recently was Mrs. Donald W. Owen who entertained neighborhood members of a Park Valley twice-monthly pinochle group.

Guests were Mrs. Larry Thorn, Mrs. Roger Burling, Mrs. Robert Engler, Mrs. Tom Morey, Mrs. John Dell, Mrs. Wayne Maacky, and Mrs. Paul Orem.

BETHANY PARK HEIGHTS

And the newest news from Bethany Park Heights this week is of the newest resident in that neighborhood, Master Steven Wayne Smith, the brand new son of Mr. and Mrs. James C. Smith.

Steven, who was born on April 13, arrived home last week to be greeted by his brothers, Jimmie and David, and his maternal grandmother, Mrs. Frieda Dankenbring.

Mrs. Dankenbring, who is a Hebron resident, was in Lincoln for several days after her daughter and new grandson arrived home, and is scheduled to arrive again on Sunday to spend another few days here.

Presently visiting the new arrival and his parents and brothers are the paternal grandparents, Mr. and Mrs. Martin Germeroth, of Greeley, Colo. Mr. and Mrs. Germeroth arrived in Lincoln last Saturday, and will be returning to Greeley on Monday.

TALK

All Delta Delta Delta roads will point in the direction of Omaha tomorrow—Saturday is the sorority's State Day and all of the activity will be at the Happy Hollow Country Club.

And we have a secret. Naturally we can't tell it since it is planned as a State Day surprise. We can say, however, that all Nebraska Tri-Deltas will be jubilant, and for a good and tremendous reason.

But on to State Day, and the general Tri-Delta exodus from Lincoln—

Lincoln alumnae who plan to attend the meeting include Mrs. William Beckenhauer, Miss Grace Bennett, Mrs. Evan Benjamin, Miss Mary Chapin, Miss Mildred Chapin, Mrs. James Eastman, Miss Margaret Fedde, Mrs. O. J. Fee, Mrs. Richard Hamilton, Mrs. Earl Lampshire, Miss Mabel Lee, Mrs. Ralph McGoogan, Mrs. Donald Meyer, Mrs. I. E. O. Pace, Mrs. C. Petrus Peterson, Miss Elsie Pierson, Mrs. E. E. Refschauge, Mrs. W. A. Robertson, Mrs. James Sellers, Mrs. Lloyd True, **Mrs. Paul Hyland and Mrs. Howard Chapin III.**

Mrs. Earl Lampshire of Lincoln is the State Day president; Mrs. Donald Erickson of Omaha is the general chairman of the activities, with Mrs. Richard Hamilton of Lincoln serving as first vice-chairman. Mrs. Richard Ferguson of Omaha is the treasurer, and Mrs. Roger Krhounek, also of Omaha is the secretary.

The program which will be presented, and which was written by Mrs. Walter Key and Mrs. Ward Koons, will depict historic events of the past 75 years.

* * *

Things are happening in Lincoln this weekend, too—The Mr. and Mrs. Dance Club will dine and dance at Hotel Lincoln this evening—and the affair is to have a very definite French accent—a sidewalk cafe type of party.

Planning the dinner dance is a committee composed of Dr. and Mrs. Paul Kern, Mr. and Mrs. Robert Sikyta, Mr. and Mrs. William Spiechal and Mr. and Mrs. Robert Kollman.

* * *

And on Saturday night the members of the Safari Dancing Club will have "A Day at the Races—" planned by a committee composed of Mr. and Mrs. Floyd Bryan, Mr. and Mrs. Paul Adams, Mr. and Mrs. Don Carlson, Mr. and Mrs. Robert Gorham, Mr. and Mrs. Robert Irvin, Mr. and Mrs. Robert Kierstead, Mr. and Mrs. Robert Markel, Mr. and Mrs. Al Mulder, Mr. and Mrs. Lee Reentz, Mr. and Mrs. Ed Schwartzkopf and Mr. and Mrs. Mel Svoboda.

Guests at the party will include Mr. and Mrs. Earl Boeckner, Mr. and Mrs. Elbert Deshayes, Mr. and Mrs. John R. Norrie, Mr. and Mrs. Norris Frankforter, Mr. and Mrs. Richard Blomgren, Lt. Col. and Mrs. Eugene Shanahan, Mr. and Mrs. Vernon Revis and Mr. and Mrs. Earl Anderson.

* * *

For lo, these many days we have been wanting to mention guests—Mrs. Oliver Everett of Belmont, Calif., for instance, who is the house guest of Mrs. Stanley Zemer—

Then we learned that Mrs. L. L. Coryell, Jr., arrived from Evergreen, Colo., earlier this week to spend a few days as the house guest of Mr. and Mrs. M. G. Volz.

On Tuesday morning Mrs. Volz and Mrs. Blanchard Anderson were coffee hostesses at the home of Mrs. Volz, when they entertained a group of Mrs. Coryell's close friends—

On Wednesday Mrs. Coryell joined a bridge club for luncheon and bridge at the home of Mrs. Edward J. Walt.

Officer Is Guest

Arriving in Lincoln on Thursday to make an official visit with the collegiate members of Alpha Omicron Pi sorority at the University of Nebraska was Mrs. Mahlom R. Leichtamer of Toledo, Ohio, (at left), first vice president of the national sorority who will be honored at a tea Saturday afternoon at the chapter house.

Greeting their guest are (from the left) Miss Jean Brooks, chapter president, Miss Elaine Anderson and Miss Nancy White.

Madam Chairman

MORNING

Deborah Avery, DAR, executive board, 10 o'clock, Hotel Cornhusker.

NU Teachers College Women's Club, 1 o'clock coffee at the home of Mrs. Warren Ballard, 2452 Colonial Dr.

Cornhusker Republican Women's Club, 9:30 o'clock, First Federal Bldg.

AFTERNOON

Friendship Club, 1 o'clock luncheon at the home of Mrs Charles Burchess, 4633 Hill Dr.

EVENING

Lincoln Duplicate Bridge Club, 7:30 o'clock, Hotel Cornhusker.

Delta Upsilon Alliance, 8 o'clock bridge benefit, chapter house.

Betrothal Revealed

Of interest to town and campus circles is the announcement made this morning by Mr. and Mrs. Verne E. Bush, who reveal the betrothal of their daughter, Beverly Irene, to Craig Olin Knotwell, son of Mr. and Mrs. Claude O. Knotwell of Enders.

The wedding will take place in June.

Miss Bush is a graduate of the University of Nebraska, where she is a member of Alpha Omicron Pi sorority, and now is a member of the Denver public faculty.

Mr. Knotwell will be graduated in June from Nebraska Wesleyan University, and is a member of Phi Kappa Tau fraternity.

Dear Abby

Can't Please Everyone

Abigail Van Buren

DEAR ABBY: You were wrong when you said "the customer is always right" in regard to the airconditioning in a restaurant. It is far easier to get customers than it is to get a good waitress. If the waitress wants it cooler, we make it cooler. And we serve hot coffee for the customers who need it.

IN BUSINESS 30 YEARS

☆ ☆ ☆

DEAR ABBY: Just read the complaint from CHILLED. I have been an air-conditioning engineer for years so can speak with some authority on the subject. In eating places where the hostess stands still, she is cold. The waitress who rushes around is hot. The customers are both cold and hot. The younger ones who get up and dance are hot. On ships, the woman with the baby says you are giving her baby neumonia. The man in the next stateroom says it is so stifling he is getting seasick.

Nuts to everybody!

WALT, THE SOURPUSS ENGINEER

☆ ☆ ☆

DEAR ABBY: One of my sons has been taking money from my purse since childhood. He is now 18 and is about to graduate from high school. We are still unable to leave money around without having it "disappear." He seldom admits to taking it, but there is no question about his guilt. We've tried reasoning with him, punishing him and even increasing his allowance. Nothing works. Can you suggest any other methods to break him of this habit?

ANXIOUS MOTHER

DEAR MOTHER: Psychiatrists tell us that many cause they feel cheated of love or affection. The money fills the real or imagined void. Your son appears to need professional help.

A Wedding In May

The engagement of Miss Sharon Inez Harper, daughter of Mrs. B. J. Harper, and the late Mr. Harper, to Donald L. Bye, son of Mr. and Mrs. Orville A. Bye, is announced this morning by the bride-elect's mother.

The wedding is planned for Wednesday, May 29.

Shower Honoree

A prenuptial courtesy honoring April bride-elect Miss Karan Lee Kuster, was held last Tuesday evening when Miss Joyce Brown and Mrs. Forest B. Brown, Jr., entertained a group of guests at the home of Miss Brown's parents, Mr. and Mrs. Forest B. Brown.

Miss Kuster, who will become the bride of Richard Stephen Brown on Sunday, April 28, was presented a miscellaneous shower during the informal evening.

Plan Benefit

The Delta Upsilon Alliance will entertain Friday evening at a bridge benefit to be held at the fraternity house. The card playing will begin at 8 o'clock.

Bridge

Response To Take Out Double

B. Jay Becker

QUIZ

You are South, neither side vulnerable. The bidding has been:

West	North	East	South
1♠	Dble.	Pass	?

What would you now bid with each of the following five hands?

1. ♠ 84 ♥ KJ4 ♦ K73 ♣ KJ953
2. ♠ 7 ♥ Q652 ♦ KQ94 ♣ 9743
3. ♠ KJ63 ♥ Q2 ♦ AJ65 ♣ J54
4. ♠ 4 ♥ AQ86542 ♦ J863 ♣ 7
5. ♠ Q85 ♥ 9853 ♦ AJ6 ♣ AK4

1. Three clubs. A takeout double shows at least the values for an opening bid. Naturally, if you respond in minimum terms, you can have a poor hand with no points or a modearte one with 5 or 6 points. Thus, if we changed the three kings to three deuces, you would respond two clubs, and similarly, you would also bid two clubs with either one or two kings.

When you have real values, such as in this hand with 11 high-card points, the way to show them is by jumping the bidding. This tells partner that you are responding not just as a matter of duty, but because you have considerably more than he has a right to expect.

2. Two hearts. Here you have a moderately good hand, but are short of the values needed to justify a jump response. It is far better to respond in hearts than diamonds. A heart response will induce partner to bid again more often than a diamond response, since the possibility of a ten-trick game (in hearts) is less remote than an eleven-trick game (in diamonds.) If partner raises two hearts to three, you go on to four with the fullest conficence.

3. Two notrump. The weakness in hearts and clubs is no bar to jumping in notrump with this 12-point hand. Partner is almost sure to have strength in both suits. It would be wrong to respond in diamonds with a hand so suitable for notrump play.

4. Fourhearts. High-card points are naturally not the sole determining factor in evaluating a hand. Tricks are what really count in bridge, not points, and this hand — which is almost sure to win or six or seven tricks by itself — figures to make ten tricks in conjunction with North's double. It is hard to imagine four losers. Note that the response is four hearts, not three. This shows that the jump bid is based on trump length rather than high-card values.

5. Two spades. Obviously, there is a game when you have 14 points facing a takeout double, but where the game lies is at this point uncertain. Rather than jump to three notrump wich such a shaky spade stopper, or to three hearts with such a poor suit, it is better to cuebid spades to force partner to choose the spot. The final contract depends on his response to the cuebid.

Zonta Club

Mrs. Willis Hecht has been elected president of the Zonta Club of Lincoln at the recent dinner-meeting of the group. Other new officers are Mrs. William Grossman, vice president; Miss Eileen Motz, secretary; Mrs. Robert Sutter, treasurer; and Mrs. E. G Dittmer, member of the board.

If partner raises two hearts to three, you go on to four with the fullest conficence.

3. Two notrump. The weakness in hearts and clubs is no bar to jumping in notrump with this 12-point hand. Partner is almost sure to have strength in both suits. It would be wrong to respond in diamonds with a hand so suitable for notrump play.

4. Fourhearts. High-card points are naturally not the sole determining factor in evaluating a hand. Tricks are what really count in bridge, not points, and this hand — which is almost sure to win or six or seven tricks by itself — figures to make ten tricks in conjunction with North's double. It is hard to imagine four losers. Note that the response is four hearts, not three. This shows that the jump bid is based on trump length rather than high-card values.

5. Two spades. Obviously, there is a game when you have 14 points facing a takeout double, but where the game lies is at this point uncertain. Rather than jump to three notrump wich such a shaky spade stopper, or to three hearts with such a poor suit, it is better to cuebid spades to force partner to choose the spot. The final contract depends on his response to the cuebid.

Zonta Club

Mrs. Willis Hecht has been elected president of the Zonta Club of Lincoln at the recent dinner-meeting of the group. Other new officers are Mrs. William Grossman, vice president; Miss Eileen Motz, secretary; Mrs. Robert Suter, treasurer; and Mrs. E. G. Dittmer, member of the board.

Peterson: Financing Must Be 'Clean'

Former Gov. Val Peterson Thursday night said he would have to be "absolutely assured" that any outside capital for construction of the proposed centennial stadium is "100% clean" before he could endorse its use.

Peterson, contacted by telephone at Lexington, said he knows nothing about the estimated $22 million in available funds which Sen. F. O. Gottschalk of Columbus said could be used to build the structure.

"Very frankly, as far as I am personally concerned, I would not want to be a party to the use of any capital for the stadium unless I knew who was behind it," Peterson declared.

"I would have to be absolutely assured that it came only from those whose hands were absolutely clean."

Peterson stressed that he is "not suggesting that the money is not clean — but I would want to know."

Costs of the covered stadium — proposed by Peterson as a monument to Nebraska's centennial — have been estimated at between $6 million and $7 million by Behlen Mfg. Co., according to the former governor.

Additional expenses of land, roads, parking, landscaping and maintenance would amount to about $3 million, he said.

Racing Needed

"The question of operating the stadium is very important and difficult," Peterson pointed out. "To be financially successful, we would need a 30-day horse racing season in the middle of winter or something like dog racing."

The stadium would seat between 54,000 and 55,000 persons, Peterson said, be air conditioned and is designed to be "the world's largest building."

Peterson's proposal for financing the structure is based on the differential between the interest rate that would be paid on tax-free revenue bonds and that received on U.S. Government bonds over a 25-year period.

Under that plan, Peterson said, "federal taxpayers would actually pay for the Nebraska stadium."

Omaha Land Bank President Sees One Of Biggest Years

One of the biggest years in its 46-year history was predicted for the Federal Land Bank of Omaha by President Thomas A. Maxwell Jr., at a meeting Thursday of Federal Land Bank Association managers, fieldmen and appraisers from central and eastern Nebraska.

Maxwell said loan volume for the first 3 months of 1963 was 10% above last year. It amounted to $23.7 million to farmers and ranchers in Iowa, Nebraska, South Dakota and Wyoming. More than $6.5 million was loaned in Nebraska.

This indicates a continuing trend for farmers to use increasing amounts of capital to improve their farm units, change to more profitable operations, and increase efficiency," he said.

At the Thursday evening dinner, E. W. Janike, director of state agricultural extension services, told the managers that farmers are requiring more specialized information and more area specialists.

As a result, Janike said, western county offices are being combined into a district service coordinated through a corps of specialists.

Ralph Raikes, member of the district board of directors, urged managers to return to their districts and encourage farm boys to go to college.

Farmers today must be highly trained and as skilled as any other profession demands, he said.

Cause Found For Lincoln Power Loss

Columbus — Nebraska Public Power System officials have pinned down a major cause of the Sunday night power blackout of portions of Lincoln and other eastern Nebraska communities.

A small vacuum tube, about the size of a light bulb, burned out and shorted out a second tube. These tube failures allowed a power failure caused by grass fire damage to a power pole to extend to other lines serving the major portion of Lincoln.

Oliver Brand, NPPS operating manager, reported to officials on the failure and its cause. He added that the vacuum tubes which are now inspected monthly, will be examined each week from now on to prevent another such occurrence.

Bees Shipped

London (UPI) — A shipment of 1.2 million bees arrived in Britain from the United States to restock hives hit by last winter's severe weather.

Hearing Set On Bank Of Ulysses David City Move

State Banking Director Ralph Misko announced Thursday that May 10 has been set for the hearing date on an application by the Ulysses State Bank to move to David City.

The hearing will be held at 9:30 a.m. in the East Senate Lounge at the State Capitol.

The application was made by Lester E. Souba, owner of the Ulysses bank, who plans to rename his bank the David City Bank if the transfer is approved.

If the application is approved, David City will have two banks. It is now served by the First National Bank.

Approximately one year ago an application for a state chartered bank at David City was withdrawn. That request had been filed by John Tomek of David City.

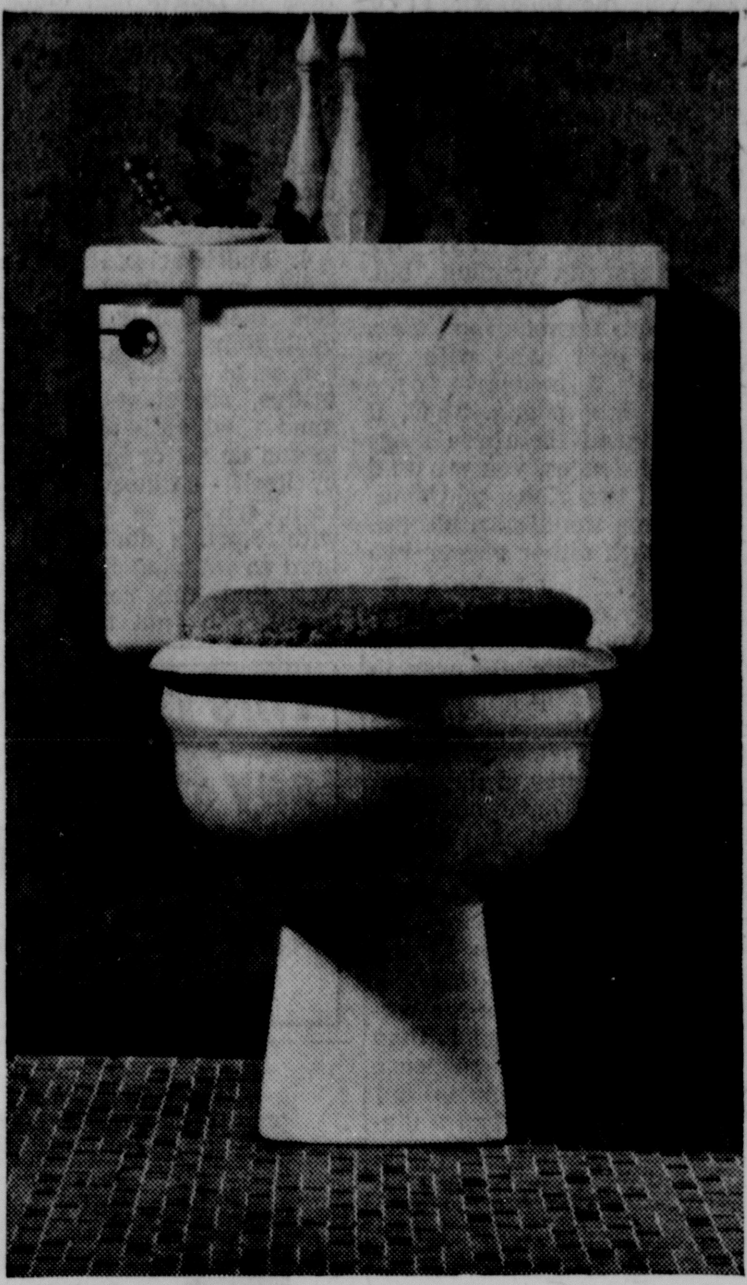
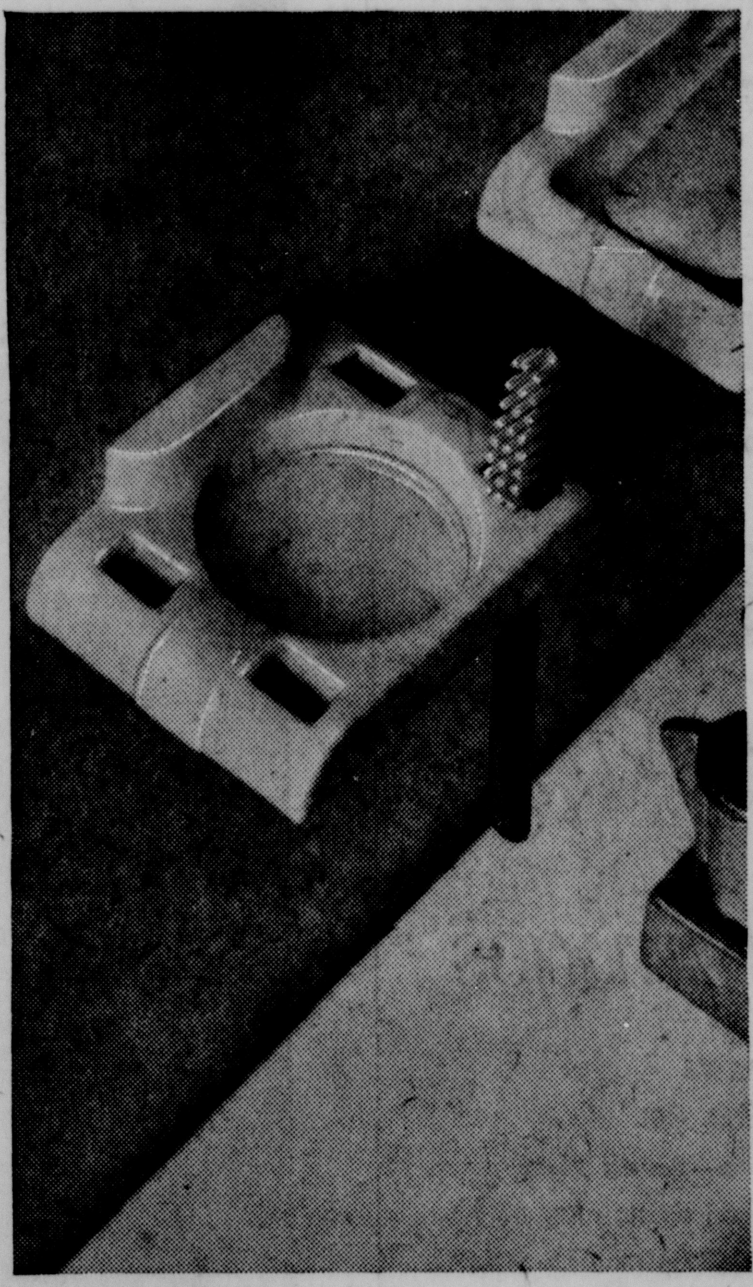
4 Miserable Cleaning Jobs
(where you should let Clorox® do the dirty work)

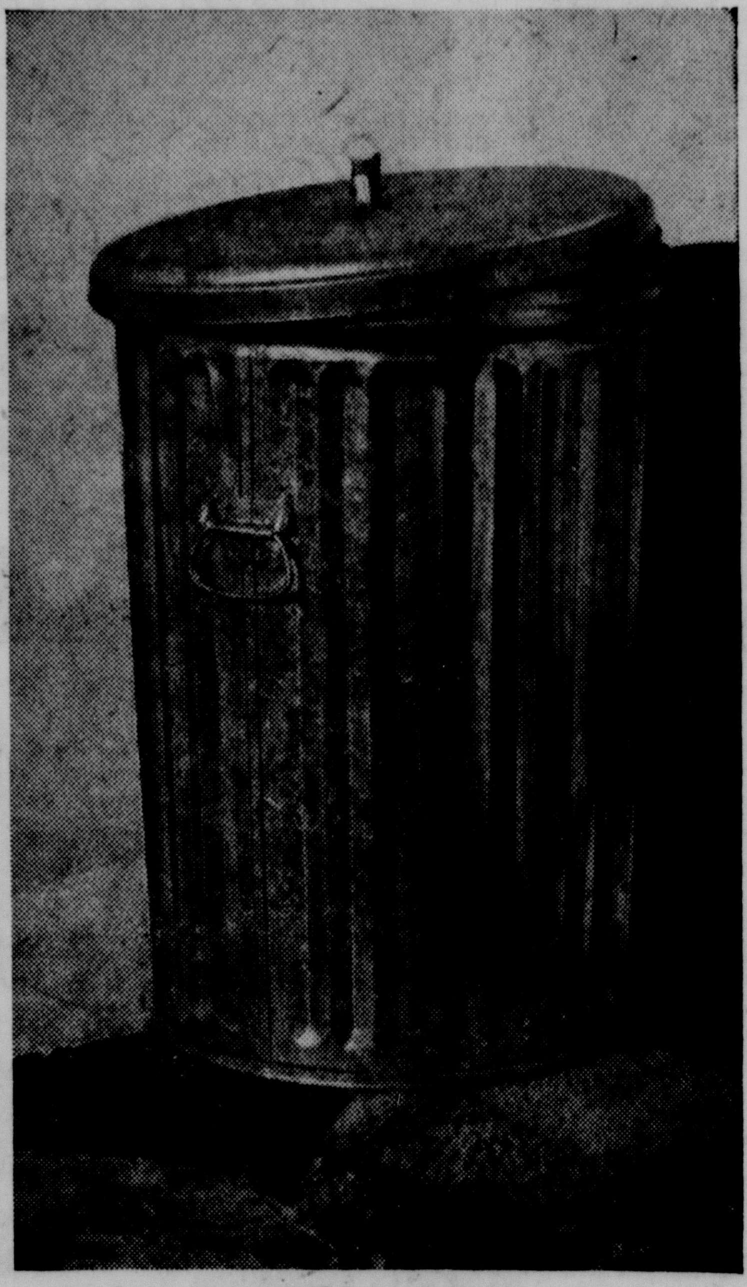


Don't touch that toilet bowl! No gloves, no trick mops, no grief. Just pour in a half-cup of Clorox bleach as directed on the label. Stubborn stains disappear, odors are gone, and remember . . . cleansers can't hold a candle to Clorox for germ-killing power!

Don't let kitchen floors floor you. Next time you have an extra-dirty floor, try this: Add a half-cup of Clorox to your scrub suds. Clorox makes stubborn stains a push-over. And Clorox is also the most effective household *disinfectant* you can use!



Awkward places made easy. Why fuss and try to force cleansers to penetrate into those pesky, tight places? Clorox, water and a vinyl sponge are all that's needed to bleach those nooks and crannies bright and beautiful.



Garbage cans, ugh! Forget about scraping and scrubbing! Just hose in water, add a cup of Clorox and swish! Two minutes with Clorox takes care of stains, smells and germs better than a mess of knuckle-busting labor.

Clorox bleach...also America's hardest-working house cleaner!

Arrest 2 In Death Of Hiker

. . . RELEASE 1

Gadsden, Ala. (AP)—Two men were taken into custody Thursday in connection with the slaying of a Maryland postman who was on an integration pilgrimage to Mississippi, but one was released Thursday.

The man who was released was identified as Gaddis Killian, 44. He was freed shortly after investigators abruptly stopped questioning the two men.

Investigating officers left for adjacent DeKalb County, apparently to check out a new lead.

Other Held

The other man still was being held in jail.

Earlier, Alabama Gov. George Wallace sent a telegram of sympathy to the slain man's widow and pledged every effort would be made to apprehend the killer.

Desegregator

Moore was on a one-man desegregation demonstration. He planned to hike from Chattanooga, Tenn., to Jackson, Miss., where he said he wanted to discuss racial segregation with Mississippi Gov. Ross Barnett.

The postman, described by his wife as a crusader for human rights, got less than 100 miles toward his destination when someone shot him with a rifle at close range.

His body was found sprawled on U.S. 11 near a roadside rest area about 30 miles northeast of Gadsden in northeast Alabama.

Offer Reward

His slaying was decried by President Kennedy and Alabama Gov. George C. Wallace who offered a $1,000 reward for the killer.

President Kennedy said at his news conference Wednesday that the killing was an outrageous crime. He expressed shock about what he called the assassination of citizens on public roads.

Moore, a native of Binghamton, N. Y., spent much of his early life in Mississippi.

He was carrying pro-integration signs. The blood-spattered signs were found near the body.

Two civil rights groups announced plans to take up the walk where Moore left off, calling it "a Moore memorial trek."

(United Press International reported two women in Collbran told newsmen their husbands had been taken into custody.

(The women identified the men as Floyd L. Simpson, 40, and Gaddis Killian, 44.)

Nancy Ray Declines Authority Nomination

Nancy Ray has declined the write-in nomination as a candidate for Airport Authority, the election commissioner's office said Thursday.

Mrs. Ray told The Star that "circumstances over which I had no control prompted my decision," but declined to elaborate. She was the leading write-in nominee.

The names of two other write-in nominees — Edward W. Lebsack and Thomas Hornbeck—will appear on the May 7 general ballot along with Charles J. Stuart, Fredrick A. Eiche and Robert Phillips, the incumbents who were nominated for re-election.

His slaying was decried by President Kennedy and Alabama Gov. George C. Wallace who offered a $1,000 reward for the killer.

President Kennedy said at his news conference Wednesday that the killing was an outrageous crime. He expressed shock about what he called the assassination of citizens on public roads.

Moore, a native of Binghamton, N. Y., spent much of his early life in Mississippi

He was carrying pro-integration signs. The blood-spattered signs were found near the body.

Two civil rights groups announced plans to take up the walk where Moore left off, calling it "a Moore memorial trek"

(United Press International reported two women in Collbran told newsmen their husbands had been taken into custody.

(The women identified the men as Floyd L. Simpson, 40, and Gaddis Killian, 44.)

Nancy Ray Declines Authority Nomination

Nancy Ray has declined the write-in nomination as a candidate for Airport Authority, the election commissioner's office said Thursday

Mrs. Ray told The Star that "circumstances over which I had no control prompted my decision," but declined to elaborate. She was the leading write-in nominee.

The names of two other write-in nominees — Edward W. Lebsack and Thomas Hornbeck—will appear on the May 7 general ballot along with Charles J. Stuart, Fredrick A. Eiche and Robert Phillips, the incumbents who were nominated for re-election.

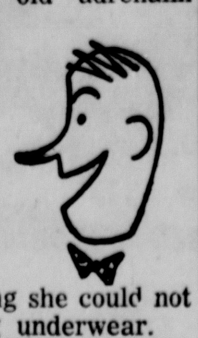
Stan Delaplane

The New York newspapers are back on the stands. For 114 days, the citizens of this hectic community had little to keep the old adrenalin pumping.



They did not know what was happening with Dick Tracy. Did not know what blonde bombshell was announcing she could not abide wearing underwear.

They did not know what books to read. What movies to see. What plays to ignore. They were ignorant. It was frightful.

☆ ☆ ☆

However, all's well that ends well. Everybody is back in business. We read that the corner saloon may be re-established in New York.

One of the present rules on drinking spots is that they cannot have the traditional swinging doors.

The swinging pair of doors was the recognition point of the old pre-Prohibition saloon.

It was a practical arrangement—you could fall in or out without fumbling for a door handle.

The major point, though, is people can read about it. Approve or abhor.

Couple of weeks ago, nobody would have known what to think about.

☆ ☆ ☆

We are still on the subject of "managed news." There is a good deal of indignation that President Kennedy's merry newsmen are managing the news in the papers—that is, news that has been polished up for window display.

This is an interesting idea. I wish Pierre Salinger would manage MY news for awhile. My news has been dull as an unpolished spoon lately. I would let somebody manage it if they would give it some gloss.

Salinger has been giving the critics an unpolished laugh.

He says the chances of managing news are like hitting the 9-spot on a Chinese lottery.

From reading the papers, it seems that what we mean by managed news is the Administration didn't issue enough press passes for the Cuban rhumba.

This is a pretty constant beef on the part of the Press—and should be.

If you don't scream and holler, you never get through the fire lines.

☆ ☆ ☆

News is mostly managed anyway. And when I was managing to get by on a pitiful paycheck, I managed only by managing the news around to more attractive forms.

At that time, I was exploiting the great tabloid New York News.

From faraway California, I fired them the vital statistics of the day. I soon found out that gentlemen may marry brunettes, but the News preferred blondes.

This sort of thing — (they call it "stringing" which means you are paid by the accepted article) — is done like this:

You wire the editor a brief summary:

"Blonde divorcee icepicked penthouse boyfriend fatally three hundred."

This meant you had 300 well-chosen words of juicy detail on why the blonde chopper had ventilated her everloving.

☆ ☆ ☆

This was managed because, in a great many frustrating cases, the ice pick wielder was brunette.

However, I was 3,000 miles away. And I figured if Helena Rubenstein could change brunette to gold, I could too.

By and by, I found that the 2,000,000 tabloid readers liked a little shading in their blondes. "Honey-blonde" stirred up the editors to put "Rush 300" on their answering wires.

One brunette read about herself as a honey-blonde. She was so pleased she went out and had a bleach job. It turned out fine.

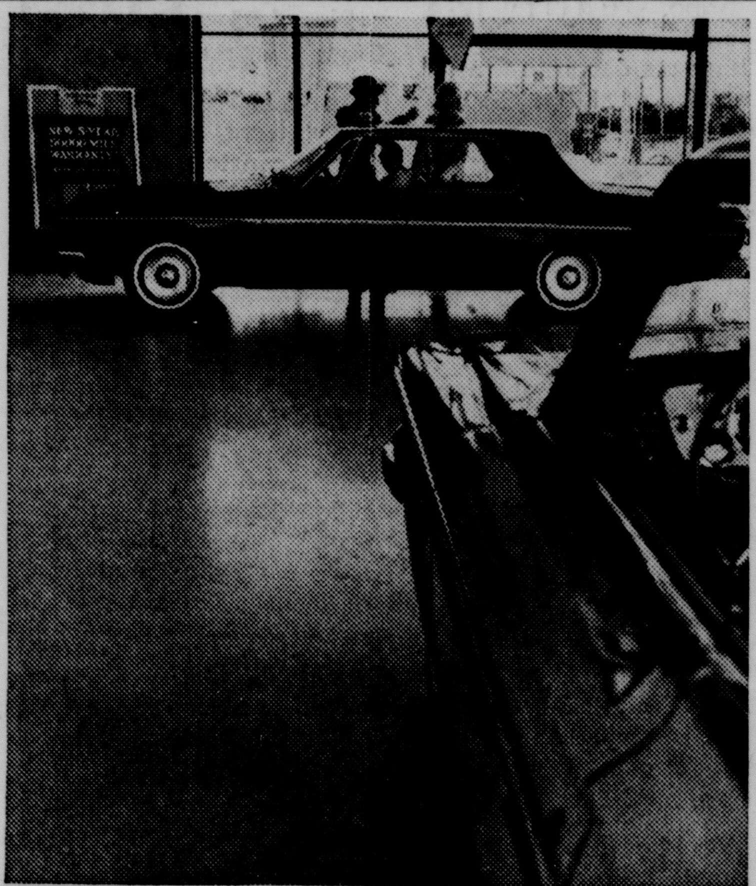
Performance champ...



for sale!

A man was talking to one of our salesmen. "I just wish for once," he said, "that the car companies would test standard cars that a person could walk into a showroom and buy!" The fact is, the exact model Plymouth that beat Chevrolet and Ford in 8 out of 10 tests at the Riverside Course in California—winning every acceleration test, the handling test, both passing-safety tests, and the gas economy test—is very much a standard, showroom Plymouth. Drop by your Plymouth Dealer's this week. He'll not only show you the "performance champ," but the 5-year/50,000-mile warranty* that goes with it. How about this Saturday?

At Plymouth's request, Nationwide Consumer Testing Institute purchased the test cars, direct from dealer showrooms—a 1963 Chevrolet Impala V-8, Ford Galaxie "500" V-8, and Plymouth Fury V-8—all comparably equipped. They conducted every test and computed all results. See your Plymouth Dealer for illustrated Official Results Booklet.

*Your Authorized Plymouth-Valiant Dealer's Warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair, without charge for required parts or labor, for 5 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts; transmission case and internal parts (excluding manual clutch); torque converter, drive shaft, universal joints (excluding dust covers), rear axle and differential, and rear wheel bearings, provided the vehicle has been serviced at reasonable intervals according to the Plymouth-Valiant Certified Car Care schedules.

Review Of Tax Exempt Real Estate Is Passed

A bill setting new procedures for determining the tax exempt status of real property in Nebraska won 42-0 approval on final reading in the State Legislature Thursday.

The measure, LB386, was introduced by Sen. Kenneth Bowen of Red Cloud and co-signed by Lloyd Stalder of Humboldt, Marvin E. Stromer of Lincoln and Terry Carpenter of Scottsbluff.

The bill authorizes the state tax commissioner to review and reverse any exemption decision made at the county level.

A tax exemption granted will be subject to renewal each 4 years although the owner of the exempt property must advise annually whether the use to which the exempted property is put has been changed during the year.

The bill was a recommendation of Dr. Harold McClelland, Californian who made a tax study in the state last year.

Also passed Thursday was LB473, increasing from $300 to $1,000 the maximum unsecured loan which a credit union may make, and otherwise revising credit union laws.

LB473 was introduced by Sens. Peter Claussen of Leigh, William Moulton of Omaha and Ross Rasmussen of Hooper.

The bill passed 34-6, with opposition votes cast by Bowen, Hal Bridenbaugh, H. L. Gerhart, Richard Marvel, Frank Nelson and Don Thompson.

Property Tax Exemption For Paraplegics, Amputees OK'd

Although only an estimated 35 Nebraskans would be affected, Nebraska legislators Thursday endorsed a constitutional amendment proposal granting property tax exemption on homes built under Veterans Administration supervision for the use of paraplegic war veterans or multiple amputees.

Specifically, the Legislature gave 33-0 first round approval to LB671, which would submit such a constitutional amendment to voters for approval or rejection next year.

The bill was introduced by Sens. Dale Payne of Papillion and Eric Rasmussen of Fairmont.

Sen. Payne said investigation has disclosed that the constitutional amendment is the only method by which the tax relief can be given to the veterans involved.

Other bills advanced from general file Thursday:

LB398—Closing a loophole in shoplifter laws by immunizing shop owners from slander or libel for detaining suspected shoplifters.

LB673—Increasing from $100 to $300 the maximum fine in cases over which magistrates have jurisdiction.

LB527—Increasing from $1,000 to $5,000 the permissible maximum amount of group insurance coverage for government employes.

LB594—Authorizing county governing boards to sponsor flood control works, watershed protection, flood prevention, soil and water conservation, irrigation, drainage or similar resource projects.

$2,000 Grant Is Received By NU Foundation

The U.S. Harkson Foundation of San Mateo, Calif., has granted $2,000 to the University of Nebraska Foundation to be used as scholarships for regularly enrolled students, according to Herb M. Potter, Jr. foundation secretary.

The grant, which will be renewed annually, will provide four $500 scholarships to sophomore, junior, senior or graduate students. Mr. Potter said selection of recipients will be on the basis of academic qualifications, moral character and promise shown in the major field. Preference will be given to students preparing to teach engineering or other sciences.

'Income Tax Bill's Chances Good'

State Sen. Jerome Warner of Waverly said Thursday he will support the state income tax bill with proper amendments and "I feel that it has an excellent chance of being passed at this time."

The income tax as proposed in LB612 will make it possible to keep more Nebraska money in Nebraska, he said in a statement.

"State income tax payments will be deductible when determining federal income tax," he explained. "Thus, a portion of money that Nebraskans have been paying to the federal government will be paid to state government to help Nebraska.

"As the individual's taxable income increases the amount of money retained in Nebraska increases at a more rapid rate because of his being in a higher income tax bracket.

"Whatever else is said about this matter of taxation, we must all remember one essential fact. This is that the state cannot permanently endure a system of taxation which consistently requires one segment of the population to pay an inequitable share of the tax load.

"As long as such a system is in effect it hinders initiative, retards economic progress, and sharply divides one segment of our population from the other. This is neither good for Nebraska nor for Nebraskans.

"What will be good for all of us will be a system of taxation which spreads a fair tax load equitably among citizens, according to their ability to pay. This is the way free men have always financed governments which have endured."

Bill Prompted By NFO Action Hits Snag

A bill prompted by last year's livestock withholding action by the National Farmer Organization (NFO) hit a snag when it showed up for final passage in the State Legislature Thursday.

Sen. Harold Stryker of Rising City received 23-17 permission to have the bill returned to select file for a specific amendment deleting from the bill a provision for injunctive relief.

The measure, LB452, would extend Nebraska's picketing laws to cover any lawful occupation, self employment or business carried on in the state, and would require that picketing signs show the name of the protesting organization.

Sen. Stryker, a co-signer of the bill, said he had never intended that the bill include the portion which permits injunctive relief as well as assessing penalties for violations.

Several dozen NFO members were spectators to the proceedings.

Stryker first sought unanimous consent to return the bill to select file for the specific amendment. But Sen. T. C. Reeves of Central City, chief introducer of LB452, objected on grounds the question of dropping the injunctive provision had been duly considered when the bill was on general file.

Stryker then moved to return the bill and received one more than the 22 approving votes needed.

Further consideration of the bill was laid over until Friday.

Review Of Tax Exempt Real Estate Is Passed

A bill setting new procedures for determining the tax exempt status of real property in Nebraska won 42-0 approval on final reading in the State Legislature Thursday.

The measure, LB386, was introduced by Sen. Kenneth Bowen of Red Cloud and co-signed by Lloyd Stalder of Humboldt, Marvin E. Stromer of Lincoln and Terry Carpenter of Scottsbluff.

The bill authorizes the state tax commissioner to review and reverse any exemption decision made at the county level

A tax exemption granted will be subject to renewal each 4 years although the owner of the exempt property must advise annually whether the use to which the exempted property is put has been changed during the year.

The bill was a recommendation of Dr. Harold McClelland, Californian who made a tax study in the state last year.

Also passed Thursday was LB473, increasing from $300 to $1,000 the maximum unsecured loan which a credit union may make, and otherwise revising credit union laws.

LB473 was introduced by Sens. Peter Claussen of Leigh, William Moulton of Omaha and Ross Rasmussen of Hooper.

The bill passed 34-6, with opposition votes cast by Bowen, Hal Bridenbaugh, H. L. Gerhart, Richard Marvel, Frank Nelson and Don Thompson.

Bill Prompted By NFO Action Hits Snag

A bill prompted by last year's livestock withholding action by the National Farmer Organization (NFO) hit a snag when it showed up for final passage in the State Legislature Thursday.

Sen. Harold Stryker of Rising City received 23-17 permission to have the bill returned to select file for a specific amendment deleting from the bill a provision for injunctive relief.

The measure, LB452, would extend Nebraska's picketing laws to cover any lawful occupation, self employment or business carried on in the state, and would require that picketing signs show the name of the protesting organization.

Sen. Stryker, a co-signer of the bill, said he had never intended that the bill include the portion which permits injunctive relief as well as assessing penalties for violations.

Several dozen NFO members were spectators to the proceedings.

Stryker first sought unanimous consent to return the bill to select file for the specific amendment. But Sen. T. C Reeves of Central City, chief introducer of LB452, objected on grounds the question of dropping the injunctive provision had been duly considered when the bill was on general file.

Stryker then moved to return the bill and received one more than the 22 approving votes needed.

Further consideration of the bill was laid over until Friday.

Property Tax Exemption For Paraplegics, Amputees OK'd

Although only an estimated 35 Nebraskans would be affected, Nebraska legislators Thursday endorsed a constitutional amendment proposal granting property tax exemption on homes built under Veterans Administration supervision for the use of paraplegic war veterans or multiple amputees

Specifically, the Legislature gave 33-0 first round approval to LB671, which would submit such a constitutional amendment to voters for approval or rejection next year.

The bill was introduced by Sens. Dale Payne of Papillion and Eric Rasmussen of Fairmont

Sen Payne said investigation has disclosed that the constitutional amendment is the only method by which the tax relief can be given to the veterans involved.

Other bills advanced from general file Thursday

LB398—Closing a loophole in shoplifter laws by immunizing shop owners from slander or libel for detaining suspected shoplifters

LB673 Increasing from $100 to $300 the maximum fine in cases over which magistrates have jurisdiction

LB527—Increasing from $1,000 to $5,000 the permissible maximum amount of group insurance coverage for government employes

LB531—Authorizing county governing boards to sponsor flood control works, watershed protection, flood prevention, soil and water conservation, irrigation, drainage or similar resource projects.

$2,000 Grant Is Received By NU Foundation

The U.S. Harkson Foundation of San Mateo, Calif , has granted $2,000 to the University of Nebraska Foundation to be used as scholarships for regularly enrolled students, according to Herb M. Potter, Jr foundation secretary

The grant, which will be renewed annually, will provide four $500 scholarships to sophomore, junior, senior or graduate students. Mr. Potter said selection of recipients will be on the basis of academic qualifications, moral character and promise shown in the major field Preference will be given to students preparing to teach engineering or other sciences.

'Income Tax Bill's Chances Good'

State Sen. Jerome Warner of Waverly said Thursday he will support the state income tax bill with proper amendments and "I feel that it has an excellent chance of being passed at this time"

The income tax as proposed in LB612 will make it possible to keep more Nebraska money in Nebraska, he said in a statement.

"State income tax payments will be deductible when determining federal income tax," he explained. "Thus, a portion of money that Nebraskans have been paying to the federal government will be paid to state government to help Nebraska.

"As the individual's taxable income increases the amount of money retained in Nebraska increases at a more rapid rate because of his being in a higher income tax bracket

"Whatever else is said about this matter of taxation, we must all remember one essential fact This is that the state cannot permanently endure a system of taxation which consistently requires one segment of the population to pay an inequitable share of the tax load.

"As long as such a system is in effect it hinders initiative, retards economic progress, and sharply divides one segment of our population from the other. This is neither good for Nebraska nor for Nebraskans

"What will be good for all of us will be a system of taxation which spreads a fair tax load equitably among citizens, according to their ability to pay This is the way free men have always financed governments which have endured."

Here is a practical little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6 add three. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers left to right. Then read the message the letters under the checked figures gives you. "Do you have an appointment?"

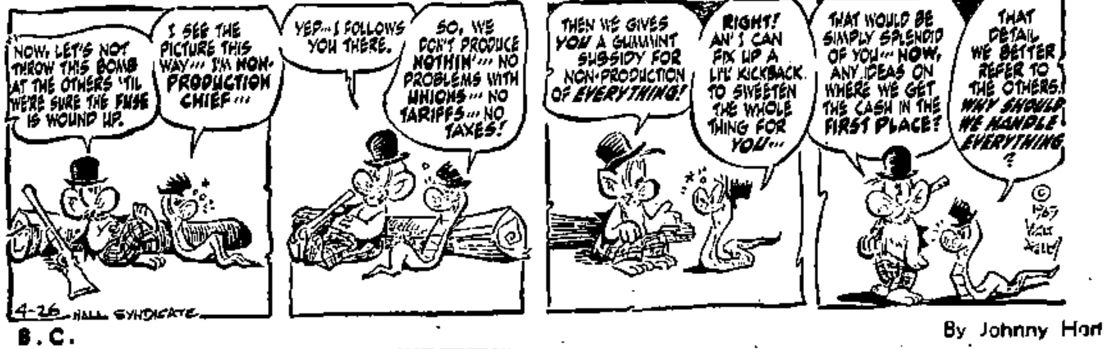
POGO

By Walt Kelly



NOW, LET'S NOT THROW THIS BOMB AT THE OTHERS 'TIL WE'RE SURE THE FUSE IS WOUND UP.
I SEE THE PICTURE THIS WAY... I'M NON-PRODUCTION CHIEF...
YEP... I FOLLOWS YOU THERE.
SO, WE DON'T PRODUCE NOTHIN'... NO PROBLEMS WITH UNIONS... NO TARIFFS... NO TAXES!
THEN WE GIVES YOU A GUMMINT SUBSIDY FOR NON-PRODUCTION OF EVERYTHING!
RIGHT! AN' I CAN FIX UP A LI'L KICKBACK TO SWEETEN THE WHOLE THING FOR YOU...
THAT WOULD BE SIMPLY SPLENDID OF YOU... NOW, ANY IDEAS ON WHERE WE GET THE CASH IN THE FIRST PLACE?
THAT DETAIL WE BETTER REFER TO THE OTHERS! WHY SHOULD WE HANDLE EVERYTHING?

Of the two main groups of shells; the univalves (single shelled) far outnumber the bivalves (two shelled).

DAILY CRYPTOQUOTE

Here's How To Work It

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another, in this example, A is used for the three L's, X for the two O's etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

Here is a practical little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6 add three. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers left to right. Then read the message the letters under the checked figures gives you. The Coincidence

Here I go again, my old skeptical self — but how about that barroom fight between Dick The Bruiser and Alex Karras?

Since I'm less than confident about my ability as a combatant, I hesitate to question The Bruiser's integrity. After all, he may return to headline a Pershing Auditorium donnybrook one of these Tuesday nights.

So let's just say that I am amazed at the coincidence of the meeting in Detroit.

Karras, of course, is the Detroit Lion tackle who kicked away at least a year's salary — as well as nation-wide respect — by some indiscreet, though apparently not dishonest, gambling and associations with the gaming mob.

Given the heave-ho by NFL commissioner Pete Rozelle, Karras decided to go straight and a Detroit grapple promoter — who, by the way, professed to believe that nobody can be all bad — offered him $40,000 and a chance for "rehabilitation" as a rassler.

The Bruiser, as Pershing habituates know, is one of the top workers on the grunt and groan circuit, always the bad guy with a reputation as a monster meanie.

It was a natural, the Detroit promoter reckoned. Karras, maligned as a gridder by a heartless commissioner, should make his rassle debut against the No. 1 exponent of foul play. And what better place than Detroit where Karras was a hero — tarnished perhaps, but no doubt unfairly.

What happened next was a matchmaker's dream. And while all hands insisted it was no publicity stunt, nary a principal on the grapple card could deny that the gate might be helped just a bit.

Alas, Fate

By a quirk of fate, Dick The Bruiser, silently walking the streets of Detroit — nagged, perhaps, by a guilt complex fostered because of his inhuman treatment of humans—yielded to temptation and strode into a suds parlor.

"I want that fat, four-eyed bartender to serve me," The Bruiser said, apparently without a smile or adding, "please."

And would you believe it? The "fat, four-eyed bartender" was none other than Alex Karras, his Saturday night opponent. Of all the juice dispensaries in Detroit, The Bruiser had selected the one co-owned by Karras to soothe his tortured soul.

After the formalities were concluded, Bruiser had a 5-stitch cut and a Detroit cop had a fractured hand — so maybe Dick really didn't know where Alex tended bar.

Silver Lining

There's a silver lining, though. A kindly judge postponed Bruiser's trial — the poor cop pressed charges — until Monday so Dick wouldn't have any pre-match distractions.

Just think, if The Bruiser had somehow been guided by fate to an obscure bar, he would be in top shape for his meeting with Karras. As it is, he'll have to guard against an eye-gouge to prevent stitch-popping.

But chances are he'll have enough money to pay his fine — if the kindly judge doesn't throw the book at him. Who knows? Maybe his honor has a 50-cent bet (yikes!) with a golfing buddy on Karras.

Doggone, all this pre-match fisticuffs has me chomping at the bit. I'll bet (oops!) it would be fun to see the Alex Karras-Dick The Bruiser rematch tomorrow night — especially since I missed the first one.

NU Seeking .500 Level On Diamond

By HAL BROWN
Star Spor tsWriter

Nebraska will be seeking the .500 level both for the season and in the Big 8 when Iowa State invades the NU diamond today and Saturday for a 3-game series.

The Huskers need a sweep of all 3 games to reach the .500 level and coach Tony Sharpe is expected to send Jan Wall (2-1) and Ron Havekost (1-2) to the mound in today's doubleheader.

Today's twin bill starts at 1 p.m. and the two teams play a single game at the same time Saturday.

A 3-game sweep for the Huskers could move them as high as a tie for 3rd place if Colorado loses 3 to league-leading Oklahoma and 4th place Kansas drops two of 3 to Oklahoma State.

The Cowboys are tied with Nebraska for 5th. In the other Big 8 series this weekend Missouri (8-1), battling Oklahoma for the top spot, faces Kansas State (1-8).

The Huskers—3-6 in the Big 8 and 6-9 overall—have only 3 regulars hitting over .300 and have had trouble getting base hits with men on base.

Iowa State won its first Big 8 game last weekend and is tied with Kansas State for 7th place with a 1-8 mark.

The Huskers are likely to face one of Nebraska's top prep hurlers, now pitching for the Cyclones.

Al Closter, baseball and basketball star at Creighton St. Ludgers, has been tabbed for mound duty in one of the 3 games by Cyclone coach Cap Timm. DeLon Thompson and Dick Armstrong are the other likely Iowa State hurlers in the weekend series.

Iowa State's attack has been led by catcher Dave Hoyt, hitting at a hefty .593 clip. Marv Straw (.314) and Mike Marienau (.326) are the other Cyclones hitting better than .300.

Big 8 Standings

	W	L	Pct.	GB
Oklahoma	9	0	1.000	...
Missouri	8	1	.889	1
Colorado	6	3	.667	3
Kansas	5	4	.556	4
NEBRASKA	3	6	.333	6
Oklahoma State	3	6	.333	6
Iowa State	1	8	.111	8
Kansas State	1	8	.111	8

Morris Corrals $145.60 Double

Grand Island—Jockey Boyd Morris had another successful afternoon at Fonner Park Thursday, riding the winner on both ends of a healthy $145.60 daily double.

Royal Lynn won the first race and Kid's Kin the second, each topping the $10 mark for a win ticket.

Ronnie Houghton also piloted a pair of winners with his mount in the 8th race, Borneo, bringing the top win payoff of the day, $20.80.

Patton Wins Easily

Pinehurst, N.C. (AP)—Defending champion Billy Joe Patton took the short route home Thursday, shooting one under par golf to trim Cobby Ware of Augusta, Ga., 5 and 3 and lead Ray Terry, Bob Allen and John Guenther into the semifinals of the North and South Amateur Golf Tournament.

Illinois Decides Against Increasing Race Taxes

Springfield, Ill. (AP)—The Illinois House Thursday buried a bill which sought to increase taxes on winning race track bets by 2½ per cent.

Rep. Abner Mikva, D-Chicago, sponsor of the bill, said it would raise $10 million a year for the state's general revenue fund.

# AMAZIN' METS WIN ANOTHER

GOTHAM BOWL TURNED DOWN

Miami, Fla. (AP)—The National Collegiate Athletic Association approved 13 post-season football games but rejected the Gotham Bowl in New York Thursday.

In addition, the NCAA approved 5 college all-star football and 3 basketball post-season games in the 1963-64 season.

The Gotham Bowl game was played twice but never was a success financially and its application for a 3rd try was turned down.

In last year's Gotham Bowl, Nebraska scored a 36-34 victory over Miami, Fla.

Giants Regain Share Of First

. . . BALTIMORE LEADS IN AL

By Associated Press

Casey Stengel's Amazin' Mets, currently the hottest team in baseball, won another Thursday and the San Francisco Giants regained a share of first place in the National League.

The New York National League team, an object of derision throughout the 1962 season when it lost 120 games, scored its 6th victory in 7 outings with a 3-2 triumph over the Cubs in Chicago.

The Giants, meanwhile, beat St. Louis 8-4 in San Francisco and tied the Cards for a share of the league's top spot, each with 10-6 records.

The Los Angeles Angels had 4 home runs, two by Leon Wagner, in a 7-5 victory over the Tigers in Detroit in the only other day game scheduled.

In American League night games, Baltimore beat Kansas City 3-2 on Jim Gentile's homer in the 10th inning and took over first place, and Minnesota shut out Washington 3-0 behind Jack Kralick's 3-hitter. In the National League, Houston defeated Milwaukee 7-5.

John Roseboro, Willie Davis and Ron Fairly hit homers, Bob Miller pitched a 5-hitter and Maury Wills returned to the base-stealing business as the Los Angeles Dodgers defeated Cincinnati 7-1 Thursday night.

It was the Dodgers' 3rd straight victory and the 5th in their last 6 games.

Frank Thomas drove in all the Mets runs on a first inning single and a two-run homer in the 6th off loser Dick Ellsworth. The Cubs scored single runs in the 5th and 7th off Roger Craig who went the distance for his first victory. He gave up 7 hits and had two balks called on him.

The Mets now have a 6-9 record for a .400 percentage the highest in their history.

Ed Bailey drove in 3 runs with a single and a homer and Orlando Cepeda also homered to power the Giants into a share of first place. Curt Flood hit a homer for the losers. Bob Bolin got the victory in relief, but had to have help from 3 others as the Cards rallied for two in the 9th.

The Angels jumped on Hank Aguirre for 6 runs in the first 4 innings and handed the Detroit lefty his first loss after 3 complete game victories. Wagner, Bob Rodgers and Ken Hunt had homers off Aguirre and Wagner added another off relief man Dick Egan.

Steve Barber went the distance for the Orioles and got the runs he needed on Al Smith's two-run homer in the 4th inning and Gentile's game-winner with two out in the 10th. Barber allowed only 4 hits while bringing his record to 4-1 for the season and 10-0 lifetime against the Athletics.

Kralick's victory was his first against 3 losses and enabled the Twins to win two in a row for the first time. Kralick also started Minnesota off in the scoring column, tripling in the 3rd inning and scoring on Lenny Green's single. Rich Rollins' homer in the 4th and doubles by Vic Power and Bob Allison in the 5th wrapped up the scoring.

The Colts snapped a 2-2 tie with a 5-run 7th inning. Triples by Ernie Fazio and Rusty Staub and a double by Bob Lillis were the big blows in the uprising. Bob Aspromonte hit a homer for Houston while Joe Torre connected for the Braves.

54th Drake Relays Open Today

. . . STANFORD EXPECTED TO CHALLENGE TEXAS SOUTHERN

Des Moines (AP) — Texas Southern has dominated the Drake Relays for the past two years but Stanford will offer a strong challenge for team honors in the track and field meet here Friday and Saturday.

The fleet Texas Southern runners won 4 races and set two records a year ago. They are favored in at least 4 relays this year.

Stanford Coach Payton Jordan also has his sights set on several Drake titles, and the Indians already have marks better than records in 3 Drake events.

Harry McCalla, who has run an open mile in 4 minutes 1.5 seconds this year, heads Stanford's 4-mile and university distance medley relay teams.

Jordan says his 4-mile team of McCalla, Bob Miltz, Harlan Andrews, and Bill Pratt should be able to run the distance in 16 minutes 30 seconds, which would cut 20 seconds off the Drake standard.

In the distance medley, McCalla and Miltz teamed with Bob Schlicke and Rich Chesarek earlier in the year in fashioning a clocking of 9:48.2 which is more than two seconds under the Drake record.

Stanford also is a leading contender in the mile and two-mile relays, and the Indians' Dave Weill is expected to erase the Drake discus mark.

Weill has tossed the discus 194 feet 6 inches this spring, bettering his own national mark. The Drake record is 185-7½.

In addition to Weill, other individual standouts in the meet include Dyrol Burleson, former Oregon runner who will be aiming at a 4-minute mile; pole vaulters Gerald Pratt of Texas Southern and defending champion Fred Hansen of Rice, both of whom have vaulted more than 16 feet; Ed Red of Rice, defending champion in the javelin: Bill Miller of McMurry, the 1962 broad jump champion, and half a dozen top sprinters headed by Roger Sayers of Omaha, favorite in the 100-yard dash.

Nebraska will enter 7 relay teams and 10 individual events and Doane College is entering 4 relays and 3 individual events.

The Huskers will enter relay teams in the 440, 880, mile, two-mile, 4-mile, distance medley and sprint medley events.

NU individual entries:

100-yd. dash—Ray Knaub, Kent McCloughan, Steve Pfister.
120-yd. high hurdles—Fred Wilke.
Two-mile run—Larry Toothaker.
Discus—Roland Johnson.
Shot put—Johnson.
Pole vault—Juris Jesifers.
High jump—Harry Krebs, Jack Cramer.
Broad jump—Victor Brooks.
Mile run—Mike Fleming.
Hop, step and jump— Brooks.

Doane will enter Jerome Byers, Dennis Darnell, Wally Hood and Clint Skinner in both the 440 and 880 relays. Dennis Dondlinger, Ted Ross, Peter Sura, and Dean White will team up in the two-mile relay and Sura, Dondlinger, Bruce Maschmann and Ron Howard will go in the mile relay.

Doane individual entries find Hood in the 440, Jeff Mills and Darnell in the 120-yard high hurdles.

Lincoln High Reserves Take City Golf Honors

Dennis Bradshaw fired a 38 on the front 9 of Pioneers course Thursday to pace Lincoln High to victory in an intracity reserves golf match.

The Links totalled 125 strokes. Southeast was second with 135 and Northeast claimed 142.

The results:

Lincoln High—Dennis Bradshaw, 38; Al Bettin, 42; Sam Beechner, 45.
Southeast—Doug Fenton, 43; Walt Radcliffe, 44; Dale Brockmeier, 48.
Northeast—Tim Gillispie, 43; Allen Culver, 49; Dave Segoviano, 50.

GI Thinclads Win Kearney Invitational

. . . LOUP CITY CAPTURES CLASS B CROWN

By CONDE SARGENT
Prep Sports Writer

Kearney — Nobody would ever believe Terry Medjo, an unknown sophomore pole vaulter, could win a major track meet for Grand Island.

He did just that Thursday at the 53rd annual Kearney State Invitational as his upper-12-foot vault — his first at that height — earned GI the necessary points to defeat North Platte for the Class A title, 126½-116.

Class B was just as much of a dog-fight with Loup City nipping defending champion Gothenburg, 100⅓-94⅓.

Grand Island was just 6 points up on North Platte with only the vault points missing. But Medjo beat out Wachholtz to hand GI its 3rd straight major invitational triumph.

Summaries, Page 22

The 1962 station champions took top honors at Columbus and Hastings earlier.

Grand Island's speed, a noteworthy strength in comparison with the unexpected vault power, shone as bright as a silver dollar under Thursday's sunny skies.

The 880-yard relay team, anchored by sprint star Tom Millsap who won the sprints, raced to a 1:30.7 victory, the best time in the state and one of two all-class records set Thursday.

North Platte's 8:37.6 in the two-mile relay was the other.

Non-record performances by Millsap and teammate Bob Brouhard were more outstanding than the other 8 records in the two classes.

Millsap hit :10.0 in the 100 and zipped to :22.3—his best this spring—in the century.

Brouhard powered through the 440-yard dash in :49.4, the first man to beat :50.0 this spring. The blond junior also anchored GI's mile relay to another blue ribbon in 3:32.3 —also best in the state.

North Platte's power lay in the hurdles with Jack Edwards and Pete Tatman winning and in the field where soph Dale Chase set a Class A record of 6-0¼ in the high jump and Bob Thomas won the shot.

Edwards skimmed the lows in a record :20.4. The other Class A record was a 4:37.9 mile by Kearney's Lanny Henrickson.

Kearney finished a close 3rd in the team scoring. Lincoln Pius X' Jim Sullivan was the only winner outside the big 3, taking the half-mile in a rather slow 2:03.2.

Loup City entered the record books 3 times en route to its class B triumph—148-9 discus by Don Wilson 6-0¼ record-tying high jump by Larry Kaslon and a 1:32.2 half-mile relay which stood as an invitational mark until the GI foursome unloaded.

Imperial lodged an 8:41.0 in the two-mile relay while Gothenburg's Ron Fecht vaulted 12-6¼ for the final B record.

Fecht's height earned him honors towards a gold medal, the best performance for all 4 classes. Kearney's Jim Hardekopf and Medjo each went 12-5½ in Class A with the former winning on fewer misses.

Class C and D schools hit the Kearney State campus Saturday for their portion of the meet.

Millsap was the only Class A double winner. Stan Packer, Loup City junior in the 220 and 440 and Gothenburg's Larry Aden (hurdles) were Class B two-time champs.

Special Events

Pentathlon Thursday leaders—1, Keith Staehr, York, 4,628 points; 2, Ron Fecht, Gothenburg, 4,209; 3, Doug Anderson, Superior, 4,092; 4, Marv Mueller, Columbus, 3,980; 5, Mike McNair, Imperial 3,737; 6, Lawyer Waller, West Kearney, 1,717 (Skipped two events. Class C and D performers go Saturday).

Hop-Step-Jump—(Thursday leaders; 1, Ron Fecht, Gothenburg, 38-10½; 2, Larry Hickman, Grand Island 38-9; 3, Bill Doanne, Columbus 38-7½; 4, Doug Johnson, Kearney, 37-0; 5, Stan Martin, Kearney, 36-9½; 6, Doug Hollinger, Holdrege, 36-7½ (Class C and D jumpers go Saturday)

First Approval For Fee Hikes

A bill proposing increases in hunting and fishing permits fees with all of the additional money going for acquisition, development and capital improvement of public hunting and fishing areas and projects won 23-15 preliminary approval in the Legislature Thursday.

Under the bill, LB511, which had Sen. Fern Orme of Lincoln as chief sponsor, the resident hunting permit would be hiked from $2.50 to $3.50; the fishing license from $2 to $3; and the combination from $4 to $6.

Before the measure was advanced it survived a kill motion from Sen. William Skarda of Omaha who said "it's high time that we stop this man Steen." His reference was to Nebraska Game Commission director M. O. Steen who gave the bill strong support when it was heard by the Agriculture Committee.

9-Game Football Slate for NWU

Coach Ray Westover's Nebraska Wesleyan football team will have a 9-game schedule next fall.

Wesleyan will open Sept. 14 at home against Midland.

New to the Wesleyan slate is Graceland College of Lamoni, Ia., which will visit Lincoln Oct. 25 for the Homecoming contest.

The schedule:

Sept.—21, Colorado College; 28, at Doane.
Oct.—4, Northwest Missouri; 11, Northern; 19, at Wayne.
Nov.—2, at Dana; 8, Hastings.

Friday, Saturday, Sunday, Monday
April 26, 27, 28, 29

AMAZIN' METS WIN ANOTHER

Giants Regain Share Of First

. . . BALTIMORE LEADS IN AL

By Associated Press

Casey Stengel's Amazin' Mets, currently the hottest team in baseball, won another Thursday and the San Francisco Giants regained a share of first place in the National League.

The New York National League team, an object of derision throughout the 1962 season when it lost 120 games, scored its 6th victory in 7 outings with a 3-2 triumph over the Cubs in Chicago.

The Giants, meanwhile, beat St. Louis 8-4 in San Francisco and tied the Cards for a share of the league's top spot, each with 10-6 records.

The Los Angeles Angels had 4 home runs, two by Leon Wagner, in a 7-5 victory over the Tigers in Detroit in the only other day game scheduled.

In American League night games, Baltimore beat Kansas City 3-2 on Jim Gentile's homer in the 10th inning and took over first place, and Minnesota shut out Washington 3-0 behind Jack Kralick's 3-hitter. In the National League, Houston defeated Milwaukee 7-5.

John Roseboro, Willie Davis and Ron Fairly hit homers, Bob Miller pitched a 5-hitter and Maury Wills returned to the base-stealing business as the Los Angeles Dodgers defeated Cincinnati 7-1 Thursday night.

It was the Dodgers' 3rd straight victory and the 5th in their last 6 games.

Frank Thomas drove in all the Mets runs on a first inning single and a two-run homer in the 6th off loser Dick Ellsworth. The Cubs scored single runs in the 5th and 7th off Roger Craig who went the distance for his first victory. He gave up 7 hits and had two balks called on him.

The Mets now have a 6-9 record for a .400 percentage the highest in their history.

Ed Bailey drove in 3 runs with a single and a homer and Orlando Cepeda also homered to power the Giants into a share of first place. Curt Flood hit a homer for the losers. Bob Bolin got the victory in relief, but had to have help from 3 others as the Cards rallied for two in the 9th.

The Angels jumped on Hank Aguirre for 6 runs in the first 4 innings and handed the Detroit lefty his first loss after 3 complete game victories. Wagner, Bob Rodgers and Ken Hunt had homers off Aguirre and Wagner added another off relief man Dick Egan.

Steve Barber went the distance for the Orioles and got the runs he needed on Al Smith's two-run homer in the 4th inning and Gentile's game-winner with two out in the 10th. Barber allowed only 4 hits while bringing his record to 4-1 for the season and 10-0 lifetime against the Athletics.

Kralick's victory was his first against 3 losses and enabled the Twins to win two in a row for the first time. Kralick also started Minnesota off in the scoring column, tripling in the 3rd inning and scoring on Lenny Green's single. Rich Rollins' homer in the 4th and doubles by Vic Power and Bob Allison in the 5th wrapped up the scoring.

The Colts snapped a 2-2 tie with a 5-run 7th inning. Triples by Ernie Fazio and Rusty Staub and a double by Bob Lillis were the big blows in the uprising. Bob Aspromonte hit a homer for Houston while Joe Torre connected for the Braves.

The Coincidence

Here I go again, my old skeptical self — but how about that barroom fight between Dick The Bruiser and Alex Karras?

Since I'm less than confident about my ability as a combatant, I hesitate to question The Bruiser's integrity. After all, he may return to headline a Pershing Auditorium donnybrook one of these Tuesday nights.

So let's just say that I am amazed at the coincidence of the meeting in Detroit.

Karras, of course, is the Detroit Lion tackle who kicked away at least a year's salary — as well as nation-wide respect — by some indiscreet, though apparently not dishonest, gambling and associations with the gaming mob.

Given the heave-ho by NFL commissioner Pete Rozelle, Karras decided to go straight and a Detroit grapple promoter — who, by the way, professed to believe that nobody can be all bad — offered him $40,000 and a chance for "rehabilitation" as a rassler.

The Bruiser, as Pershing habituates know, is one of the top workers on the grunt and groan circuit, always the bad guy with a reputation as a monster meanie.

It was a natural, the Detroit promoter reckoned. Karras, maligned as a gridder by a heartless commissioner, should make his rassle debut against the No. 1 exponent of foul play. And what better place than Detroit where Karras was a hero — tarnished perhaps, but no doubt unfairly.

What happened next was a matchmaker's dream. And while all hands insisted it was no publicity stunt, nary a principal on the grapple card could deny that the gate might be helped just a bit.

Alas, Fate

By a quirk of fate, Dick The Bruiser, silently walking the streets of Detroit — nagged, perhaps, by a guilt complex fostered because of his inhuman treatment of humans—yielded to temptation and strode into a suds parlor.

"I want that fat, four-eyed bartender to serve me," The Bruiser said, apparently without a smile or adding, "please."

And would you believe it? The "fat, four-eyed bartender" was none other than Alex Karras, his Saturday night opponent. Of all the juice dispensaries in Detroit, The Bruiser had selected the one co-owned by Karras to soothe his tortured soul.

After the formalities were concluded, Bruiser had a 5-stitch cut and a Detroit cop had a fractured hand — so maybe Dick really didn't know where Alex tended bar.

Silver Lining

There's a silver lining, though. A kindly judge postponed Bruiser's trial — the poor cop pressed charges — until Monday so Dick wouldn't have any pre-match distractions.

Just think, if The Bruiser had somehow been guided by fate to an obscure bar, he would be in top shape for his meeting with Karras. As it is, he'll have to guard against an eye-gouge to prevent stitch-popping.

But chances are he'll have enough money to pay his fine — if the kindly judge doesn't throw the book at him. Who knows? Maybe his honor has a 50-cent bet (yikes!) with a golfing buddy on Karras.

Doggone, all this pre-match fisticuffs has me chomping at the bit. I'll bet (oops!) it would be fun to see the Alex Karras-Dick The Bruiser rematch tomorrow night — especially since I missed the first one.

NU Seeking .500 Level On Diamond

By HAL BROWN
Star Spor tsWriter

Nebraska will be seeking the .500 level both for the season and in the Big 8 when Iowa State invades the NU diamond today and Saturday for a 3-game series.

The Huskers need a sweep of all 3 games to reach the .500 level and coach Tony Sharpe is expected to send Jan Wall (2-1) and Ron Havekost (1-2) to the mound in today's doubleheader.

Today's twin bill starts at 1 p.m. and the two teams play a single game at the same time Saturday.

A 3-game sweep for the Huskers could move them as high as a tie for 3rd place if Colorado loses 3 to league-leading Oklahoma and 4th place Kansas drops two of 3 to Oklahoma State.

The Cowboys are tied with Nebraska for 5th. In the other Big 8 series this weekend Missouri (8-1), battling Oklahoma for the top spot, faces Kansas State (1-8).

The Huskers—3-6 in the Big 8 and 6-9 overall—have only 3 regulars hitting over .300 and have had trouble getting base hits with men on base.

Iowa State won its first Big 8 game last weekend and is tied with Kansas State for 7th place with a 1-8 mark.

The Huskers are likely to face one of Nebraska's top prep hurlers, now pitching for the Cyclones.

Al Closter, baseball and basketball star at Creighton St. Ludgers, has been tabbed for mound duty in one of the 3 games by Cyclone coach Cap Timm. DeLon Thompson and Dick Armstrong are the other likely Iowa State hurlers in the weekend series.

Iowa State's attack has been led by catcher Dave Hoyt, hitting at a hefty .593 clip. Marv Straw (.314) and Mike Marienau (.326) are the other Cyclones hitting better than .300.

Big 8 Standings

	W	L	Pct.	GB
Oklahoma	5	0	1.000	...
Missouri	8	1	.889	1
Colorado	6	3	.667	3
Kansas	5	4	.556	4
NEBRASKA	3	6	.333	6
Oklahoma State	3	6	.333	6
Iowa State	1	8	.111	8
Kansas State	1	8	.111	8

Mutuel Handle—$155,654
Attendance—3,351

Morris Corrals $145.60 Double

Grand Island—Jockey Boyd Morris had another successful afternoon at Fonner Park Thursday, riding the winner on both ends of a healthy $145.60 daily double.

Royal Lynn won the first race and Kid's Kin the second, each topping the $10 mark for a win ticket.

Ronnie Houghton also piloted a pair of winners with his mount in the 8th race, Borneo, bringing the top win payoff of the day, $20.80.

Illinois Decides Against Increasing Race Taxes

Springfield, Ill. (AP)—The Illinois House Thursday buried a bill which sought to increase taxes on winning race track bets by 2½ per cent.

Rep. Abner Mikva, D-Chicago, sponsor of the bill, said it would raise $10 million a year for the state's general revenue fund.

Patton Wins Easily

Pinehurst, N.C. (AP)—Defending champion Billy Joe Patton took the short route home Thursday, shooting one under par golf to trim Cobby Ware of Augusta, Ga., 5 and 3 and lead Ray Terry, Bob Allen and John Guenther into the semifinals of the North and South Amateur Golf Tournament.

GOTHAM BOWL TURNED DOWN

Miami, Fla. (AP)—The National Collegiate Athletic Association approved 13 post-season football games but rejected the Gotham Bowl in New York Thursday.

In addition, the NCAA approved 5 college all-star football and 3 basketball post-season games in the 1963-64 season.

The Gotham Bowl game was played twice but never was a success financially and its application for a 3rd try was turned down.

In last year's Gotham Bowl, Nebraska scored a 36-34 victory over Miami, Fla.

BASEBALL

Tennessee 6	Georgia 5
W. Virginia 9-5	George Wash'n 2-4
Villanova 6	Navy 2

54th Drake Relays Open Today

. . . STANFORD EXPECTED TO CHALLENGE TEXAS SOUTHERN

Des Moines (AP) — Texas Southern has dominated the Drake Relays for the past two years but Stanford will offer a strong challenge for team honors in the track and field meet here Friday and Saturday.

The fleet Texas Southern runners won 4 races and set two records a year ago. They are favored in at least 4 relays this year.

Stanford Coach Payton Jordan also has his sights set on several Drake titles, and the Indians already have marks better than records in 3 Drake events.

Harry McCalla, who has run an open mile in 4 minutes 1.5 seconds this year, heads Stanford's 4-mile and university distance medley relay teams.

Jordan says his 4-mile team of McCalla, Bob Miltz, Harlan Andrews, and Bill Pratt should be able to run the distance in 16 minutes 30 seconds, which would cut 20 seconds off the Drake standard.

In the distance medley, McCalla and Miltz teamed with Bob Schlicke and Rich Chesarek earlier in the year in fashioning a clocking of 9:48.2 which is more than two seconds under the Drake record.

Stanford also is a leading contender in the mile and two-mile relays, and the Indians' Dave Weill is expected to erase the Drake discus mark.

Weill has tossed the discus 194 feet 6 inches this spring, bettering his own national mark. The Drake record is 185-7½.

In addition to Weill, other individual standouts in the meet include Dyrol Burleson, former Oregon runner who will be aiming at a 4-minute mile; pole vaulters Gerald Pratt of Texas Southern and defending champion Fred Hansen of Rice, both of whom have vaulted more than 16 feet; Ed Red of Rice, defending champion in the javelin; Bill Miller of McMurry, the 1962 broad jump champion, and half a dozen top sprinters headed by Roger Sayers of Omaha, favorite in the 100-yard dash.

Nebraska will enter 7 relay teams and 10 individual events and Doane College is entering 4 relays and 3 individual events.

The Huskers will enter relay teams in the 440, 880, mile, two-mile, 4-mile, distance medley and sprint medley events.

NU individual entries:

100-yd. dash—Ray Knaub, Kent McCloughan, Steve Pfister.
120-yd. high hurdles—Fred Wilke.
Two-mile run—Larry Toothaker.
Discus—Roland Johnson.
Shot put—Johnson
Pole vault—Juris Jesifers.
High Jump—Barry Krebs, Jack Cramer.
Broad Jump—Victor Brooks.
Mile run—Mike Fleming.
Hop, step and Jump—Brooks.

Doane will enter Jerome Byers, Dennis Darnell, Wally Hood and Clint Skinner in both the 440 and 880 relays. Dennis Dondlinger, Ted Ross, Peter Sura, and Dean White *will team up in the two-mile* relay and Sura, Dondlinger, Bruce Maschmann and Ron Howard will go in the mile relay.

Doane individual entries find Hood in the 440, Jeff Mills and Darnell in the 120-yard high hurdles.

GI Thinclads Win Kearney Invitational

. . . LOUP CITY CAPTURES CLASS B CROWN

By CONDE SARGENT
Prep Sports Writer

Kearney — Nobody would ever believe Terry Medjo, an unknown sophomore pole vaulter, could win a major track meet for Grand Island.

He did just that Thursday at the 53rd annual Kearney State Invitational as his upper-12-foot vault — his first at that height — earned GI the necessary points to defeat North Platte for the Class A title, 126½-116.

Class B was just as much of a dog-fight with Loup City nipping defending champion Gothenburg, 100½-94½.

Grand Island was just 6 points up on North Platte with only the vault points missing. But Medjo beat out Wachholtz to hand GI its 3rd straight major invitational triumph.

The 1962 station champions took top honors at Columbus and Hastings earlier.

Grand Island's speed, a noteworthy strength in comparison with the unexpected vault power, shone as bright as a silver dollar under Thursday's sunny skies.

The 880-yard relay team, **anchored by sprint star Tom Millsap who won the sprints, raced to a 1:30.7 victory, the best time in the state and one of two all-class records set Thursday.**

North Platte's 8:37.6 in the two-mile relay was the other.

Non-record performances by Millsap and teammate Bob Brouhard were more outstanding than the other 8 records in the two classes.

Millsap hit :10.0 in the 100 and zipped to :22.3—his best this spring—in the century.

Brouhard powered through the 440-yard dash in :49.4, the first man to beat :50.0 this spring. The blond junior also anchored GI's mile relay to another blue ribbon in 3:32.3—also best in the state.

North Platte's power lay in the hurdles with Jack Edwards and Pete Tatman winning and in the field where soph Dale Chase set a Class A record of 6-0¼ in the high jump and Bob Thomas won the shot.

Edwards skimmed the lows in a record :20.4 The other Class A record was a 4:37.9 mile by Kearney's Lanny Henrickson.

Kearney finished a close 3rd in the team scoring. Lincoln Pius X' Jim Sullivan was the only winner outside the big 3, taking the half-mile in a rather slow 2:03.2.

Loup City entered the record books 3 times en route to its class B triumph—148-9 discus by Don Wilson 6-0¼ record-tying high jump by Larry Kaslon and a 1:32.2 half-mile relay which stood as an invitational mark until the GI foursome unloaded.

Imperial lodged an 8:41.0 in the two-mile relay while Gothenburg's Ron Fecht vaulted 12-6¼ for the final B record.

Fecht's height earned him honors towards a gold medal, the best performance for all 4 classes. Kearney's Jim Hardekopf and Medjo each went 12-5½ in Class A with the former winning on fewer misses.

Class C and D schools hit the Kearney State campus Saturday for their portion of the meet.

Millsap was the only Class A double winner. Stan Packer, Loup City junior in the 220 and 440 and Gothenburg's Larry Aden (hurdles) were Class B two-time champs.

Special Events

Pentathlon Thursday leaders—1, Keith Stuehr, York, 4,628 points; 2, Ron Fecht, Gothenburg, 4,209; 3, Doug Anderson, Superior, 4,092; 4, Marv Mueller, Columbus, 3,980; 5, Mike McNair, Imperial 3,737; 6, Lawyer Waller, West Kearney, 1,717 (Skipped two events. Class C and D performers go Saturday).

Hop-Step-Jump—(Thursday leaders: 1, Ron Fecht, Gothenburg, 30-10½; 2, Larry Hickman, Grand Island 38-9; 3, Bill Doanne, Columbus 38-7½; 4, Doug Johnson, Kearney, 37-0; 5, Stan Martin, Kearney, 36-9¼; 6, Doug Hollinger, Holdrege, 36-7½ (Class C and D jumpers go Saturday)

Summaries, Page 22

First Approval For Fee Hikes

A bill proposing increases in hunting and fishing permits fees with all of the additional money going for acquisition, development and capital improvement of public hunting and fishing areas and projects won 23-15 preliminary approval in the Legislature Thursday.

Under the bill, LB511, which had Sen. Fern Orme of Lincoln as chief sponsor, the resident hunting permit would be hiked from $2.50 to $3.50; the fishing license from $2 to $3; and the combination from $4 to $6.

Before the measure was advanced it survived a kill motion from Sen. William Skarda of Omaha who said "it's high time that we stop this man Steen." His reference was to Nebraska Game Commission director M. O. Steen who gave the bill strong support when it was heard by the Agriculture Committee.

9-Game Football Slate for NWU

Coach Ray Westover's Nebraska Wesleyan football team will have a 9-game schedule next fall.

Wesleyan will open Sept. 14 at home against Midland.

New to the Wesleyan slate is Graceland College of Lamoni, Ia., which will visit Lincoln Oct. 25 for the Homecoming contest.

The schedule:

Sept.—21, Colorado College; 28, at Doane.
Oct.—4, Northwest Missouri; 11, Northern; 19, at Wayne.
Nov.—2, at Dana; 9, Hastings.

Lincoln High Reserves Take City Golf Honors

Dennis Bradshaw fired a 38 on the front 9 of Pioneers course Thursday to pace Lincoln High to victory in an intracity reserves golf match.

The Links totalled 125 strokes. Southeast was second with 135 and Northeast claimed 142.

The results:

Lincoln High—Dennis Bradshaw, 38; Al Bellin, 42; Sam Beechner, 45.
Southeast—Doug Fenton, 43; Walt Radcliffe, 44; Dale Brockmeier, 48.
Northeast—Tim Gillispie, 43; Allen Culver, 49; Dave Segoviano, 50.

U.S. Gold Medal Total Reaches 33

Sao Paulo, Brazil (AP)—The United States team reaped its greatest one-day gold medal harvest of the Pan-American Games Thursday, grabbing 14 to boost its total to 33.

U.S. wrestlers completed a clean sweep of the 8 grappling titles, and Yankee swimmers took all 4 events on the card.

Of 15 gold medals decided Thursday, the U.S. athletes took all but one. Only the women's tennis singles got away.

The U.S. also ran its silver medal total to 12 and its bronze collection to 10. No other nation has won more than two gold medals.

The U.S. maintained its monopoly in swimming and set 3 records in the process. U.S. athletes now have won all 8 swimming events, and 9 of 10 in the water sport, with only men's diving eluding them.

Three teen-agers set the swimming records. Carl Robie, 17, of Drexel Hill, Pa., won the 200-meter butterfly in 2 minutes, 11.3 seconds. Alice Mary Driscoll of Louisville, also 17, took the 200-meter breaststroke in 2:56.2 and Terri Stickles of Santa Clara, Calif., 17 next month, won the 100-meter freestyle in 1:02.8.

The U.S. women's 400-meter medley relay team also won, but failed to snap the record.

American swimmers now have broken 6 records and tied a seventh.

The Yanks were making a runaway of the games.

Meanwhile, the U.S. baseball team, composed largely of young GIs, rested while getting ready for Friday's important game with Cuba which probably will decide the diamond championship.

The game is already a sellout, although the price of tickets was raised from 200 to 400 cruizeros, or about 64 cents in American money.

The Cubans, who stunned the Yanks 13-1 in the first round, warmed up for the battle with a 13-3 triumph over Venezuela. The Cubans and U.S. teams lead the round robin tournament with identical records—3-1.

Student Council Backs Boost In NU Grid Ducats

The University of Nebraska Student Council has given its backing to a proposal that would increase student season football tickets from $7 to $10.

NU Athletic Director Tippy Dye presented the price increase proposal to the council and Dick Weill introduced the resolution to support the proposal.

U.S. Gold Medal Total Reaches 33

Sao Paulo, Brazil (AP)—The United States team reaped its greatest one-day gold medal harvest of the Pan-American Games Thursday, grabbing 14 to boost its total to 33

U S wrestlers completed a clean sweep of the 8 grappling titles, and Yankee swimmers took all 4 events on the card

Of 15 gold medals decided Thursday, the U S athletes took all but one Only the women's tennis singles got away

The U S also ran its silver medal total to 12 and its bronze collection to 10 No other nation has won more than two gold medals

The U S maintained its monopoly in swimming and set 3 records in the process U S athletes now have won all 8 swimming events, and 9 of 10 in the water sport, with only men's diving eluding them

Three teen agers set the swimming records Carl Robie, 17, of Drexel Hill, Pa, won the 200 meter butterfly in 2 minutes, 11 3 seconds Alice Mary Driscoll of Louisville, also 17, took the 200 meter breaststroke in 2 56 2 and Terri Stickles of Santa Clara, Calif, 17 next month, won the 100 meter freestyle in 1 02 8

The U S women's 400-meter medley relay team also won, but failed to snap the record

American swimmers now have broken 6 records and tied a seventh

The Yanks were making a runaway of the games

Meanwhile, the U S. baseball team, composed largely of young GIs, rested while getting ready for Friday's important game with Cuba which probably will decide the diamond championship

The game is already a sellout, although the price of tickets was raised from 200 to 400 cruzeiros, or about 64 cents in American money

The Cubans, who stunned the Yanks 13-1 in the first round, warmed up for the battle with a 13 3 triumph over Venezuela The Cubans and U S teams lead the round robin tournament with identical records—3 1

Student Council Backs Boost In NU Grid Ducats

The University of Nebraska Student Council has given its backing to a proposal that would increase student season football tickets from $7 to $10

NU Athletic Director Tippy Dye presented the price increase proposal to the council and Dick Weill introduced the resolution to support the proposal

College Rodeo Opens Tonight

The rodeo sport invades the collegiate ranks tonight when the first performance of the 5th Annual Collegiate Championship Rodeo gets underway at the indoor arena of the State Fairgrounds Coliseum

The event, under the sponsorship of the University of Nebraska Rodeo Association, will offer 3 shows — evening engagements Friday and Saturday at 7 30 p m and an afternoon show Saturday at 1 30

Students from all accredited colleges and junior colleges in the state are eligible for participation in the rodeo

Senate Confirms Officers Of Communications Satellite Corp.

Washington (UPI) — The Senate Thursday confirmed the 14 founding officers of the new Communications Satellite Corp. after over-ruling a small band of senators who claimed the chamber was acting unconstitutionally.

Confirmation of the presidential appointees came by voice vote after the Senate rejected, 75-15, the constitutional challenge raised by the group headed by Sens. Albert Gore, D-Tenn., Wayne Morse, D-Ore., and Estes Kefauver, D-Tenn.

Nebraska Sens. Roman Hruska and Carl Curtis voted with the majority.

The appointees will set up the privately-owned but government-regulated corporation established by Congress last year to operate a worldwide system of communications satellites patterned after the successful Relay and Telstar stations.

Morse and his group argued that the Senate lacked constitutional authority to confirm the officials because they will serve with a privately-owned concern. They said that under Article 2, Section 2 of the Constitution the Senate could confirm only government officials.

Last August the Morse group forced the Senate to invoke its antifilibuster rule for the first time in 35 years when they staged a talkathon against establishment of the corporation. They called it a giant "giveaway" that would be dominated by American Telephone & Telegraph Co.

Replying to Morse on the constitutional question, Sen. Kenneth B. Keating, R-N.Y., said Morse's argument would apply if the Senate had not provided for confirmation when it passed the Satellite Corporation Bill last session.

Joining Keating, Sen. Jacob K. Javits, R-N.Y., said Morse had correctly interpreted Article 2, Section 2. But Javits added that Congress historically had assumed rights not spelled out in the Constitution.

Welch Chairman

Leo D. Welch, board chairman of Standard Oil Co. of New Jersey, will serve as chairman and chief executive officer of the corporation at an annual salary of $125,000. Dr. Joseph V. Charyk, former Air Force undersecretary, will be president at $80,000.

The other incorporators are Edgar F. Kaiser; David M. Kennedy, Sidney J. Weinberg, Bruce G. Sundlun, A. Byrne Litschgi, Beardsley Graham, Leonard Woodcock, Sam Harris, George Feldman, Leonard Marks, John T. Connor, and George L. Killion.

The incorporators were named by President Kennedy to set up the company. They will write a corporate constitution and by-laws, conduct initial financing and dispose of other details. No date has been set for offering stock to the public.

Before the final vote the Senate rejected a move by Sen. Ernest Gruening, D-Alaska, to have the nominations sent back to the Judiciary Committee for a 30-day study.

Clay Urges Additional Cuts For Foreign Aid Program

Washingoon (AP) — Gen. Lucius D. Clay Thursday urged additional cuts of $200 million in President Kennedy's foreign aid program.

Clay, head of an advisory group appointed by Kennedy to study the foreign aid program, recommended that a total of $4.3 billion be authorized by the House Foreign Affairs Committee.

The Clay committee's first report had prompted Kennedy to trim $400 million from his original request of $4.9 million, and Clay recommended the still lower figure Thursday.

Breakdown

He promised to give the committee a country-by-country breakdown pinpointing where he thinks the extra $200 million could be cut.

Clay, meeting with reporters after his committee appearance, would not disclose where the proposed cuts could be made. He said, however, that he had recommended authorization of the full $900 million requested by Kennedy for Latin America.

In response to questions he indicated Latin American countries might be unable to spend $300 million of the $900 million, but said he would not urge any cuts in that amount.

Cut Mistake

"I think it would be a mistake to cut the Alliance for Progress funds because we are committed to making that much available," he said. "And I would hope that the Latin American countries could meet their obligations so the full amount could be used."

Clay said the $200 million in cuts he recommended applied to both the economic and military parts of the foreign aid program.

HEW, Labor Requests Cut By House Unit

Washington (AP) — House budget-cutters passed the three-quarter-billion-dollar milepost Thursday in their drive to pare $10 billion to $15 billion from President Kennedy's requests for new spending money.

In the 4th money bill of the 1963 session, the Appropriations Committee trimmed $309.5 million from the $5,759,489,000 the President requested to finance the Labor Department and the Department of Health, Education and Welfare for the fiscal year starting July 1.

If the cut is sustained by the House next week, it would boost to $762 million the total reductions voted by the House this year.

Previously the House trimmed $100 million from funds requested for the Interior Department, $150 million from the budget of the Treasury and Post Office departments, and $203 million from a catch-all supplemental measure.

The over-all reduction on the 4 bills is slightly more than 5%, a rate that will have to be more than doubled on future bills if the budget-cutters are to reach their goal. The President's overall requests for new funds totals about $108 billion.

The bill drafted Thursday by the appropriations group imposed cuts in almost every activity of the labor and welfare departments and several smaller agencies.

Wives Left Home

Mexico City (AP)—A check among the 1,500 delegates to the International Chamber of Commerce convention here shows 76% left their wives at home. But an oriental delegate had a plurality: he brought his 3 wives.

Nonresident Students Bill Compromise Told

Nebraska's Legislature settled on a compromise Thursday in legislation related to the problem of high school districts closing their doors to children from outside the district.

The issue has been a warm one in many Nebraska communities.

Advanced from general file on a 28-5 vote Thursday was an amended LB643, requiring in effect that both the high school districts and the nonresident students planning to attend the high schools give advance notice.

Here's what the amended bill provides:

—Any high school which already has given notice that it will not accept nonresident students, or already has barred nonresident students, may continue on that course.

—No other high school may bar nonresident students before the 1964-65 school year—one year after next fall.

—A high school wishing to bar nonresident students must give notice by Oct. 1 of the preceding year.

—A nonresident student wishing to attend a high high school must make application by April 1 preceding the start of the school year.

The amended version was proposed by Sen. Elvin Adamson of Nenzel.

Sen. Arnold Ruhnke of Plymouth termed it a "good compromise" although neither the Nebraska State Education Association (NSEA) nor the Nebraska School Improvement Association-Improvement Association (NSIA) was happy with it.

As originally introduced by Sens. M. M. Forrester of Anselmo, Jerome Warner of Waverly and W. H. Hasebroock of West Point, LB643 would have placed more stringent limitations on high schools wishing to refuse admission to nonresidents.

Sen. Clifton Foster of Bradshaw was defeated 14-23 in an amendment which would have given high schools until June 1 to take action on nonresident students and thereby escape the restrictions of the bill.

Bids Asked On 17 State Road Jobs

The State Department of Roads Thursday listed 17 construction projects at an estimated total value of $4.1 million for a proposed May 16 bid letting.

The projects include 6 miles of grading, two bridges and a fence on the Interstate between the Seward and Goehner interchanges.

Also listed is 15.6 miles of grading and asphaltic concrete surface course on U.S. 30 between Paxton and Hershey.

The projects; including county, miles involved, location and main construction features (N-Nebraska, US-United States):

FEDERAL AID INTERSTATE

Seward; 6; between Seward and Goehner interchanges; grading, two bridges and fence.

FEDERAL AID URBAN

Lancaster; 0.9; on "O" St. in Lincoln between 48th and the east city limits; grading, pavement, traffic control signals and street lighting.

FEDERAL AID PRIMARY

Fillmore and York; 7; US81 between Fairmont and McCool Junction; grading, concrete pavement, and two bridges.

Dawson; 6; N47 between Platte River and N23; grading and gravel surfacing.

Keither and Lincoln; 15.6; US30 between Paxton and Hershey; Grading, culverts and asphaltic concrete surface course.

FEDERAL AID SECONDARY (STATE)

Richardson; 5.4; N8 between US75 and Salem; grading, one bridge and gravel surface for detour.

Wayne; 5.9; N16 south of Wakefield; grading, gravel surfacing.

Knox; 9.6; N12 between Verdel and Niobrara; subgrade reconstruction, armor coat and grading and gravel surfacing for detour.

Brown; 5.3; N7 between Ainsworth and Brewster; grading, bituminous sand base course and armor coat.

FEDERAL AID SECONDARY (COUNTY)

Gage; 6.3; north of Filley; crushed rock base course.

Saline; 0.9; west of Pleasant Hill; gravel surfacing.

Lancaster; 2; south of Hickman; grading, asphaltic concrete base course and asphaltic concrete surface course.

Pierce; 0.8; north of Plainview; grading, bituminous sand surface and armor coat.

Red Willow; 8.8; north of Red Willow; gravel surfacing.

Franklin; south of Riverton; culverts.

Webster; 2.9; southeast of Bladen; gravel surfacing.

STATE CONSTRUCTION

Butler; 8.9; between David Citty and Bruno; grading, two bridges and gravel surfacing for detour.

Retail Sales Tax Hiked In Missouri

Jefferson City, Mo. (AP)—Gov. John M. Dalton signed a bill Thursday raising the Missouri tax on retail sales from two to 3 cents on the dollar. The increase is expected to produce an estimated $83 million over the next two years.

It will become effective Oct. 13.

Ordinance No. 8010

AN ORDINANCE vacating a portion of LaSalle Street lying west of the west line of 40th Street, reserving title to said street in the City of Lincoln, and providing for the filing of a certified copy of this ordinance with the Register of Deeds of Lancaster County, Nebraska:

BE IT ORDAINED by the City Council of the City of Lincoln, Nebraska:

Section 1. That all that part of LaSalle Street which is included within the following legal description, to wit: A tract of land in the Southeast Quarter of the Northeast Quarter of Section 7, Township 9 North, Range 7 East of the 6th P.M., Lancaster County, Nebraska, described as commencing at a point 636.4 feet west of and 33 feet south from the northeast corner of said Southeast Quarter of the Northeast Quarter of said Section as the point of beginning, thence west along a line 33 feet south from and parallel to the north line a distance of 254.7 feet, plus or minus, to the intersection of Highway 2 right of way, thence in a northwesterly direction along said highway right of way, a distance of 44.6 feet to intersect the north line of said Southeast Quarter of the Northeast Quarter; thence east along said north line a distance of 145.6 feet to intersect a curve whose central angle is 47°44' and whose radius is 368.27 feet; thence in a southeasterly direction on said radius curve a chord distance of 145 feet to a point 30 feet south from and 636.4 feet west of the northeast corner of said Southeast Quarter of the Northeast Quarter, said point being the beginning of said curve, thence south a distance of 3 feet to the point of beginning, be and it hereby is vacated, subject to title to said street so vacated remaining in the City of Lincoln.

Section 2. Immediately upon the taking effect of this ordinance, the City Clerk shall file a certified copy hereof in the office of the Register of Deeds of Lancaster County, Nebraska.

Section 3. This ordinance shall take effect and be in force from and after its passage and publication according to law.

ORDINANCE NO. 8012

AN ORDINANCE establishing the official grades of certain streets in Lynn Subdivision, an addition in the City of Lincoln, Nebraska, with reference to a datum plane herein described, and accepting and approving the plat of Lynn Subdivision, an addition in the City of Lincoln, Nebraska, on April 15, 1963, upon certain conditions herein specified and providing for a bond conditioned upon the strict compliance with such conditions.

WHEREAS, W. F. Hoppe Lumber Company, a corporation, owner of Lots 1, 2, 3, 4, 5 and 6, Block 32 Normal Park and 7 feet of vacated alley on the west, and vacated 30 feet on the south and east, and the west 165 feet of Lot 75 Irregular Tract, in the Southwest Quarter of the Southeast Quarter of Section 32, Township 10 North, Range 7 East of the 6th P.M., Lancaster County, Nebraska, having platted said real estate under the designation of Lynn Subdivision, and having filed said plat on April 15, 1963, with the City Clerk OF THE City of Lincoln, Nebraska, with a request for approval and acceptance thereof, in the manner and form as by ordinance required, and

WHEREAS, it is for the convenience of the inhabitants of said City of Lincoln, Nebraska, and for the public that said plat be approved and accepted as filed.

NOW, THEREFORE, Be it ordained by the City Council of the City of Lincoln, Nebraska:

Section 1. That the grades of certain streets in Lynn Subdivision, an addition in the City of Lincoln, Nebraska, be and they are hereby established with reference to a datum plane, which is located as follows: Bench mark cut in water table at the northeast corner of the City Hall building is 79.74 feet above said datum plane, said datum plane being coincident with the datum plane of what is known as the Harvey Grade.

The grades hereby established shall be uniform straight lines between adjacent points hereinafter specified in said streets and between the grade points heretofore established by ordinance in adjacent streets.

Section 2. Grade at the intersection of Myrtle Street and Lynn Circle: South west corner 108.42; Southeast corner 108.56.

Section 3. Grade at a point in Lynn Circle opposite the center of the cul-de-sac: East side 107.50; West side 107.50.

Section 4. Grade at a point in Lynn Circle at the end of the paving in the cul-de-sac 106.00.

Section 5. That the plat of Lynn Subdivision filed in the office of the City Clerk of the City of Lincoln, Nebraska, by W. F. Hoppe Lumber Company, a corporation, as owner on April 15, 1963, be and it hereby is approved and accepted and said owner be and it is hereby given the right to plat said Lynn Subdivision as an addition in the City of Lincoln, Nebraska, in accordance therewith. Such acceptance and approval are conditioned upon the following conditions:

First: That the owner above set forth shall at its own cost and expense, construct sidewalks in the sidewalk space on the south side of Myrtle Street within the limits of the plat and on both sides of Lynn Circle, including the cul-de-sac, within the limits of the plat in accordance with the ordinances of the City of Lincoln.

Second: That the owner above set forth shall, at its own cost and expense, pay for all labor, material, engineering and inspection costs in connection with the construction of an 18-inch diameter storm sewer in the easement provided therefor along the dividing line between Lots 7 and 8 of said plat. All of the aforesaid construction shall be in conformance with the alignment, grade and cross section as determined by the City, and owner shall pay all other expense in connection therewith. Said storm sewer shall be constructed under the supervision of the City of Lincoln and title thereto shall be vested in the City of Lincoln. The construction of said storm sewer shall be completed not later than June 1, 1965.

Third: That the owner above set forth shall, prior to the passage of this ordinance, enter into a written agreement with the City of Lincoln, agreeing that the City of Lincoln shall bring the streets to the official established grades as hereinabove set forth, and construct the necessary street lighting, sanitary sewers and water mains to serve the real estate in said addition, and assess the cost thereof against the real estate in said addition in accordance with benefits accruing thereto.

Section 6. That the owner above set forth shall, prior to the passage of this ordinance, execute and deliver to the City of Lincoln, Nebraska, a bond in the sum of $1500.00, which bond shall be approved by the City Council of the City of Lincoln, Nebraska, and shall be contained in paragraph designated "First" of the next preceding section of this ordinance; and further conditioned that in the event the above named owner fails to comply with the conditions herein specified in this ordinance, the City Council shall proceed to fulfill said conditions, the cost thereof to be paid by the surety on said bond. Such work shall be performed in the manner set forth in Title 26 of the Lincoln Municipal Code, known as the Land Subdivision Ordinance, as now existing or as may hereafter be amended.

That the owner above set forth shall, prior to the passage of this ordinance, execute and deliver to the City of Lincoln, Nebraska, a bond in the sum of $1500.00, which bond shall be approved by the City Council of the City of Lincoln, Nebraska, and shall be conditioned upon the strict compliance by the owner above named with the conditions contained in paragraph designated "Second" of the next preceding section of this ordinance; and further conditioned that in the event the above named owner fails to comply with the conditions herein set forth within the time specified in this ordinance, the City Council shall proceed to fulfill said conditions, the cost thereof to be paid by the surety on said bond. Such work shall be performed in the manner set forth in Title 26 of the Lincoln Municipal Code, known as the Land Subdivision Ordinance, as now existing or as may hereafter be amended.

Section 7. Immediately upon the taking effect of this ordinance, the owners shall file a certified copy of this ordinance in the office of the Register of Deeds of Lancaster County, Nebraska.

Section 8. This ordinance shall take effect and be in force from and after its passage and publication according to law.

PROCLAMATION

BY VIRTUE OF AUTHORITY in me vested as Mayor of the City of Lincoln, Nebraska, I hereby proclaim and give notice that a general city election will be held in said city on Tuesday, May 7, 1963, for the purpose of electing:

One (1) Mayor of the City of Lincoln, Nebraska

Four (4) Councilmen of the City of Lincoln, Nebraska

Three (3) Members of the Board for the Airport Authority for the City of Lincoln, Nebraska

Two (2) Members of the Board of Education of the School District of the City of Lincoln in the County of Lancaster in the State of Nebraska.

There will also be submitted, for adoption or rejection, the following proposed amendment to Article VI, Section 3, and Article VIII, Section 3b, of the Charter of the City of Lincoln, authorizing the City Council to order the improvement in any ornamental lighting district without petition when the improvement is within a district the outer boundaries of which are within a distance of one-half mile from the block in which the City Hall is situated:

ARTICLE VI, Section 3.

"Sec. 3. The city council shall have power to create ornamental lighting districts for the purpose of acquiring and installing ornamental lights, including poles, fixtures, wiring, underground conduits, and all necessary equipment and accessories, in or along any street, streets, public grounds, public way or ways, within the city. All such districts shall be known as "Ornamental Lighting Districts" and shall be created by ordinance and designate the property in the district to be benefited. When such improvement is within a district, the outer boundaries of which are more than one-half mile distance from the block in which is situated the city hall, no such improvement shall be finally ordered by the city council until a petition signed by the owners of the record title, representing a majority of the feet frontage of the property directly abutting upon the street, streets, public grounds, public way or ways, proposed to be improved, shall be presented and filed with the city clerk petitioning therefor. Upon creation of any such Ornamental Lighting District and the filing of petitions as herein provided where required, the city council shall have power to advertise for bids for the installation, construction and equipment thereof, and to contract with the lowest responsible bidder therefor. The cost thereof may be, in whole or in part, assessed proportionately to the benefits on the property specially benefited. The special assessments shall be levied and assessed as provided in Section 14 of Article VIII. The total amount of such special assessments shall be levied, one-fifth thereof to be delinquent in fifty days from the levy and one-fifth annually thereafter, each installment to draw six per cent interest from the date of levy, payable annually, installments delinquent to draw interest at the rate of seven per cent per annum after the delinquent date; provided, however, that the city council shall have power and authority to fix the period of time, not to exceed twenty years in which special assessments made against any property for the payment of the cost of such improvements may be made in accordance with the provisions of Article VIII, Section 10a. If one-fifth of such special assessments be delinquent in fifty days after the levy and one-fifth annually thereafter, for the amount of the special assessments the city council, may by ordinance, issue bonds known as "Ornamental Lighting District Bonds," payable in not to exceed five years from date, with interest not exceeding 6 per cent per annum, payable annually, and such special assessments shall be a sinking fund for payment thereof. If the city council exercises the power and authority to fix the period of time for payment of special assessments in accordance with the provisions of Article VIII, Section 10a, the city council shall have power and authority to issue bonds in accordance with the provisions of Article VIII, Section 10a."

ARTICLE VIII, Section 3b.

"Sec. 3b. The city council may order such improvements of any street, alley, alleys, public way or public grounds and cause them to be made:

(1) When it is embraced within a district, the outer boundaries of which are within a distance of one and one-half miles from the block in which the City Hall is situated, or

(2) When the street is part of a street designated by ordinance as an arterial street.

The City Council may also, without petition, order the streets, alleys, and sidewalk space in any grading district to be graded to the established grade and construct sidewalks.

The City Council may also, without petition, order the improvement in any ornamental lighting district when the improvement is embraced within a district, the outer boundaries of which are within a distance of one-half mile from the block in which the City Hall is situated."

Said Article VI, Section 3, and Article VIII, Section 3b, as now existing, be and they are hereby repealed.

The said election will be held in each precinct within the city in the regular designated polling places, between the hours of 8:00 o'clock A.M. and 8:00 o'clock P.M. on said date.

IN WITNESS WHEREOF, I have hereunto set my hand officially and affixed the seal of the City of Lincoln, Nebraska, this 23rd day of April, 1963.

NOTICE OF PROPOSED AMENDMENT TO THE CITY CHARTER OF THE CITY OF LINCOLN, NEBRASKA

Notice is hereby given that at the city general election to be held in the City of Lincoln, Nebraska, on Tuesday, May 7, 1963, between the hours of 8:00 o'clock a.m. and 8:00 o'clock p.m., there shall be submitted to a vote of the qualified electors of said city, for adoption or rejection, the following amendment to Article VI, Section 3, and Article VIII, Section 3b of the Charter of the City of Lincoln as shown by the following resolution adopted by the City Council:

RESOLUTION NO. A-52867

BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska:

That at the city general election to be held on the 7th day of May, 1963, there shall be submitted to a vote of the qualified electors of the City of Lincoln, Nebraska, for adoption or rejection, the following proposition to amend the Charter of the City of Lincoln:

A PROPOSITION TO AMEND ARTICLE VI, SECTION 3, AND ARTICLE VIII, SECTION 3b, OF THE CHARTER OF THE CITY OF LINCOLN, NEBRASKA, AUTHORIZING THE CITY COUNCIL TO ORDER THE IMPROVEMENT IN ANY ORNAMENTAL LIGHTING DISTRICT WITHOUT PETITION WHEN THE IMPROVEMENT IS WITHIN A DISTRICT THE OUTER BOUNDARIES OF WHICH ARE WITHIN A DISTANCE OF ONE-HALF MILE FROM THE BLOCK IN WHICH THE CITY HALL IS SITUATED, TO READ AS FOLLOWS:

ARTICLE VI, Section 3.

"Sec. 3. The city council shall have power to create ornamental lighting districts for the purpose of acquiring and installing ornamental lights, including poles, fixtures, wiring, underground conduits, and all necessary equipment and accessories, in or along any street, streets, public grounds, public way or ways, within the city. All such districts shall be known as "Ornamental Lighting Districts" and shall be created by ordinance and designate the property in the district to be benefited. When such improvement is within a district, the outer boundaries of which are more than one-half mile distant from the block in which is situated the city hall, no such improvement shall be finally ordered by the city council until a petition signed by the owners of the record title, representing a majority of the feet frontage of the property directly abutting upon the street, streets, public grounds, public way or ways, proposed to be improved, shall be presented and filed with the city clerk petitioning therefor. Upon creation of any such Ornamental Lighting District and the filing of petitions as herein provided where required, the city council shall have power to advertise for bids for the installation, construction and equipment thereof, and to contract with the lowest responsible bidder therefor. The cost thereof may be, in whole or in part, assessed proportionately to the benefits on the property specially benefited. The special assessments shall be levied and assesed a provided in Section 14 of Article VIII. The total amount of such special assessmnets shall be levied, one-fifth thereof to be delinquent in fifty days from the levy and one-fifth annually thereafter, each installment to draw six per cent interest from the date of levy, payable annually, installments delinquent to draw interest at the rate of seven per cent per annum after the delinquent date; provided, however, that the city council shall have power and authority to fix the period of time, not to exceed twenty years in which special assessments made against any property for the payment of the cost of such improvements may be made in accordance with the provisions of Article VIII, Section 10a. If one-fifth of such special assessments be delinquent in fifty days after the levy and one-fifth annually thereafter, for the amount of the special assessments the city council, may by ordinance, issue bonds known as "Ornamental Lighting District Bonds," payable in not to exceed five years from date, with interest not exceedng 6 per cent per annum, payable annually, and such special assessments shall be a sinking fund for payment thereof. If the city council exercises the power and authority to fix the period of time for payment of special assessments in accordance with the provisions of Article VIII, Section 10a, the city council shall have power and authority to issue bonds in accordance with the provisions of Article VIII, Section 10a."

ARTICLE VIII, Section 3b.

"Sec. 3b. The city council may order such improvements of any street, alley, alleys, public way or public ground and cause them to be made:

(1) When it is embraced within a district, the outer boundaries of which are within a distance of one and one-half miles from the block in which the City Hall is situated, or

(2) When the street is part of a street designated by ordinance as an arterial street.

The City Council may also, without petition, order the streets, alleys, and sidewalk space in any grading district to be graded to the established grade and construct sidewalks.

The City Council may also, without petition, order the improvement in any ornamental lighting district when the improvement is embraced within a district, the outer boundaries of which are within a distance of one-half mile from the block in which the City Hall is situated."

Said Article VI, Section 3, and Article VIII, Section 3b, as now existing, be and they are hereby repealed.

Said amendment shall be suzmitted to the qualified electors as PROPOSITION TO AMEND CHARTER on the ballot, and shall be printed on the ballot in the following form:

PROPOSITION TO AMEND CHARTER

"Shall the Charter of the City of Lincoln be amended by amending Article VI, Section 3, and Article VIII, Section 3b, to authorize the city council to order the improvement in any ornamental lighting district without petition when the improvement is within a district the outer boundaries of which are within a distance of one-half mile from the block in which the City Hall is situated, as proposed in the notice of election?

Scotts
Halts
Turf Builder

"A car stopped and a stranger got out to feel our grass—it's that beautiful!" Mrs. H. M.

Wondering how to have a better lawn, free of crabgrass? Read these letters:

No pulling. "What a relief not to have to sit in the sun pulling crabgrass. HALTS is the greatest gift you have given the lawnmaker." T.E.H.

Most proud fella. "I am the most proud fella. No crabgrass, and my lawn is a thick carpet thanks to TURF BUILDER." F.W.B.

The clincher. "HALTS did a marvelous job of eliminating crabgrass last year. Put it on again this year for a clincher. Also TURF BUILDER. Have the best grass in the five years I've owned our home." A.L.A.

Simple explanation. "When neighbors ask why my lawn is so much greener than theirs I explain it's because they aren't using TURF BUILDER. It's truly remarkable." B.T.

Congratulations. "After a single treatment of HALTS I didn't find crabgrass except in the places I missed at the edges. Congratulations on a good product." R.W.M.

In the middle. "We have crabgrass in the lawns next door—and moles. We're free!" R.E.

Big change. "Ever since I bought my Scotts Spreader and a bag of TURF BUILDER things haven't been the same at our place. You have solved our problem." O.L.M.

Not the same. We thought all fertilizers were the same until a neighbor told us about TURF BUILDER. All I can say is—our lawn is now as thick as a carpet." A.M.

These are your neighbors speaking

They found out how to have a lovely lawn, crabgrass-free, and they're telling the world.

It's no secret. Stop the crabgrass before it starts—with HALTS,® America's best known crabgrass control. And use TURF BUILDER,® America's most wanted lawn fertilizer. You can put both on a 2500 sq ft lawn in less than half an hour. And if you want to plant seed, you can do so at the same time. No need to wait a month or two as with other crabgrass controls.

How to save a quick $2 *(or even $7!)*

Right now your Scotts Dealer is making a special offer—a bag of TURF BUILDER and a bag of HALTS at a $2 saving. And if you need a new Scotts Spreader he can save you an additional $5.

Got a problem? Ask your Scotts Dealer for a FREE LAWN CHECKUP.

Nonresident Students Bill Compromise Told

Nebraska's Legislature settled on a compromise Thursday in legislation related to the problem of high school districts closing their doors to children from outside the district

The issue has been a warm one in many Nebraska communities

Advanced from general file on a 28-5 vote Thursday was an amended LB643, requiring in effect that both the high school districts and the nonresident students planning to attend the high schools give advance notice

Here's what the amended bill provides

—Any high school which already has given notice that it will not accept nonresident students, or already has barred nonresident students, may continue on that course

No other high school may bar nonresident students before the 1964 65 school year—one year after next fall

—A high school wishing to bar nonresident students must give notice by Oct 1 of the preceding year

—A nonresident student **wishing to attend a high high school must make application by April 1 preceding** *the start of the school year*

. The amended version was proposed by Sen Elvin Adamson of Nenzel

Sen Arnold Ruhnke of Plymouth termed it a "good compromise" although neither the Nebraska State Education Association (NSEA) nor the Nebraska School Improvement Associa Improvement Association (NSIA) was happy with it

As originally introduced by Sens M M Forrester of Anselmo, Jerome Warner of Waverly and W H Hasebroock of West Point, LB643 would have placed more stringent limitations on high schools wishing to refuse admission to nonresidents

Sen Clifton Foster of Bradshaw was defeated 14 23 in an amendment which would have given high schools until June 1 to take action on nonresident students and thereby escape the restrictions of the bill

Bids Asked On 17 State Road Jobs

The State Department of Roads Thursday listed 17 construction projects at an estimated total value of $4 1 million for a proposed May 16 bid letting

The projects include 6 miles of grading, two bridges and a fence on the Interstate between the Seward and Goehner interchanges

ORDINANCE NO 8012

AN ORDINANCE establishing the official grades of certain streets in Lynn Subdivision an addition in the City of Lincoln, Nebraska with reference to a datum plane herein described and accepting and approving the plat of Lynn Subdivision an addition in the City of Lincoln Nebraska on April 15 1963 upon certain conditions herein specified and providing for a bond conditioned upon the strict compliance with such conditions

WHEREAS W F Hoppe Lumber Company a corporation owner of Lots 1 2 3 4, 5 and 6 Block 32 Normal Park and 7 feet of vacated alley on the west, and vacated 30 feet on the south and east and the west 165 feet of Lot 5 Irregular Tract in the Southwest Quarter of the Southeast Quarter of Section 32 Township 10 North Range 7 East of the 6th P M Lancaster County Nebraska having platted said real estate under the designation of Lynn Subdivision and having filed said plat on April 15 1963 with the City Clerk Of The City of Lincoln Nebraska with a request for approval and acceptance thereof in the manner and form as by ordinance required and

WHEREAS it is for the convenience of the inhabitants of said City of Lincoln Nebraska and for the public that said plat be approved and accepted as filed

NOW THEREFORE Be it ordained by the City Council of the City of Lincoln Nebraska

Section 1 That the grades of certain streets in Lynn Subdivision, an addition in the City of Lincoln Nebraska be and they are hereby established with reference to a datum plane which is located as follows Bench mark cut in water table at the northeast corner of the City Hall building is 79 74 feet above said datum plane said datum plane being coincident with the datum plane of what is known as the Harvey Grade

The grades hereby established shall be uniform straight lines between adjacent points hereinafter specified in said streets and between the grade points heretofore established by ordinance in adjacent streets

Section 2 Grade at the intersection of Myrtle Street and Lynn Circle South west corner 108 42 Southeast corner 108 50

Section 3 Grade at a point in Lynn Circle opposite the center of the cul de sac East side 107 50 West side 107 50

Section 4 Grade at a point in Lynn Circle at the end of the paving in the cul de sac 106 00

Section 5 That the plat of Lynn Subdivision filed in the office of the City Clerk of the City of Lincoln Nebraska by W F Hoppe Lumber Company a corporation as owner on April 15 1963, be and it hereby is approved and accepted and said owner be and it is hereby given the right to plat said Lynn Subdivision as an addition in the City of Lincoln Nebraska in accordance therewith Such acceptance and approval are conditioned upon the following conditions

First That the owner above set forth shall at its own cost and expense construct sidewalks in the sidewalk space on the south side of Myrtle Street within the limits of the plat and on both sides of Lynn Circle including the cul de sac within the limits of the plat in accordance with the ordinances of the City of Lincoln

Second That the owner above set forth shall at its own cost and expense pay for all labor material engineering and inspection costs in connection with the construction of an 18 inch diameter storm sewer in the easement provided therefor along the dividing line between Lots 7 and 8 of said plat All of the aforesaid construction shall be in conformance with the alignment grade and cross section as determined by the City, and owner shall pay all other expense in connection therewith Said storm sewer shall be constructed under the supervision of the City of Lincoln and title thereto shall be vested in the City of Lincoln The construction of said storm sewer shall be completed not later than June 1 1965

Third That the owner above set forth shall prior to the passage of this ordinance enter into a written agreement with the City of Lincoln agreeing that the City of Lincoln shall bring the streets to the official established grades as hereinabove set forth and construct the necessary street lighting sanitary sewers and water mains to serve the real estate in said addition and assess the cost thereof against the real estate in said addition in accordance with benefits accruing thereto

Section 6 That the owner above set forth shall prior to the passage of this ordinance execute and deliver to the City of Lincoln Nebraska a bond in the sum of $1500 00 which bond shall be approved by the City Council of the City of Lincoln Nebraska and shall be conditioned in paragraph designated First of the next preceding section of this ordinance and further conditioned that in the event the above named owner fails to comply with the conditions herein specified in this ordinance the City Council shall proceed to fulfill said conditions the cost thereof to be paid by the surety on said bond Such work shall be performed in the manner set forth in Title 26 of the Lincoln Municipal Code, known as the Land Subdivision Ordinance as now existing or as may hereafter be amended

That the owner above set forth shall prior to the passage of this ordinance, execute and deliver to the City of Lincoln Nebraska a bond in the sum of $1500 00 which bond shall be approved by the City Council of the City of Lincoln Nebraska and shall be conditioned upon the strict compliance by the owner above named with the conditions contained in paragraph designated Second of the next preceding section of this ordinance and further conditioned that in the event the above named owner fails to comply with the conditions herein set forth within the time specified in this ordinance the City Council shall proceed to fulfill said conditions the cost thereof to be paid by the surety on said bond Such work shall be performed in the manner set forth in Title 26 of the Lincoln Municipal Code known as the Land Subdivision Ordinance as now existing or as may hereafter be amended

Section 7 Immediately upon the taking effect of this ordinance the owners shall file a certified copy of this ordinance in the office of the Register of Deeds of Lancaster County, Nebraska

Section 8 This ordinance shall take effect and be in force from and after its passage and publication according to law

PROCLAMATION

BY VIRTUE OF AUTHORITY in me vested as Mayor of the City of Lincoln, *Nebraska I hereby proclaim and give* notice that a general city election will be held in said city on Tuesday, May 7 1963 for the purpose of electing

One (1) Mayor of the City of Lincoln Nebraska

Four (4) Councilmen of the City of Lincoln Nebraska

Three (3) Members of the Board for the Airport Authority for the City of Lincoln, Nebraska

Two (2) Members of the Board of Education of the School District of the City of Lincoln in the County of Lancaster in the State of Nebraska

There will also be submitted for adoption or rejection the following proposed amendment to Article VI, Section 3 and Article VIII, Section 3b, of the Charter of the City of Lincoln authorizing the City Council to order the improvement in any ornamental lighting district without petition when the improvement is within a district the outer boundaries of which are within a distance of one half mile from the block in which the City Hall is situated

ARTICLE VI Section 3

Sec 3 The city council shall have power to create ornamental lighting districts for the purpose of acquiring and installing ornamental lights, including poles, fixtures, wiring, underground conduits, and all necessary equipment and accessories, in or along any street streets, public grounds, public way or ways, within the city All such districts shall be known as "Ornamental Lighting Districts" and shall be created by ordinance and designate the property in the district to be benefited When such improvement is within a district, the outer boundaries of which are more than one half mile distance from the block in which is situated the city hall no such improvement shall be finally ordered by the city council until a petition signed by the owners of the record title representing a majority of the feet frontage of the property directly abutting upon the street streets public grounds, public way or ways proposed to be improved shall be presented and filed with the city clerk petitioning therefor Upon creation of any such Ornamental Lighting District and the filing of petitions as herein provided where required, the city council shall have power to advertise for bids for the installation construction and equipment thereof and to contract with the *lowest responsible bidder therefor* The cost thereof may be, in whole or in part, assessed proportionately to the benefits on the property specially benefited The special assessments shall be levied and assessed as provided in Section 14 of Article VIII The total amount of such special assessments shall be levied, one fifth thereof to be delinquent in fifty days from the levy and one fifth annually thereafter each installment to draw six per cent interest from the date of levy, payable annually, installments delinquent to draw interest at the rate of seven per cent per annum after the delinquent date, provided however that the city council shall have power and authority to fix the period of time not to exceed twenty years in which special assessments made against any property for the payment of the cost of such improvements may be made in accordance with the provisions of Article VIII Section 10a If one fifth of such special assessments be delinquent in fifty days after the levy and one fifth annually thereafter for the amount of the special assessments the city council, may by ordinance issue bonds known as "Ornamental Lighting District Bonds" payable in not to exceed five years from date with interest not exceeding 6 per cent per annum payable annually and such special assessments shall be a sinking fund for payment thereof If the city council exercises the power and authority to fix the period of time for payment of special assessments in accordance with the provisions of Article VIII Section 10a the city council shall have power and authority to issue bonds in accordance with the provisions of Article VIII Section 10a

ARTICLE VIII Section 3b

Sec 3b The city council may order such improvements of any street alley, alleys public way or public grounds and cause them to be made

(1) When it is embraced within a district the outer boundaries of which are within a distance of one and one half miles from the block in which the City Hall is situated or

(2) When the street is part of a street designated by ordinance as an arterial street

The City Council may also without petition order the streets alleys and sidewalk space in any grading district to be graded to the established grade and construct sidewalks,

The City Council may also without petition order the improvement in any ornamental lighting district when the improvement is embraced within a district, the outer boundaries of which are within a distance of one half mile from the block in which the City Hall is situated

Said Article VI Section 3 and Article VIII, Section 3b, as now existing be and they are hereby repealed

The said election will be held in each precinct within the city in the regular designated polling places between the hours of 8 00 o'clock A M and 8 00 o clock P M on said date

IN WITNESS WHEREOF I have hereunto set my hand officially and affixed the seal of the City of Lincoln Nebraska this 23rd day of April 1963

NOTICE OF PROPOSED AMENDMENT TO THE CITY CHARTER OF THE CITY OF LINCOLN NEBRASKA

Notice is hereby given that at the city general election to be held in the City of Lincoln Nebraska on Tuesday May 7 1963 between the hours of 8 00 o clock a m and 8 00 o clock p m there shall be submitted to a vote of the qualified electors of said city for adoption or rejection the following amendment to Article VI Section 3 and Article VIII Section 3b of the Charter of the City of Lincoln as shown by the following resolution adopted by the City Council

RESOLUTION NO A 52667

BE IT RESOLVED by the City Council of the City of Lincoln Nebraska

That at the city general election to be held on the 7th day of May 1963 there shall be submitted to a vote of the qualified electors of the City of Lincoln Nebraska for adoption or rejection the following proposition to amend the Charter of the City of Lincoln

A PROPOSITION TO AMEND ARTICLE VI, SECTION 3 AND ARTICLE VIII SECTION 3b OF THE CHARTER OF THE CITY OF LINCOLN NEBRASKA, AUTHORIZING THE CITY COUNCIL TO ORDER THE IMPROVEMENT IN ANY ORNAMENTAL LIGHTING DISTRICT WITHOUT PETITION WHEN THE IMPROVEMENT IS WITHIN A DISTRICT THE OUTER BOUNDARIES OF WHICH ARE WITHIN A DISTANCE OF ONE HALF MILE FROM THE BLOCK IN WHICH THE CITY HALL IS SITUATED TO READ AS FOLLOWS

ARTICLE VI Section 3

Sec 3 The city council shall have power to create ornamental lighting districts for the purpose of acquiring and installing ornamental lights including poles fixtures wiring, underground conduits and all necessary equipment and accessories in or along any street streets public grounds public way or ways within the city All such districts shall be known as Ornamental Lighting Districts and shall be created by ordinance and designate the property in the district to be benefited When such improvement is within a district the outer boundaries of which are more than one half mile distant from the block in which is situated the city hall no such improvement shall be finally ordered by the city council until a petition signed by the owners of the record title, representing a majority of the feet frontage of the property directly abutting upon the street streets, public grounds public way or ways proposed to be improved shall be presented and filed with the city clerk petitioning therefor Upon creation of any such Ornamental Lighting District and the filing of petitions as herein provided where required the city council shall have power to advertise for bids for the installation construction and equipment thereof and to contract with the lowest responsible bidder therefor The cost thereof may be, in whole or in part assessed proportionately to the benefits on the property specially benefited. The special assessments shall be levied and assessed as provided in Section 14 of Article VIII The total amount of such special assessments shall be levied one fifth thereof to be delinquent in fifty days from the levy and one fifth annually thereafter each installment to draw six per cent interest from the date of levy, payable annually installments delinquent to draw interest at the rate of seven per cent per annum after the delinquent date provided however that the city council shall have power and authority to fix the period of time, not to exceed twenty years in which special assessments made against any property for the payment of the cost of such improvements may be made in accordance with the provisions of Article VIII, Section 10a If one fifth of such special assessments be delinquent in fifty days after the levy and one fifth annually thereafter, for the amount of the special assessments the city council, may by ordinance issue bonds known as "Ornamental Lighting District Bonds," payable in not to exceed five years from date with interest not exceeding 6 per cent per annum, payable annually and such special assessments shall be a sinking fund for payment thereof If the city council exercises the power and authority to fix the period of time for payment of special assessments in accordance with the provisions of Article VIII, Section 10a, the city council shall have power and authority to issue bonds in accordance with the provisions of Article VIII, Section 10a

ARTICLE VIII, Section 3b

Sec 3b The city council may order such improvements of any street, alley, alleys, public way or public ground and cause them to be made

(1) When it is embraced within a district, the outer boundaries of which are within a distance of one and one half miles from the block in which the City Hall is situated or

(2) When the street is part of a street designated by ordinance as an arterial street

The City Council may also without petition order the streets alleys, and sidewalk space in any grading district to be graded to the established grade and construct sidewalks

The City Council may also without petition order the improvement in any ornamental lighting district when the improvement is embraced within a district the outer boundaries of which are within a distance of one half mile from the block in which the City Hall is situated

Said Article VI Section 3 and Article VIII Section 3b as now existing be and they are hereby repealed

Said amendment shall be submitted to the qualified electors as PROPOSITION TO AMEND CHARTER on the ballot and shall be printed on the ballot in the following form

PROPOSITION TO AMEND CHARTER

Shall the Charter of the City of Lincoln be amended by amending Article VI Section 3 and Article VIII Section 3b to authorize the city council to order the improvement in any ornamental lighting district without petition when the improvement is within a district the outer boundaries of which are within a distance of one half mile from the block in which the City Hall is situated as proposed in the notice of election?

Vote FOR or AGAINST

☐ I vote FOR the proposed amendment

☐ I vote AGAINST the proposed amendment

That the City Clerk is hereby directed to publish with his official certification, three times a week apart, the full text of the proposed amendment to be voted upon

Halts
Turf Builder

"A car stopped and a stranger got out to feel our grass —it's that beautiful!" Mrs H M

Wondering how to have a better lawn, free of crabgrass? Read these letters

No pulling "What a relief not to have to sit in the sun pulling crabgrass HALTS is the greatest gift you have given the lawnmaker" T E H

Most proud fella. "I am the most proud fella No crabgrass, and my lawn is a thick carpet thanks to TURF BUILDER" I W B

The clincher. "HALTS did a marvelous job of eliminating crabgrass last year Put it on again this year for a clincher Also TURF BUILDER Have the best grass in the five years I've owned our home" A L N

Simple explanation. "When neighbors ask why my lawn is so much greener than theirs I explain it's because they aren't using TURF BUILDER It's truly remarkable." B T

Congratulations. "After a single treatment of HALTS I didn't find crabgrass except in the places I missed at the edges. Congratulations on a good product" R W M

In the middle. "We have crabgrass in the lawns next door—and moles We're free!" R E.

Big change. "Ever since I bought my Scotts Spreader and a bag of TURF BUILDER things haven't been the same at our place. You have solved our problem" O L M.

Not the same We thought all fertilizers were the same until a neighbor told us about TURF BUILDER All I can say is — our lawn is now as thick as a carpet" A M.

These are your neighbors speaking

They found out how to have a lovely lawn, crabgrass free, and they're telling the world

It's no secret Stop the crabgrass before it starts—with HALTS,* America's best known crabgrass control And use TURF BUILDER,* America's most wanted lawn fertilizer You can put both on a 2500 sq ft lawn in less than half an hour And if you want to plant seed, you can do so at the same time. No need to wait a month or two as with other crabgrass controls

How to save a quick $2 *(or even $7!)*

Right now your Scotts Dealer is making a special offer—a bag of TURF BUILDER and a bag of HALTS at a $2 saving And if you need a new Scotts Spreader he can save you an additional $5

Got a problem? Ask your Scotts Dealer for a FREE LAWN CHECKUP.

May See Nik Again In Try To Revive Talks

Washington (AP) — Despite a rebuff from Premier Khrushchev, the State Department indicated Thursday the U.S. and British ambassadors may see him again in an effort to revive the stalled Geneva test-ban talks.

In a 90-minute session with the ambassadors in Moscow Wednesday, Khrushchev spurned a proposal to intensify and speed up the nuclear test-ban negotiations.

Khrushchev was reported to have talked in tough terms to the two envoys and to have threatened to withdraw his limited offer to allow two or 3 on-site inspections inside Russia to enforce a test-ban treaty.

A Washington interpretation of the report from U.S. Ambassador Foy Kohler on the Kremlin session was that while Khrushchev took a hard line, he did not completely and finally slam the door on a test-ban pact.

One reason for a feeling here that serious negotiations have not been definitely foreclosed is that Khrushchev has yet to answer in writing the joint letter from Kennedy and British Prime Minister Harold Macmillan which was presented to the Soviet boss by the two ambassadors Wednesday.

State Department Press Officer Lincoln White said "I assume the ambassadors will meet with Mr. Khrushchev or somebody else on this subject in the future."

Disappointed

White did not deny that the United States is disappointed by Khrushchev's position in his discussion with the ambassadors.

After getting Kohler's preliminary report Wednesday, Kennedy said he is "not sanguine" over prospects for a test ban. He termed the U.S.-British appeal part of a determined effort to "prevent failure from coming upon us this spring."

White referred to an earlier Kennedy statement in telling newsmen why the United States still is trying to get Soviet agreement to outlaw atomic explosions. He referred to the President's March 21 news conference statement that:

"The reason why we keep moving and working on this question, taking up a good deal of energy and effort, is because personally I am haunted by the feeling that by 1970, unless we are successful, there may be 10 nuclear powers instead of 4, and by 1975, 15 or 20 . . . I regard that as the greatest possible danger and hazard."

City Deanery Of Catholic Women Elects Officers

Mrs. H. J. Schamp was elected president of the Lincoln Deanery of Catholic Women at the spring meeting of the organization Wednesday.

Other officers elected were Mrs. Fred Nevels Jr., vice president; Mrs. Robert Sherman, 2nd vice president; Mrs. Richard King, secretary; Mrs. John Schlesser, treasurer; Mrs. Nathan Pont, auditor; Mrs. Joe Carter, parliamentarian; Mrs. John Flaherty and Mrs. Frank Nieman, directors.

Mrs. James Carrier and Mrs. Ella Draper were elected delegates to the Diocesan Council of Catholic Women Convention to be held in Lincoln May 8th and 9th. Mrs. Harold Sherman and Mrs. Joseph Klecthka were elected alternates.

Bible Most Translated

Paris (AP) —The Bible held its position as the world's most-translated work during 1961, says the United Nations Educational, Scientific and Cultural Organization. In second place? Lenin.

Car Advertised; Spouse Won't Fit

Denver (AP) — A classified advertisement in the Denver Post was headed, "Pregnant," and went on to say:

"Wife won't fit. Must sell second love, 1960 Triumph TR3, red with white top. Good rubber, excellent condition."

Hoboes Blamed For Fire Which Damaged Boxcar

Hoboes who left an empty wine bottle behind were held responsible for a fire Thursday night that considerably damaged an empty boxcar in the Burlington Railroad yards.

Four fire engines and two fire trucks sped to the night-darkened scene approximately 1,000 feet north of Harris Overpass on O St.

Burlington Special Agent Bob Rice estimated damage to the boxcar at $200. It was one of between 40 and 50 other railroad freight cars standing on sidetracks awaiting repairs at the CB&Q's Havelock shops.

Rice said the yard area is a favorite hobo hangout.

SEMINAR SET

Omaha (UPI)—The Creighton University pharmacy seminar will be held Saturday with discussion topics ranging from new drugs to the Kerr-Mills medical-care plan.

Pharmacists from Nebraska and western Iowa will attend.

Herrington Says New Mayor Has Proposal Power

Fred Herrington said Thursday that Lincoln's full-time mayor will definitely have to make proposals for legislation to the City Council, although his primary duties will be city administration.

Herrington, a candidate for mayor, pointed out the city charter provides specifically that the mayor "shall have the power . . . to propose legislation and to call special meetings of the council."

In addition to the duty of supervising all departments and agencies of city government, Herrington stated, the charter requires the mayor promote and encourage improvement of city government, commercial and industrial growth and the prosperity and social well-being of its people.

"A study of the city charter has shown me that Lincoln's next mayor must take a stand on issues like street construction, parks and recreation, attracting industry and providing jobs for youngsters who don't go on to college."

May See Nik Again In Try To Revive Talks

Washington (AP) — Despite a rebuff from Premier Khrushchev, the State Department indicated Thursday the U.S. and British ambassadors may see him again in an effort to revive the stalled Geneva test-ban talks.

In a 90-minute session with the ambassadors in Moscow Wednesday, Khrushchev spurned a proposal to intensify and speed up the nuclear test-ban negotiations.

Khrushchev was reported to have talked in tough terms to the two envoys and to have threatened to withdraw his limited offer to allow two or 3 on-site inspections inside Russia to enforce a test-ban treaty.

A Washington interpretation of the report from U.S. Ambassador Foy Kohler on the Kremlin session was that while Khrushchev took a hard line, he did not completely and finally slam the door on a test-ban pact.

One reason for a feeling here that serious negotiations have not been definitely foreclosed is that Khrushchev has yet to answer in writing the joint letter from Kennedy and British Prime Minister Harold Macmillan which was presented to the Soviet boss by the two ambassadors Wednesday.

State Department Press Officer Lincoln White said "I assume the ambassadors will meet with Mr. Khrushchev or somebody else on this subject in the future."

Disappointed

White did not deny that the United States is disappointed by Khrushchev's position in his discussion with the ambassadors.

After getting Kohler's preliminary report Wednesday, Kennedy said he is "not sanguine" over prospects for a test ban. He termed the U.S.-British appeal part of a determined effort to "prevent failure from coming upon us this spring."

White referred to an earlier Kennedy statement in telling newsmen why the United States still is trying to get Soviet agreement to outlaw atomic explosions. He referred to the President's March 21 news conference statement that:

"The reason why we keep moving and working on this question, taking up a good deal of energy and effort, is because personally I am haunted by the feeling that by 1970, unless we are successful, there may be 10 nuclear powers instead of 4, and by 1975, 15 or 20 . . . I regard that as the greatest possible danger and hazard."

THE FORMULA FOR SUCCESS IS:

specialize in your work, and do the best job possible by contributing extra effort. This is what Gilmour - Danielson's pharmacists practice. Perhaps that's why they have filled hundreds of thousands of prescriptions over the past 36 years. People know they can count on Gilmour-Danielson's 24-hour service seven days a week, year after year. This kind of success deserves your patronage.

City Deanery Of Catholic Women Elects Officers

Mrs. H. J. Schamp was elected president of the Lincoln Deanery of Catholic Women at the spring meeting of the organization Wednesday.

Other officers elected were Mrs. Fred Nevels Jr., vice president; Mrs. Robert Sherman, 2nd vice president; Mrs. Richard King, secretary; Mrs. John Schlesser, treasurer; Mrs. Nathan Pont, auditor; Mrs. Joe Carter, parliamentarian; Mrs. John Flaherty and Mrs. Frank Nieman, directors.

Mrs. James Carrier and Mrs. Ella Draper were elected delegates to the Diocesan Council of Catholic Women Convention to be held in Lincoln May 8th and 9th. Mrs. Harold Sherman and Mrs. Joseph Klecthka were elected alternates.

Bible Most Translated

Paris (AP)—The Bible held its position as the world's most-translated work during 1961, says the United Nations Educational, Scientific and Cultural Organization. In second place? Lenin.

Car Advertised; Spouse Won't Fit

Denver (AP) — A classified advertisement in the Denver Post was headed, "Pregnant," and went on to say:

"Wife won't fit. Must sell second love, 1960 Triumph TR3, red with white top. Good rubber, excellent condition."

Hoboes Blamed For Fire Which Damaged Boxcar

Hoboes who left an empty wine bottle behind were held responsible for a fire Thursday night that considerably damaged an empty boxcar in the Burlington Railroad yards.

Four fire engines and two fire trucks sped to the night-darkened scene approximately 1,000 feet north of Harris Overpass on O St.

Burlington Special Agent Bob Rice estimated damage to the boxcar at $200. It was one of between 40 and 50 other railroad freight cars standing on sidetracks awaiting repairs at the CB&Q's Havelock shops.

Rice said the yard area is a favorite hobo hangout.

SEMINAR SET

Omaha (UPI)—The Creighton University pharmacy seminar will be held Saturday with discussion topics ranging from new drugs to the *Kerr-Mills medical-care plan.*

Pharmacists from Nebraska and western Iowa will attend.

Herrington Says New Mayor Has Proposal Power

Fred Herrington said Thursday that Lincoln's full-time mayor will definitely have to make proposals for legislation to the City Council, although his primary duties will be city administration.

Herrington, a candidate for mayor, pointed out the city charter provides specifically that the mayor "shall have the power . . . to propose legislation and to call special meetings of the council."

In addition to the duty of supervising all departments and agencies of city government, Herrington stated, the charter requires the mayor promote and encourage improvement of city government, commercial and industrial growth and the prosperity and social well-being of its people.

"A study of the city charter has shown me that Lincoln's next mayor must take a stand on issues like street construction, parks and recreation, attracting industry and providing jobs for youngsters who don't go on to college."

Stock Market Closes Mixed

New York (AP) — The stock market Thursday repeated a familiar 1963 pattern-declining early in the day, then cutting losses and ending the session no worse than mixed.

Most popular market barometers were slightly higher although in the over-all list, losers outnumbered gainers by a fairly narrow margin.

The market eased back in early trading from its latest 1963 peaks as volume diminished somewhat from Wednesday's pace.

Late in the day a recovery movement erased many losses and established gains among many blue chips which had been laggard earlier.

The Dow Jones industrial average, which had been down as much as 1.80 at 2 p.m., ended the day with a net gain of .59 at 718.33.

Among the 1,327 issues traded, however, losers outnumbered the gainers by 566 to 500. Highs for the year totaled 96 and new lows 19.

Volume, a vigorous 5.03 million shares, was down from Wednesday's 5.91 million.

The Associated Press average of 60 stocks eased a minimal .1 to 270.9 from its latest historic peak. Industrials were off .5, rails unchanged and utilities up .1.

U.S. Steel returned to the top of the list of most-active stocks, losing ⅜ at 50¼ on 103,900 shares.

Bethlehem, which reported after the close that its earnings were about half of what they were a year ago, closed with net gain of ⅛. Jones & Laughlin gained ⅝.

Chrysler fell 1⅜ as it encountered profit-taking again.

Prices were irregularly higher on the American Stock Exchange.

Corporate and U.S. government bonds were mixed.

MARKETS AT GLANCE

New York (AP)—

Stocks — Lower; profit taking.

Bonds — Mixed; corporates weak.

Cotton — Higher; trade and commission house buying.

Chicago:

Wheat—Mostly lower, May firm.

Corn — Firm; moderate; short covering.

Oats — Firm with corn.

Soybeans — Strong; bullish government report.

Hogs — Steady to 25 cents lower; top $14.65.

Slaughter steers — Mostly steady with top $24.25.

Light Weight Butcher Hogs Fully Steady

Omaha (AP) — Lighter weight butcher hogs were fully steady to up a quarter in Omaha Thursday but weights over 250 pounds were steady to weak. Sows were steady to strong. Steers and heifers were generally steady. Slaughter lambs were fully steady.

OMAHA

Hogs: 11,000. Barrows and gilts under 250 pounds fully steady to 25 higher. Weights over 250 lbs steady to weak. Sows steady to strong; 1-2 190-250 lbs. 14.00-14.50; 1-3 190-250 lbs. 13.75-14.00; 320-400 lb sows 12.25-12.75; 400-695 lbs 11.25-12.25.

Cattle: 2,000, calves 25. Steers and heifers generally steady, bulls and vealers steady. High choice with few prime 1,161 lb steers 23.00; choice 21.75-22.50; good and choice 21.50-22.00; good 20.25-21.50. Heifers good and low choice 20.00-22.25; utility cows 15.00-16.50; few commercial 16.75-17.00; canners and cutter 13.50-15.00, some 15.25-15.50.

Sheep: 1,000. Slaughter lambs fully steady, choice shorn lambs No. 1 and fall shorn pelts 19.50-20.00; fall shorn 110 lbs 20.25. Utility and good shorn ewes 2 and 3 pelts 5.50-6.75.

CHICAGO

Hogs: 6-500; butchers steady to 25 lower; 1-2 190-225 lb. butchers 14.25-14.50; liberal supply at 14.50 and around 90 head at 14.65; mixed 1-3 190-240 lbs. 13.85-14.35; 230-260 lbs. 13.75-14.00; 2-3 250-280 lbs. 13.25-13.75; 280-310 lbs. 12.85-13.25; mixed 1-3 350-400 lb. sows 12.00-12.50; 400-500 lbs. 11.75-12.25; 2- 500-600 lb. 11.50-11.75.

Cattle: 1,000; calves none; slaughter steers mostly steady; two loads high choice and prime around 1,450 lb. slaughter steers 24.25; several loads choice 1,050-1,125 lb. 23.00; few loads good and choice 22.50-22.75; standard and low good 19.00-21.50; few small lots good and choice 850-950 lb. slaughter heifers 22.50-22.75; most good 20.50-22.00.

Sheep: 100; not enough of any one class for a market test.

Butcher hogs sold steady to 25 cents lower Thursday for the supply of 6,500 head, smallest in more than a week.

Mixed No. 1 and 2 grades were mostly unchanged at $14.25-14.50 for 190-225 lb weights although a few reached $14.65. The mixed 1-3 grades weighing 190-260 lbs went at $13.75 and up and the heavier mixed 2s and 3s at $12.85-13.75.

The usual small Thursday supply of slaughter steers included a few 1,450 lb mixed high choice and prime which sold at $24.25 with prices mostly steady. The mixed good and choice to high choice were $22.50-24.10.

Heifers were steady at $20.50-22.75 for mostly good to mixed good and choice.

No sales were reported from the meager sheep supply.

KANSAS CITY

Hogs: 3,000; barrows and gilts steady to weak; sows about steady; 1-2, 200-230 lbs 14.00; 1-3, 190-240 lbs 13.75; sows 12.00-12.75.

Cattle: 300; calves 150; steers, heifers, cows, bulls generally steady; high good to mostly choice steers 21.75-22.75; canner and cutter 13.00-15.00.

Sheep: 500; shorn and spring lambs about steady; choice and prime 99 lb spring lambs 22.00; choice 103 lb shorn lambs No. 1 pelts 21.00.

ST. JOSEPH

Hogs: 5,500; barrows and gilts steady to weak; sows fully steady; 1-2, 200-240 lbs 13.75-14.00; 30 head 14.10; 60 head 14.25; sows 11.50-12.75.

Cattle: 600; calves 25; steers and heifers fully steady; cows steady to 25 higher; average to high choice steers 22.85; good and low choice 22.00; good and choice heifers 21.25-21.50; utility and commercial cows 15.00-16.50; canner and cutter 13.00-15.50.

Sheep: 1,000; slaughter lambs steady mostly choice shorn No. 1 pelts 20.00; utility and good shorn ewes 6.00-6.50.

SIOUX CITY

Hogs: 10,500; barrows and gilts steady to weak, some 25 lower; sows mostly steady; 1-3, 190-240 lbs 13.75-14.00; 150 head 14.10; sows 11.75-12.75.

Cattle: 5,000; calves none; steers under 1,200 lbs and heifers fully steady; heavier steers mostly steady; choice steers 22.00-22.50; average and high choice 22.60-22.75; high choice and prime 1,400 lbs 22.50; high choice few prime 1,275-1,300 lbs 23.00; high good and choice 20.50-22.00; choice heifers 22.00-22.50; average few high choice 22.60; high good and choice 20.00-22.00; utility and commercial cows 15.00-17.00; canner and cutter 13.00-14.50.

Sheep: 500; slaughter lambs 25 higher; choice and prime 100 lb spring lambs 22.50; choice shorn No. 1 pelts 21.50.

DENVER

Hogs: 700. Barrows and gilts 15.25 higher, instances 50 higher. Sows 25-50 higher. 1-2 180-230 lbs 14.50-14.75; 1-3 190-240 lbs 14.00-16.40; 270-325 lbs sows 12.00-12.25; 325-450 lbs 10.75-11.50.

Cattle: 1,500. Steers strong to 25 higher. Choice steers 22.00-23.00; choice yearling 885 lbs 23.25; good and low choice 20.30-22.00.

Sheep: 200, ewes steady. Cull and utility shorn ewes No. 3 pelts 4.10-6.80.

Soybeans Post Broad Advance

Chicago (AP) — Soybean futures posted one of their broadest advances in months Thursday on a government report which most traders viewed as decidedly bullish.

Advances ran to about 6 cents a bushel at the extreme but finished slightly lower on scattered late profit-cashing.

Old crop wheat was a little weaker but all other grain constracts ended with gains reaching major fractions in spots.

The strength in soybeans was credited to the government's report of stocks in all positions on April 1. It showed soybeans at 343.5 million bushels which was considerably under most trade estimates. It compared with 355.9 mullion at the same time a year ago.

At the close, wheat was ⅝ cent a bushel higher to ⅞ lower, May $2.10⅛-10; corn ⅜-⅝ higher, May $1.17⅞-¾; oats ⅛-½ higher, May 70¼-⅜; rye ¾ higher to ¼ lower, May $1.29¼; soybeans 2¾-5⅞ higher, May $2.60⅞-⅝.

EVERYBODY'S MONEY:

Automation Essential To U.S. Economic Primacy

By Merryle S. Rukeyser

Rukeyser

Legitimate concern over persistent unemployment in the United States during even a rising phase of the business cycle should not becloud the basis for high living standards.

There is a danger in concentrating on the 6% or thereabouts unemployed, and neglecting to understand the creative force of better technology, which makes possible the unrivaled American high standard of living.

Emotionally, there is a tendency to get mad at automation, which releases manpower from routine jobs. But, while this process creates important social problems of adjustment to change, we should honor automation as an essential step toward retaining American global economic primacy.

The realities can perhaps be visualized in sharper focus if we recognize that to reverse the process of progress, and reduce machine efforts to supplement human energy, would not solve unemployment, but would threaten the job security of the vast number now gainfully employed.

For in a competitive world, job security depends on getting down unit costs so that we avoid pricing our goods out of the market. The unparalleled availability to American families of comfort goods, including automobiles, TV's, radios, telephone, and all varieties of labor saving electric household appliances, has resulted from technical skill in reducing the cost of a product in terms of the number of manhours expended. This development has been as spectacular in American agriculture as in industry.

Destructive Approach

To reverse the beneficient process and get mad at the automated and highly mechanized tools of production would entail killing the goose which lays the golden eggs. Such a destructive approach would not only reduce American standards of living, but would weaken our national capacity to survive in competitive co-existence with Communism and with new groupings, such as the Common Market, in the free world.

Instead of fighting constructive change, we should recognize its implications, and reflect new and prospective circumstances in our educational institutions. In headline terms, the impact is greatly to shrink the total demand for common labor. Against this contraction is an expanding demand for men and women with new techinical skills. As manpower has been released from primary production in making things, there has been a big significant shift in demand for human services in all varieties of expanding service occupations.

From a practical standpoint, it doesn't make sense to expect men displaced by machines to whoop it up and applaud the trend which makes them martyrs to progress. On the human side, new creative policies are needed, including retraining displaced workers in new and marketable skills. In addition, the ruthlessness of the shift can be mitigated by employer policies not to discharge present employees but to take up the slack through attrition, that is, through not replacing those who resign, move away, die or retire. This at least gives a sense of security to those now on payrolls. Attrition, however, does not meet the problem of large numbers of youngsters who each year enter the labor force. For them industry can do a job through innovation—through introducing desirable new products and services resulting from creative research and new product exploration. Fortunately, Americans are today making unprecendented efforts in conscious application of science and invention to this problem.

A spokesman for a technological leader, the E. I. du Pont de Nemours Company, Henry B. du Pont, vice president, in a lecture before the College of Engineering of the University of Rhode Island, injected common sense into the discussion of automation.

Fact Overlooked

"Progress," he said, 'is seldom achieved without some maladjustments . . . Those who see automation only as a bogey man overlook the fact that without automatic controls and instrumentation, many useful products could not exist at all, and the thousands of jobs created by nylon, modern plastics and other new developments would never have come into being.

"Our advancing technology . . . is as much the product of financial investment, management judgment and market development as it is of scientific inquiry. It represents the sum total of our entire culture. If we need the scientist to lead us down unknown trails and the engineer to devise the complex machines that follow, we need also the sociologist to anticipate their impact, the philosopher to weigh their values, and the theologian to remind us that man's greatest exploits are still subject to God's will."

In stressing the humane aspects, du Pont stated: "Technology has succeeded spectacularly in America because we have rejected the thesis of man as a beast of burden and valued his ingenuity above his physical strength. It is true that giant strides have been made in fulfilling our desire for abundance. I prefer, however, to think of the even greater progress which we can reckon in terms of educational opportunity, in extended life expectancy, in a healthy childhood for our youngsters, in the cultural growth of our society, and in the liberation of men's minds for achievements beyond heavy physical toil."

(Mr. Rukeyser will be pleased to receive inquiries from readers concerning their financial problems. Letters with self-addressed, stamped envelopes should be sent in care of The Lincoln Star. Questions of general interest will be answered in the column.)

OMAHA FEEDS AND HAY

Alfalfa: No. 1 ,$23-24; No. 2, $21-22; No. 3, $17-19; sample grade, no demand.

Upland Prairie: No. 1, $23; No. 2, $21-22; oN. 3, $14-16; sample, $12-13.

Stock Market Closes Mixed

New York (AP) — The stock market Thursday repeated a familiar 1963 pattern declining early in the day, then cutting losses and ending the session no worse than mixed

Most popular market barometers were slightly higher although in the over-all list, losers outnumbered gainers by a fairly narrow margin

The market eased back in early trading from its latest 1963 peaks as volume diminished somewhat from Wednesday's pace

Late in the day a recovery movement erased many losses and established gains among many blue chips which had been battered earlier

The Dow Jones industrial average, which had been down as much as 1 60 at 2 p m ended the day with a net gain of 59 at 728 33

Among the 1 327 issues traded however losers outnumbered the gainers by 556 to 500 Highs for the year totaled 96 and new lows 19

Volume a vigorous 5 03 million shares was down from Wednesday's 5 31 million

The Associated Press average of 60 stocks eased a minimal 1 to 270 0 from its latest historic peak Industrials were off 5 rails unchanged and utilities up 1

U S Steel returned to the top of the list of most active stocks losing ⅛ at 50¼ on 101 000 shares

Bethlehem which reported after the close that its earnings were about half of what they were a year ago, closed with net gain of ⅛ Jones & Laughlin gained ⅝

Chrysler fell 1⅛ as it encountered profit taking again

Prices were irregularly higher on the American Stock Exchange

Corporate and U S government bonds were mixed

MARKETS AT GLANCE

New York (AP)—

Stocks — Lower; profit taking

Bonds — Mixed; corporates weak

Cotton — Higher; trade and commission house buying

Chicago·

Wheat—Mostly lower, May firm

Soybeans Post Broad Advance

Chicago (AP) — Soybean futures posted one of their broadest advances in months Thursday on a government report which most traders viewed as decidedly bullish

Advances ran to about 6 cents a bushel at the extreme but finished slightly lower on scattered late profit cashing

Old crop wheat was a little weaker but all other grain contracts ended with gains reaching major fractions in spots

The strength in soybeans was credited to the government's report of stocks in all positions on April 1 It showed soybeans at 343 5 million bushels which was considerably under most trade estimates It compared with 355 9 million at the same time a year ago

At the close wheat was ⅛ cent a bushel higher to ⅝ lower, May $2 10⅛ 10 corn ⅜ ⅝ higher May $1 17⅞ ¾ oats ⅛ ½ higher May 70⅞-¾ rye ¾ higher to ¼ lower May $1 29¼ soybeans 2¾ 5⅝ higher May $2 60⅞ ⅝

EVERYBODY'S MONEY:

Automation Essential To U.S. Economic Primacy

By Merryle S Rukeyser

Legitimate concern over persistent unemployment in the United States during even a rising phase of the business cycle should not becloud the basis for high living standards

Rukeyser

There is a danger in concentrating on the 6% or thereabouts unemployed, and neglecting to understand the creative force of better technology, which makes possible the unrivaled American high standard of living

Emotionally, there is a tendency to get mad at automation, which releases manpower from routine jobs But, while this process creates important social problems of adjustment to change, we should honor automation as an essential step toward retaining American global economic primacy

The realities can perhaps be visualized in sharper focus if we recognize that to reverse the process of progress and reduce machine efforts to supolement human energy would not solve unemployment but would threaten the job security of the vast number now gainfully employed

For in a competitive world job security depends on getting down unit costs so that we avoid pricing our goods out of the market The unparalleled availability to American families of comfort goods, including automobiles TV's, radios, telephone, and all varieties of labor saving electric household appliances, has resulted from technical skill in reducing the cost of a product in terms of the number of manhours expended This development has been as spectacular in American agriculture as in industry

Destructive Approach

To reverse the beneficient process and get mad at the automated and highly mechanized tools of production would entail killing the goose which lays the golden eggs Such a destructive approach would not only reduce American standards of living, but would weaken our national capacity to survive in competitive co existence with Communism and with new groupings such as the Common Market in the free world

Instead of fighting constructive change, we should recognize its implications, and reflect new and prospective circumstances in our educational institutions In headline terms, the impact is greatly to shrink the total demand for common labor Against this contraction is an expanding demand for men and women with new technical skills As manpower has been released from primary production in making things, there has been a big significant shift in demand for human services in all varieties of expanding service occupations

From a practical standpoint, it doesn't make sense to expect men displaced by machines to whoop it up and applaud the trend which makes them martyrs to progress On the human side, new creative policies are needed, including retraining displaced workers in new and marketable skills In addition, the ruthlessness of the shift can be mitigated by employer policies not to discharge present employees but to take up the slack through attrition that is, through not replacing those who resign move away, die or retire This at least gives a sense of security to those now on payrolls Attrition, however, does not meet the problem of large numbers of youngsters who each year enter the labor force For them industry can do a job through innovation—through introducing desirable new products and services resulting from creative research and new product exploration Fortunately Americans are today making unprecendented efforts in conscious application of science and invention to this problem

A spokesman for a technological leader the E I du Pont de Nemours Company Henry B du Pont, vice president in a lecture before the College of Engineering of the University of Rhode Island, injected common sense into the discussion of automation

Fact Overlooked

"Progress," he said is seldom achieved without some maladjustments Those who see automation only as a bogey man overlook the fact that without automatic controls and instrumentation, many useful products could not exist at all and the thousands of jobs created by nylon, modern plastics and other new developments would never have come into being

"Our advancing technology is as much the product of financial investment, management judgment and market development as it is of scientific inquiry It represents the sum total of our entire culture If we need the scientist to lead us down unknown trails and the engineer to devise the complex machines that follow, we need also the sociologist to anticipate their impact, the philosopher to weigh their values, and the theologian to remind us that man's greatest exploits are still subject to God's will"

In stressing the humane aspects, du Pont stated Technology has succeeded spectacularly in America because we have rejected the thesis of man as a beast of burden and valued his ingenuity above his physical strength It is true that giant strides have been made in fulfilling our desire for abundance I prefer, however to think of the even greater progress which we can reckon in terms of educational opportunity in extended life expectancy in a healthy childhood for our youngsters in the cultural growth of our society and in the liberation of men's minds for achievements beyond heavy physical toil

(Mr Rukeyser will be pleased to receive inquiries from readers concerning their financial problems Letters with self addressed stamped envelopes should be sent in care of The Lincoln Star Questions of general interest will be answered in the column)

Alcoholism Called Problem For All By Noted Authority

By GERRY WRIGHT
Star Staff Writer

Every individual must take the responsibility of informing himself and telling his friends about alcoholism, the executive director of the National Council on Alcoholism said Thursday.

Mrs. Marty Mann of New York City told some 275 Nebraska welfare personnel attending the 66th annual conference of the Nebraska Welfare Assn., that alcoholism is a public health problem and therefore it is everyone's responsibility.

"In coming to grips with this challenge, it is later than we think. We have a runaway problem on our hands," she said.

"We've abdicated the responsibility in many cases . . . and have turned our back on it, tried to call it anything other than what it is," Mrs. Mann added.

She explained the importance of education in overcoming the conviction of most people that those who drink are "no good."

She related her personal experience as an alcoholic, noting that she like most average Americans had thought that those who drank "probably came from among the seriously underprivileged and had never had a chance."

"I knew there must be something seriously wrong but accepted the idea that what was wrong was in their background, character, etc., and it didn't really happen to nice people," she said.

However, she said she discovered that alcoholism is not limited to one area, one group or one class. "No one is immune."

Mrs. Mann emphasized that the problem exists and only by making information about it available to all will the alcoholism problem be lessened.

Most people behave like children and ostriches about alcoholism, she said, "if we don't look at it, maybe it will go away."

In the morning session of the conference, a Chicago attorney, Dr. Alex Elson, emphasized the importance of the juvenile court.

"The challenge of today is to fulfill the promise of the juvenile court," he said.

He also noted that in order for this challenge to be met, critical analysis of how the court is functioning must be continued.

Friday's concluding session of the 3-day meet will feature Miss Jane M. Hoey of New York City who will discuss, "Overcoming Deterrents in Public Welfare Services."

Toynbee Stresses Idea U.N. Must Embrace All

By NANCY RAY
Star Staff Writer

Dr. Arnold Toynbee touched on a multitude of world problems Thursday and drew on his 50 years as a world historian to render judgment on many.

The British author, lecturer and teacher enlarged on several statements he made at a Wesleyan University convocation Wednesday night.

Red China and "all other nations, no matter how small," should be admitted to United Nations membership, Dr. Toynbee stressed, if that body is to ever become a strong world power. He noted that nearly half of the world's population is not now represented.

Not Exclusive Club

"It is a mistake to think of the United Nations as an exclusive club just for 'nice' people. People who disagree should belong to a common organization in order that those differences be debated," he explained.

Dr. Toynbee — who said in his Wednesday speech that he believed there was hope for the abolition of war — added that now is the time for the United States and Russia to seek to agree and cooperate while they remain the sole big atomic powers in the world.

The United Nations can become the major world government only if the U.S. and Russia find this common ground for agreement, he predicted, adding that "that's a pretty big 'if.'"

Cuba Model Threat

The historian viewed the threat of communist-controlled Cuba "not in its proximity to the United States, but as a model for further revolutions in Latin American countries."

Unless Latin American countries are persuaded to cooperate and initiate reforms, he said, they can look forward to their own "Castro-like" revolutions.

Touching briefly on religion, Dr. Toynbee predicted growing good will between sects, but foresaw no amalgamation move. He disapproved of the use of religion as a force against communism, saying that "if religion is mobilized for politics, it kills the religion."

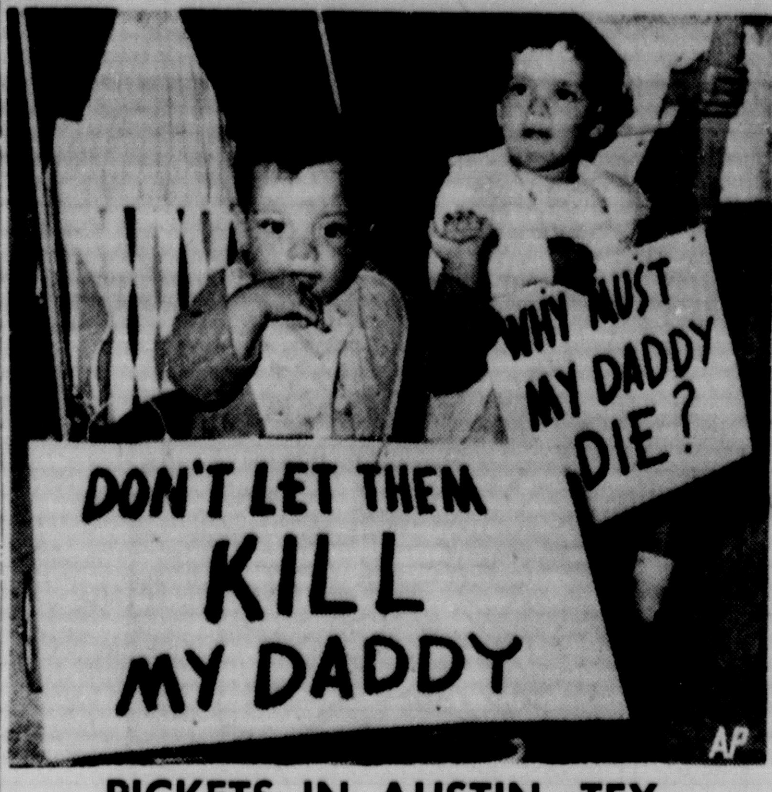
The 74-year-old historian is a visiting lecturer at Grinnell College, Iowa, and lectured at Wesleyan as part of the university's 75th anniversary observances.

Convention Opens

Beatrice (AP) — Registration got underway Thursday for the centennial convention of the Nebraska Christian Churches.

About 650 persons of an expected 1,000 registered before the session opened Thursday night with an address by Dr. Tom Parish of Wichita, Kan.

The convention continues through Sunday.



WHY MUST MY DADDY DIE?
DON'T LET THEM KILL MY DADDY
AP

PICKETS IN AUSTIN, TEX.

Eleven-month-old Blas Villareal III, and his sister Dorcas joined 4 other sisters and relatives in picketing in front of the Texas Capitol in Austin. The children's father is condemmed slayer Blas Villareal Jr., convicted in the 1961 Houston slaying of Wallace Connor. Another sign in the group urged support of a bill before the state senate abolishing capital punishment.

TO STUDY FOIL

Omaha (UPI)— Forty-nine member dentists from 8 state will attend meetings of the Woodbury Gold Foil Study Club at Creighton University Friday and Saturday.

The club studies techniques in gold foil dentistry work.

City Police Car On Radar Duty Hit By Motorist

The entire left side of a Lincoln police cruiser on radar duty was heavily damaged Thursday evening when hit by a car heading west on A between 58th and Eastridge Drive.

Driving it was Trexton M. Timmerman of 4235 Garfield.

Officer Richard Ebert reported to Police Chief Joe Carroll that he was sitting in the cruiser, watching the Timmerman car's approach on the radar speed meter.

Ebert estimated the cruiser's damage at $450, the Timmerman's auto's at $225.

McKAY FLIES X15 ON 'SPY SKY' PHOTO FLIGHT

Edwards Air Force Base, Calif. (AP)—X15 pilot John McKay streaked 3,545 miles an hour Thursday in a "sky spy" camera-test flight. It was his first since he crash-landed another X15 on Nov. 9.

Thursday's flight, to 106,000 feet, was planned as a second attempt to determine how much a camera's pictures are distorted by extreme speed.

Results of an earlier test, at 2,795 miles an hour from 73,000 feet, have not been disclosed by the Army, which installed a standard mapping camera in the space agency plane.

At the X15's high speeds, engineers figure there will be some distortion due to two factors not present in conventional flight:

1. The shock wave that builds up around craft exceeding the speed of sound (about 660 miles an hour at high altitude), and 2. The heat from atmospheric friction.

Trooper Nabs Omaha Man After Chase

Greeley (AP)—A 32-year-old Omaha man, captured early Thursday by a state trooper after a high-speed chase in Greeley County, is being held in jail at Greeley pending investigation.

The man, who gave his name as Samuel L. Harris, was arrested by Trooper Phillip Quinn of Ord after a chase that ended east of Greeley.

Harris was to be questioned regarding two auto thefts including the theft of the car he was driving when apprehended. He also has been identified as driver of a stolen car which was involved in a collision near Aurora late Wednesday.

The car he was apprehended in was taken in St. Paul, Neb., shortly before midnight Wednesday.

No charges had been filed.

Cancer Research Grants Received

The Nebraska Division of the American Cancer Society announced Wednesday that it has received two research grants totaling $22,000. One is active at Creighton University, the other at the University of Nebraska.

These grants are given in conjunction with a broad nation-wide research program carried on in 147 different laboratories, the division said. It is expected that progress will be made with respect to viruses, hormones, drugs, diagnosis, and metastasis (the spread of cancer).

Woman Injured When She Stumbles On Curb

Mary E. McMillan, 67, of 1720 No. 31st, was treated for chin and knee injuries at Bryan Memorial Hospital and released Thursday night.

Police said shet was walking across Holdrege at 30th in the croswalk when she heard a car braking to a stop. She began running and stumbled on the north curb. She was not struck by the car, police and witnesses said. It was driven by Keith R. Scheer, 21, of 1705 No. 32nd.

Services pending at San Jose.

Hastings College Sophomores Beat National Average

Hastings — Sophomores at Hastings College beat the national average in a nationally prepared test on English they took recently.

Five students got the highest score possible. They were James Barnett of Grant, Sharon Fruehling of Hastings, Normalee Hollander of Overton, William Holmes of Hastings, and Patricia Redman of Kearney.

Based on national norms and the enrollment figures at Hastings College, only 3 students should have made the top possible score.

Alcoholism Called Problem For All By Noted Authority

By GERRY WRIGHT
Star Staff Writer

Every individual must take the responsibility of informing himself and telling his friends about alcoholism, the executive director of the National Council on Alcoholism said Thursday.

Mrs. Marty Mann of New York City **told some 275 Nebraska welfare personnel attending the 66th annual conference of the Nebraska Welfare Assn., that alcoholism is a public health problem and therefore it is everyone's responsibility.**

"In coming to grips with this challenge, it is later than we think. We have a runaway problem on our hands," she said.

"We've abdicated the responsibility in many cases . . . and have turned our back on it, tried to call it anything other than what it is," Mrs. Mann added.

She explained the importance of education in overcoming the conviction of most people that those who drink are "no good."

She related her personal experience as an alcoholic, noting that she like most average Americans had thought that those who drank "probably came from among the seriously underprivileged and had never had a chance."

"I knew there must be something seriously wrong but accepted the idea that what was wrong was in their background, character, etc., and it didn't really happen to nice people," she said.

However, she said she discovered that alcoholism is not limited to one area, one group or one class. "No one is immune."

Mrs. Mann emphasized that the problem exists and only by making information about it available to all will the alcoholism problem be lessened.

Most people behave like children and ostriches about alcoholism, she said, "if we don't look at it, maybe it will go away."

In the morning session of the conference, a Chicago attorney, Dr. Alex Elson, emphasized the importance of the juvenile court.

"The challenge of today is to fulfill the promise of the juvenile court," he said.

He also noted that in order for this challenge to be met, critical analysis of how the court is functioning must be continued.

Friday's concluding session of the 3-day meet will feature Miss Jane M. Hoey of New York City who will discuss, "Overcoming Deterrents in Public Welfare Services."

Toynbee Stresses Idea U.N. Must Embrace All

By NANCY RAY
Star Staff Writer

Dr. Arnold Toynbee touched on a multitude of world problems Thursday and drew on his 50 years as a world historian to render judgment on many.

The British author, lecturer and teacher enlarged on several statements he made at a Wesleyan University convocation Wednesday night.

Red China and "all other nations, no matter how small," should be admitted to United Nations membership, Dr. Toynbee stressed, if that body is to ever become a strong world power. He noted that nearly half of the world's population is not now represented.

Not Exclusive Club

"It is a mistake to think of the United Nations as an exclusive club just for 'nice' people. People who disagree should belong to a common organization in order that those differences be debated," he explained.

Dr. Toynbee — who said in his Wednesday speech that he believed there was hope for the abolition of war — **added that now is the time for the United States and Russia to seek to agree and cooperate while they remain the sole big atomic powers in the world.**

The United Nations can become the major world government only if the U.S. and Russia find this common ground for agreement, he predicted, adding that "that's a pretty big 'if.'"

Cuba Model Threat

The historian viewed the threat of communist-controlled Cuba "not in its proximity to the United States, but as a model for further revolutions in Latin American countries."

Unless Latin American countries are persuaded to cooperate and initiate reforms, he said, they can look forward to their own "Castro-like" revolutions.

Touching briefly on religion, Dr. Toynbee predicted growing good will between sects, but foresaw no amalgamation move. He disapproved of the use of religion as a force against communism, saying that "if religion is mobilized for politics, it kills the religion."

The 74-year-old historian is a visiting lecturer at Grinnell College, Iowa, and lectured at Wesleyan as part of the university's 75th anniversary observances.

Convention Opens

Beatrice (AP) — Registration got underway Thursday for the centennial convention of the Nebraska Christian Churches.

About 650 persons of an expected 1,000 registered before the session opened Thursday night with an address by Dr. Tom Parish of Wichita, Kan.

The convention continues through Sunday.

WHY MUST MY DADDY DIE?
DON'T LET THEM KILL MY DADDY
AP

PICKETS IN AUSTIN, TEX.

Eleven-month-old Blas Villareal III, and his sister Dorcas joined 4 other sisters and relatives in picketing in front of the Texas Capitol in Austin. The children's father is condemmed slayer Blas Villareal Jr., convicted in the 1961 Houston slaying of Wallace Connor. Another sign in the group urged support of a bill before the state senate abolishing capital punishment.

TO STUDY FOIL

Omaha (UPI)— Forty-nine member dentists from 8 state will attend meetings of the Woodbury Gold Foil Study Club at Creighton University Friday and Saturday.

The club studies techniques in gold foil dentistry work.

City Police Car On Radar Duty Hit By Motorist

The entire left side of a Lincoln police cruiser on radar duty was heavily damaged Thursday evening when hit by a car heading west on A between 58th and Eastridge Drive

Driving it was Trexton M. Timmerman of 4235 Garfield.

Officer Richard Ebert reported to Police Chief Joe Carroll that he was sitting in the cruiser, watching the Timmerman car's approach on the radar speed meter.

Ebert estimated the cruiser's damage at $450, the Timmerman's auto's at $225.

McKAY FLIES X15 ON 'SPY SKY' PHOTO FLIGHT

Edwards Air Force Base, Calif. (AP)—X15 pilot John McKay streaked 3,545 miles an hour Thursday in a "sky spy" camera-test flight It was his first since he crash-landed another X15 on Nov. 9.

Thursday's flight, to 100,000 feet, was planned as a second attempt to determine how much a camera's pictures are distorted by extreme speed.

Results of an earlier test, at 2,795 miles an hour from 73,000 feet, have not been disclosed by the Army, which installed a standard mapping camera in the space agency plane.

At the X15's high speeds, engineers figure there will be some distortion due to two factors not present in conventional flight:

1. The shock wave that builds up around craft exceeding the speed of sound (about 660 miles an hour at high altitude), and 2. The heat from atmospheric friction.

Trooper Nabs Omaha Man After Chase

Greeley (AP)—A 32-year-old Omaha man, captured early Thursday by a state trooper after a high-speed chase in Greeley County, is being held in jail at Greeley pending investigation.

The man, who gave his name as Samuel L. Harris, was arrested by Trooper Phillip Quinn of Ord after a chase that ended east of Greeley.

Harris was to be questioned regarding two auto thefts including the theft of the car he was driving when apprehended. He also has been identified as driver of a stolen car which was involved in a collision near Aurora late Wednesday.

The car he was apprehended in was taken in St. Paul, Neb., shortly before midnight Wednesday.

No charges had been filed.

Cancer Research Grants Received

The Nebraska Division of the American Cancer Society announced Wednesday that it has received two research grants totaling $22,000. One is active at Creighton University, the other at the University of Nebraska.

These grants are given in conjunction with a broad nation-wide research program carried on in 147 different laboratories, the division said. It is expected that progress will be made with respect to viruses, hormones, drugs, diagnosis, and metastasis (the spread of cancer).

Woman Injured When She Stumbles On Curb

Mary E. McMillan, 67, of 1720 No. 31st, was treated for chin and knee injuries at Bryan Memorial Hospital and released Thursday night.

Police said she was walking across Holdrege at 30th in the croswalk when she heard a car braking to a stop. She began running and stumbled on the north curb. She was not struck by the car, police and witnesses said. It was driven by Keith R. Scheer, 21, of 1705 No. 32nd.

Services pending at San Jose.

Hastings College Sophomores Beat National Average

Hastings — Sophomores at Hastings College beat the national average in a nationally prepared test on English they took recently.

Five students got the highest score possible. They were James Barnett of Grant, Sharon Fruehling of Hastings, Normalee Hollander of Overton, William Holmes of Hastings, and Patricia Redman of Kearney.

Based on national norms and the enrollment figures at Hastings College, only 3 students should have made the top possible score.

—CHANCE—

Many times is cloaked in disguise and often hard to distinguish. It may pass you by and never come your way again. For your information this is YOUR CHANCE to buy a home that is most unusual and probably the only one of its kind in Lincoln. Built by one of Lincoln's well known and outstanding builders for his sister, the utmost consideration as to design, features, materials, and overall construction was undertaken. The owners selected a high lot in one of Lincoln's finest areas just south of the Country Club—on this splendid setting built this lovely home—a 3 bedroom brick, fully carpeted and draped. A beautiful kitchen with built-ins, a huge fireplace upstairs and double fireplace down. The basement is well planned with excellent walkout entrance. Seasons are enjoyed in comfort for this house has Chrysler air conditioning and heating. This system was installed with its design to co-ordinate the house design—not an afterthought as in many cases. Showing even more detail planning is the built-in sprinkler system: to water the lawn is certainly a pleasure. Drive by this splendid house today. When you see this red brick ranch type home with its double attached garage, you'll say "THIS IS OUR CHANCE."

HOUSES OF QUALITY BY PORTSCHE'S

Drop out and inspect for yourselves our show homes, now all completed and ready to move into. We have 4 different styles to pick from and 3 vacant lots in Orcutt Acres plus more lots on Southeast corner of 56th & Vine that we can put your home on.

Our show homes are all brick 1 story 3 bedrooms and finished recreation rooms, attached lined garages. The large kitchens are out of this world with indirect lighting and the best of built-in appliances—finished in oak and mahogany . . . also slate entryways, tiled baths, and too many other extras to mention. In an area of excellent homes on quiet secluded street. Drop out and see for yourselves.

LOOMIS & HOYT

ELEGANT — BUT ECONOMICAL. When you see this 3 bedroom home on Fall Creek Road, you will say it is the best buy in Piedmont. Carpeting and drapes throughout, magnificent lot graced by tall trees shading a large sweeping lawn. Call, you'll be amazed at the price.

MOST CRITICAL FRIENDS will be in awe at this breathtaking view. There is no cramped living in Wedgewood Manor. If you appreciate a home that is well constructed and planned for carefree living, you must see this 3 bedroom, brick, completely finished walkout basement, and too many extras to mention.

IN A NEIGHBORHOOD of beautiful homes, you will find a king-sized one story brick ranch with over 2,200 sq. ft. living space. The design affords togetherness and yet is perfect for someone desiring separate living quarters. Spotless condition, Kimballcrest location and priced less than $40,000.

LOOK AT THIS, Mrs. Home Seeker. On stately Sunburst Lane, you will find a 3 bedroom brick ranch home, central air conditioning, carpeting and drapes, rec room with built-in bar, ceramic bath with shower and a dining room for entertaining. This charming home can be purchased for less than $24,000.

MOVE ONE MORE time — to your own home. If you're tired of falling over toys and you want to give your kiddies a chance to romp, this brick 3 bedroom home with a 4th bedroom in the walkout basement, South of the Country Club, is the answer to your problems. It has two full baths, over 1,300 sq. ft. and is priced at $23,150.

ABOUT 3 MINUTES to the Eastridge swimming pool. Expansive not expensive is the way to describe this three bedroom home on Sunrise Road. Check these features for only $21,700. 1 and ½ baths, large family room, dining area, large kitchen, enclosed porch and central air conditioning.

MORE FOR YOUR comfort, convenience and money. Why pay more than $19,400 for a 3 bedroom stone home on Scenic Lane in popular Meadow Lane addition. This refreshingly modern home has nylon carpets, built-in stove, oven & disposal and is only 1 and ½ years old. If you want to trade up to better living, call us and see how easy it is.

—CHANCE—

Many times is cloaked in disguise and often hard to distinguish It may pass you by and never come your way again For your information this is YOUR CHANCE to buy a home that is most unusual and probably the only one of its kind in Lincoln Built by one of Lincoln's well known and outstanding builders for his sister the utmost consideration as to design features materials and overall construction was undertaken The owners selected a high lot in one of Lincoln's finest areas just south of the Country Club—on this splendid setting built this lovely home—a 3 bedroom brick fully carpeted and draped A beautiful kitchen with built ins a huge fireplace upstairs and double fireplace down The basement is well planned with excellent walkout entrance Seasons are enjoyed in comfort for this house has Chrysler air conditioning and heating This system was installed with its design to co-ordinate the house design—not an afterthought as in many cases Showing even more detail planning is the built in sprinkler system to water the lawn is certainly a pleasure Drive by this splendid house today When you see this red brick ranch type home with its double attached garage you'll say "THIS IS OUR CHANCE"

DOAN ROSE

This little ad isn't supposed to be clever, it's just a STATEMENT OF FACT, we've had a busy April so far, and frankly our stock is unbalanced and disorganized . . . Too many cars not cleaned up . . . Lots of duplicates . . . Cars that for one reason or another we particularly want to move now. This is no rummage sale . . . They're the same FINE QUALITY cars your used to seeing here, same warranty, same low cost bank financing, only change is in pricing, and in some cases the cars need polish or minor repair . . OUT THEY GO . . . A beautiful '59 Ford Galaxie, bright red, the kind of car that's usually priced at $1395, has a cracked windshield, needs a polish job . . . Buy it today for just $1150. Keep on reading there's something in here for everyone . . . '54 Plymouth 35. A good '57 Dodge Hardtop . . . Really a nice car, needs clean up and very minor body work . . . $350, DEALERS WELCOME . . . Look at this, '57 Ford Victoria, pretty good V8 with stick and just $365. '51 Plymouth, runs, $17.50 . . . '54 Ford Victoria. Real good ole car, $135. '59 International Carryall worth $995. We'll WHOLESALE at $675 . . . '59 Chevys, 4 of them, we'll wholesale a couple of them . . . '60 Chevys, 3 from $1295. BARGAIN BUY . . . One owner '61 Chrysler Newport, you clean it up (doesn't need much) $1850. Today . . . '61 Corvair Coupe, 3 speed on the floor . . . CHECK PRICES ON THESE, and then look at this nice one for just $1350, that's right, a '61 Corvair Coupe for $1350. '46 Jeep, good one with full cab, $369. Lots of Fords and Chevys. WE'LL TALK PRICE on any of them . . . We're going to end this month with a bang . . . OUT THEY GO . . . Low prices, the lewest we'll be able to offer this year . . . Bank financing . . . No money down on some of these cars . . . Same warranty as regular stock . . . . .

LOOMIS & HOYT

ELEGANT — BUT ECONOMICAL. When you see this 3 bedroom home on Hill Creek Road, you will say it is the best buy in Piedmont. Carpeting and drapes throughout, magnificent lot graced by tall trees shading a large sweeping lawn. Call, you'll be amazed at the price.

MOST CRITICAL FRIENDS will be in awe of this breathtaking view. There is no cramped living in Wedgewood Manor. If you appreciate a home that is well constructed and planned for carefree living, you must see this 4 bedroom, brick, completely finished walkout basement, and too many extras to mention.

IN A NEIGHBORHOOD of beautiful homes, you will find a king-sized one story brick ranch with over 2,200 sq. ft. living space. The design affords togetherness and yet is perfect for someone desiring separate living quarters. Spotless condition. Kimballcrest location and priced less than $30,000.

LOOK AT THIS, Mrs. Home Seeker. On stately Sunburst Lane, you will find a 3 bedroom brick ranch home, central air conditioning, carpeting and drapes, rec room with built-in bar, ceramic bath with shower and a dining room for entertaining. This charming home can be purchased for less than $24,000.

MOVE ONE MORE time — to your own home. If you're tired of falling over toys and you want to give your kiddies a chance to romp, this brick 3 bedroom home with a 4th bedroom in the walkout basement, South of the Country Club, is the answer to your problems. It has two full baths, over 1,300 sq. ft. and is priced at $23,150.

ABOUT 3 MINUTES to the Eastridge swimming pool. Expansive not expensive is the way to describe this three bedroom home on Sunrise Road. Check these features for only $21,700: 1 and ½ baths, large family room, dining area, large kitchen, enclosed porch and central air conditioning.

MORE FOR YOUR comfort, convenience and money. Why pay more than $19,400 for a 3 bedroom stone home on Scenic Lane in popular Meadow Lane addition. This refreshingly modern home has nylon carpets, built-in stove, oven & disposal and is only 1 and ½ years old. If you want to trade up to better living, call us and see how easy it is.

HERE'S A SHARPIE

3 bedroom brick. Attached garage. All birch cabinets. Divided basement. FHA loan available. 1840 No. 64. 488-3236. By builder. 4

HEY! LOOK ME OVER!

I'm at 1808 Rusty Lane, Park Manor East. My family is leaving & I need someone by June 1. The Mrs. will love my all modern kitchen, the Mr. my double garage, the children, my beautiful large lawn & the pets, my fenced in back yard. Oh, yes, I don't have a catch-all basement, but do have a lovely family room & 3 bedrooms. Please call me at 489-1122 9

Holmes area — 2 bedrooms. Large attached garage. Large lot. Built-in stove. Original owner. $12,900. 488-4820, 2240 So. 58 28

FOREVER YOUNG HAS A . . .

Seersucker Costume Story . . .

A HAPPY-EVER-AFTER FASHION IN 2 PARTS

14.98

The story begins with cotton and acetate seersucker in gray or brown. Part 2 is a beautifully detailed sheath and the cover sports a hip-length casual jacket. 10-20, 12½-22½.

GOLD'S Moderate Priced Dresses . . . Second Floor

Remember Mother on May 12 With a New Seersucker Costume!

Lycra Back **. . . Lower than most. Stretches horizontally.**

Lycra Front **. . . Bias-set for diagonal "give." Shapes to you perfectly.**

Lycra Triangles **. . . Under arms. Stretches upward and clings to you fittingly.**

FINALLY A BRA THAT ACTS JUST LIKE YOU DO!

Fiesta Bra by Formfit

Never before such inspired use of Lyrca® spandex, smoothest and lightest of elastics . . . nylon, acetate, spandex. Used three different ways for super-natural flex and fit. Fiesta feels and acts like part of you, gives a lovely young line. Cotton.
